GRAND RAPIDS & NORTH WESTERN RR (Independent).—Inc. Jan 31, 1908, in Mich., and acquired the entire right of way, grades and terminals of the Mason & Oceana RR and the Girard Trust Co., Philadelphia, holds all the \$100,000 capital stock of the latter as Trustee for the Grand Rapids & North Western RR Co. Company proposes to standardize and extend the Mason & Oceana RR into Ludington and Grand Rapids, and establish a line of car ferries with terminals in Milwaukee and Manitowoc. Company's line from Grand Rapids to Ludington, Mich., has been graded and fenced for over 40 miles. Construction work was suspended in June, 1914. At Ludington, Mich., the company owns approximately 1½ miles of deep water frontage and extensive terminal room; also has under construction three car ferries, two of same having already been launched, which will eventually operate between Ludington and Milwaukee and Manitowoc in connection with the rail line, rendering transfer service as between Chi-

cago, Milwaukee & St. Paul Ry, Chicago & North Western Ry and Minneapolis, St. Paul & Sault Ste. Marie Ry lines on the west of the lake and the Grand Trunk Ry, New York Central, Michigan Central and Pennsylvania Systems at Grand Rapids. Pending the completion of the company's own line, these ferries will operate out of Milwaukee to connect with existing lines on the east shore of Lake Michigan. The company has acquired control, by 99-year lease, of a large terminal in Milwaukee, with approximately three-quarters of a mile of water frontage, and a contract for a similar term has been made with the Chicago, Milwaukee & St. Paul Ry Co., providing for the joint operation of this terminal and for the division of rates.

Capital Stock.—Authorized and outstanding, \$2,500,000 Com. and \$500,000 6% non-cumulative Pfd.; par, \$100. Secretary of company acts as Transfer Agent and Registrar. No dividends paid.

Bonded Debt.—\$1,260,000 First Gold 5s; dated Feb 1, 1908; due Feb 1, 1958; int. F & A 1, at Girard Trust Co., Philadelphia, Trustee, and at First National Bank, Chicago. Coupon, \$1,000; principal may be registered. Authorized, \$5,000,000; issued, \$2,000,000, of which \$740,000 held in treasury. The unissued bonds are reserved for construction, acquisitions, additions, betterments, etc. Bonds are not subject to call, and there is no sinking fund. A first lien on entire property, the completed road to cost \$5,000,000, it is estimated. Interest paid without deduction for Normal Income Tax.

Officers: P. W. Gates, Pres. & Treas., Chicago; R. R. Dunn, V-P, New York; W. S. Syrett, Sec., Chicago. **Directors:** The foregoing and M. F. Butters, Ludington, Mich.; George Clapperton, Grand Rapids, Mich.; W. P. Bloodgood, J. N. Tittmore, Milwaukee.

Annual meeting, February 1.

Office, Ludington, Mich., and 72 W. Adams St., Chicago.

RAILROAD OWNED BY THE GRAND RAPIDS & NORTH WESTERN RR.

MASON & OCEANA RR.—Inc. Aug 9, 1886, in Mich. On Feb 1, 1908, the company was indebted to the Butters Salt & Lumber Co. for moneys expended for new grades, right-of-way, etc., and to liquidate said indebtedness sold to the latter company all of the rail and personal equipment, same to be delivered as fast as the Mason & Oceana RR releases the same. This road was used primarily for logging operations of the Butters Salt & Lumber Co., and the equipment is practically worn out, and the burning of the lumber company's plant has put this railroad out of business, as the lumber company gave the road 90% of its earnings.

The Grand Rapids & North Western RR Co. was organized and owns all grades, rights-of-way, and terminals of the Mason & Oceana RR Co., and the Girard Trust Co. of Philadelphia holds all the stock as trustee for the Grand Rapids & North Western RR.

Capital Stock.—Authorized and outstanding, \$100,000; par, \$100. No bonded debt. Office, Ludington, Mich.

GREAT NORTHERN RAILWAY COMPANY.

History.—Incorporated March 1, 1856, in the Territory of Minnesota as the Minneapolis & St. Cloud RR Co. By subsequent Acts of the Minnesota Legislature the company was authorized to change its name, or that of any of its branch lines, and in pursuance thereof, the company, as of Sept 18, 1889, filed a certificate of change of name to its present title. On Feb 1, 1890, under a 999 year lease, the operation of the property of the St. Paul, Minneapolis & Manitoba Ry was assumed, and in Oct, 1898, and subsequently, all but a small minority of the capital stock of that company was acquired, the Great Northern Ry Co. issuing in exchange therefor its own capital stock at the rate of \$125 for each \$100 share of "Manitoba" stock turned in. As of June 30, 1916, there remained unexchanged \$1,400 of "Manitoba" stock (of which \$1,000 was in company's treasury and \$400 in hands of public), for the conversion of which \$1,750 Great Northern stock was reserved.

Purchase and Consolidation of Subsidiaries.—Under the authorization given at the annual stockholders' meeting held Oct 10, 1907, the Great Northern Ry Co. purchased and now holds title to the lines of railway, equipment, securities and all other property and assets formerly owned by the following companies: St. Paul, Minneapolis & Manitoba Ry, Eastern Ry of Minnesota, Willmar & Sioux Falls Ry, Park Rapids & Leech Lake Ry, Duluth, Watertown & Pacific Ry, Montana Central Ry, Minnesota & Great Northern Ry, Dakota & Great Northern Ry, Montana & Great Northern Ry, Minneapolis Union Ry, Billings & Northern RR, Spokane Falls & Northern Ry, Columbia & Red Mountain Ry, Washington & Great Northern Ry, Seattle & Montana

RR. On Aug 1, 1908, that portion of the property of the Duluth, Superior & Western Terminal Co., which had been leased to the Great Northern Ry Co. since June 1, 1903, was formally absorbed by the company. The properties in Sioux City, Ia., owned and formerly operated by the Iowa & Great Northern Ry Co. and the Union Terminal Ry Co., were purchased by and were conveyed in fee to the Great Northern Ry Co. and operation thereof and of the lines belonging to the Great Northern within the State of Iowa, formerly operated by the Iowa & Great Northern Ry Co. as lessee, was begun at midnight, June 30, 1910. The Everett & Cherry Valley Traction Co., Kootenai Valley Ry and Great Falls & Teton County Ry have subsequently been merged.

Control of "Burlington."—Jointly with the Northern Pacific Ry Co., the Great Northern Ry Co. owns practically the entire capital stock of the Chicago, Burlington & Quincy RR, and is jointly responsible for \$215,227,000 C., B. & Q. Collateral 4% bonds, secured by deposit with Guaranty Trust Co. of New York, of 1,076,135 shares of the capital stock of the C., B. & Q. RR Co. (see Bonded Debt statement).

Steamship Lines.—The Great Northern Ry Co. owns the entire \$6,000,000 capital stock of the Great Northern Steamship Co., operating steamers between Seattle, Wash., and Yokohama, Japan, and the \$1,500,000 capital stock of the Northern Steamship Co., operating a line of passenger steamers on the Great Lakes. It also has an interest, through the Spokane, Portland & Seattle Ry Co. (see below) in the Great Northern Pacific Steamship Co., which operates a line of fast steamers between Flavel, Ore. (near Astoria), and San Francisco, Cal.

Allouez Bay Dock Co. (The).—This company was purchased as of Jan 1, 1913. It consists of one steel and concrete, and three timber ore docks, having a capacity of 378,630 tons, 0.92 mile of main track, also yard tracks, and other property, all located east of Omaha Crossing at Allouez, Wis., and furnishes the means of handling iron ore from cars to vessels.

Of the cost of this property, there has been charged to "Cost of Equipment," \$8,818.17, and to "Cost of Road," \$4,565,450.44, which included an unexpended fund of \$927,623.38, against which have been charged Additions and Betterments to that amount. As part of the transaction 19,995 shares of the Duluth, Superior & Western Terminal Co. were surrendered, (leaving 5 shares outstanding), in exchange for \$2,015,000, face value, of mortgage notes of the Dock Company.

Kootenay Ry & Navigation Co., Ltd.—In 1900, the Great Northern Ry Co. guaranteed the payment, principal and interest, of £480,000 5% Debenture Stock of the Kootenay Ry & Navigation Co., Ltd., nearly one-half of which Debenture Stock and a large amount of its Com. shares were owned by the Great Northern. Shortly afterwards the Great Northern purchased the balance of the Kootenay Co.'s Com. shares. During the year 1911-12, the Kootenay Ry & Navigation Co., Ltd., was liquidated, and the Great Northern Ry Co. received, free of bonds, the entire capital stock of Kaslo & Slocan Ry Co., International Navigation & Trading Co., Ltd., Kootenai Valley Ry Co. and Bedlington & Nelson Ry Co. The stock of Kaslo & Slocan Ry Co. and the property of International Navigation & Trading Co., Ltd., were subsequently sold. The securities of the Kootenay Ry & Navigation Co., Ltd., were written off and the stocks of the Kootenai Valley Ry Co. and Bedlington & Nelson Ry Co. were taken up at \$655,000 and \$280,000, respectively. During fiscal year 1913-14, the stock of the Kootenai Valley Ry Co. was surrendered to it for deed of its property which thereupon became part of the Great Northern Ry. A portion of the Bedlington & Nelson Ry line was removed and the book value of its capital stock reduced to \$65,000.

Spokane, Portland & Seattle Ry Co.—This company completed in May, 1909, a line of railway from Spokane, Wash., to Portland, Ore., a distance of approximately 420 miles. The S., P. & S. Ry is owned by the Great Northern and Northern Pacific Ry companies jointly. The Great Northern Ry Co. has made large advances to the Spokane, Portland & Seattle Ry Co. for construction and equipment of its line, and for the acquisition of securities of certain existing companies, the properties of which are intended to become part of the Spokane, Portland & Seattle Ry System. In settlement of these advances and like advances made by the Northern Pacific Ry Co., the Spokane, Portland & Seattle Ry Co. delivered to and in the names of the Great Northern Ry Co. and the Northern Pacific Ry Co., jointly, but for equal division between them, a certificate calling for \$40,000,000 of its capital stock, also \$61,000,000 of its First Mortgage 4% Fifty-Year Gold Bonds, dated March 1, 1911. Subsequent to this settlement \$12,710,000 bonds have been issued in payment for further advances by the two companies and divided equally between them. The payment of these bonds, principal and interest, has been guaranteed by the two companies receiving them, and \$36,855,000 thereof are now held as treasury assets by the Great Northern Ry Co.

The Northern Pacific Ry Co. and the Great Northern Ry Co. have deposited all their shares of the Spokane, Portland & Seattle Ry Co., less directors' shares, with the Central Trust Co., New York, to be held in trust until the satisfaction of the above mentioned mortgage of the Spokane, Portland & Seattle Ry Co.

Spokane & Inland Empire RR.—In Dec, 1909, a substantial interest was acquired in the capital stock of this company (see statement in 1914 *Manual*, Vol. 2). The Spokane & Inland Empire RR Co. owns the entire capital stocks of the Coeur d'Alene & Spokane Ry Co., the Spokane & Inland Ry Co., the Spokane Terminal Co. and the Spokane Traction Co.—embracing in all, 250 miles of track.

Vancouver, Victoria & Eastern Ry & Navigation Co.—There was advanced to this company during the fiscal year 1915-16 to pay for construction, property, etc., the sum of \$367,405.

Manitoba Great Northern Ry Co. and Midland Ry Co. of Manitoba.—As of July 1, 1909, the former Company, chartered by the Province of Manitoba, purchased, with governmental sanction, and took possession of the lines of railway formerly owned by the Midland Ry Co. of Manitoba, and extending from the International Boundary line to Portage la Prairie and to Morden, Man. To pay for this property, the Manitoba Great Northern Ry Co. issued its stock to the amount of \$2,040,000 which was subscribed and paid for in cash at par by the Great Northern Ry Co. This sale left the Midland Ry Co. of Manitoba, which is controlled by the Northern Pacific and Great Northern Ry Cos. jointly and in equal proportions, divested of all its railway lines, but owning valuable properties at Winnipeg, Man., acquired for terminals. In developing its terminal property, the Midland Ry Co. of Manitoba has built 6.40 miles of main track connecting with other railways, 11.11 miles of sidings, together with freight house, engine house and other buildings. The Great Northern's investments in these properties as of June 30, 1916, represented by advances, amounted to \$2,352,976. During 1912-13, the Midland Ry Co. of Manitoba issued \$4,300,000 stock in payment of advances for construction made by the Great Northern Ry Co. and the Northern Pacific Ry Co., each receiving one-half of the total issue.

Great Falls & Teton County Ry.—The entire \$850,000 capital stock of this Co. was acquired May 19, 1914. Its line is 42.97 miles in length, and extends from a connection with Great Northern Ry Co. tracks at Power to Bynum, Mont. During 1914-15, this stock was surrendered for deed of company's property which thereupon became part of the lines of the Great Northern Ry Co. During 1915-16 the Great Northern Ry Co. subscribed, at par, for \$150,000 of the capital stock, paying 10% thereon, and Great Falls & Teton County Ry commenced the construction of a line from Bynum to Pendroy, Mont., 8.7 miles.

Great Northern Equipment Co.—Incorporated June 11, 1914, in Minn., with \$5,000,000 authorized capital stock to purchase, lease and sell to the Great Northern Ry Co. such rolling stock and equipment as the latter may require for the transaction of its business. To and including June 30, 1916, \$1,914,000 First & Refunding Mortgage Series "A" Gold 4½s of the Great Northern Ry Co. were certificated and deposited in that company's treasury against the acquisition of the \$1,927,500 outstanding stock of the Great Northern Equipment Co.

Great Northern Office Building Co.—This Co. having a capital stock of \$1,750,000 was organized during year 1913-14 for the purpose of erecting a new office building in St. Paul for use by the Great Northern Ry Co. There was expended on this new building during 1915-16 the sum of \$601,442. The building was completed late in fall of 1915 and has been purchased by the Great Northern Ry Co.

Glacier Park Hotel Co.—Inc. in 1914, in Minn., by interests identified with the Great Northern Ry Co. with \$1,500,000 capital stock, to take over the ownership and operation of hotels and camps at Glacier National Park, Mont.

Cottonwood Coal Co.—The fuel supply in Montana has heretofore been secured from the mines of the Cottonwood Coal Co., at Stockett, Mont. As these mines are nearly exhausted, the Coal company has developed its coal property in Fergus County, Mont. A modern plant has been installed which is practically completed and which had cost, to June 30, 1916, approximately \$525,000. An adequate coal supply, sufficient for many years to come, has thereby been assured. A branch spur track, 4.72 miles long, has been built by the Great Northern Ry Co. to reach the mine. The entire capital stock of the Cottonwood Coal Co. is owned by the Great Northern Ry Co.

Watertown & Sioux Falls Ry.—The Great Northern Ry Co. subscribed, at par, for \$1,100,000 (entire issue) capital stock of Watertown & Sioux Falls Ry Co., organized under the laws of South Dakota, and which purchased at foreclosure sale on June 28, 1916, the line of railway, from Sioux Falls to Watertown, S. D., 103.2 miles, and all appurtenances, formerly owned and operated by The South Dakota Central Ry Co. (see

Railroad Manual for 1916, page 1572). The Watertown & Sioux Falls Ry Co. began operating this property on July 1, 1916.

New Westminster Southern Ry.—The New Westminster Southern Ry, in March, 1916, sold that part of its line of railway, extending from Brownsville to Port Kells, B. C., a distance of 8.55 miles, to the Canadian Northern Pacific Ry Co. for \$256,500. This company continues to operate over that line under a trackage arrangement.

Investments in Other Railways.—As of June 30, 1916, the amount invested in railways whose lines form a part of the Great Northern system, represented by their capital stock and amounts advanced for construction purposes was as follows: Duluth, Terminal Ry, \$407,464; Midland Ry of Manitoba, \$2,352,976; Manitoba Great Northern Ry, \$2,067,878; Brandon, Saskatchewan & Hudson's Bay Ry, \$2,150,000; Crow's Nest Southern Ry, \$4,216,485; Bedlington & Nelson Ry, \$65,000; Nelson & Fort Sheppard Ry, \$2,119,020; Red Mountain Ry, \$310,619; Vancouver, Victoria & Eastern Ry & Navigation Co., \$22,248,929; New Westminster Southern Ry, \$260,000—total, \$36,198,371. Investments in Union Depot and Terminal Companies, represented by cost of their stocks, bonds and advances for construction purposes: St. Paul Union Depot Co., \$103,600; Minnesota Transfer Ry, \$202,413; Lake Superior Terminal & Transfer Ry, \$169,996—total, \$476,009. Cost of securities in hands of Trustee of Northern Pacific—Great Northern, Chicago, Burlington & Quincy collateral joint bonds (1,076,135 shares of Chicago, Burlington & Quincy RR capital stock—Great Northern Ry Co. one-half owner), \$109,114,810.

Trackage Agreements.—During the year 1910, trackage rights, for 999 years, were obtained over the Northern Pacific line between Seattle and Vancouver, Wash., and over the Northern Pacific and Spokane, Portland & Seattle lines from Vancouver, Wash., into Portland, Ore., together with the right to use S., P. & S. terminals in the latter city. On June 19, 1910, through passenger train service over these lines was inaugurated. As of May 1, 1912, the Midland Ry Co. of Manitoba acquired trackage rights on line of Canadian Northern Ry between International Boundary and its own tracks at Winnipeg, and on lines of Canadian Northern Ry and Grand Trunk Pacific Ry to new union passenger station at Winnipeg. Since that date the Great Northern Ry has run its' own trains to and from Winnipeg. During 1913-14, a mutual agreement was entered into between the Vancouver, Victoria & Eastern Ry & Navigation Co. and the Kettle Valley Ry Co., providing for the use by the former company of the Kettle Valley line between Brookmere and Hope, 54 miles, and for the like use by the Kettle Valley Co. of the Vancouver, Victoria & Eastern line between Princeton and Brookmere, 38 miles, all in British Columbia. During 1915-16, trackage rights were obtained over the Canadian Northern Pacific Ry Co.'s main line between Brownsville and Port Kells, B. C., 8.55 miles.

New Lines.—Construction of an extension to the Stanley-Wildrose branch was commenced in June, 1916. This line, to extend from Wildrose to Grenora, N. D., approximately 36 miles, was expected to be completed about the end of Oct, 1916. Work was resumed during the year upon the lines of Montana Eastern Ry Co., previously suspended. The line which extends from Lambert to Richey, Mont., approximately 25 miles, was expected to be completed in the latter part of Oct, 1916. Work was to be resumed on the line, Lewistown to Grass Range, Mont., with a view of having it completed early in 1917. In May, 1916, the Great Falls & Teton County Ry Co. began building a line from Bynum (the present terminus of the Great Northern Ry Co.'s branch line from Power, Mont.) to Pendroy, Mont., 8.7 miles. This line was expected to be ready for operation the latter part of Sept, 1916. Work was recommenced upon the line of the Vancouver, Victoria & Eastern Ry & Navigation Co. between Sumas Landing and Kilgard, B. C., a distance of 9.37 miles. This line was expected to be completed and placed in operation early in Sept, 1916, and will give the Great Northern Ry a through Canadian line from Oroville to Vancouver.

ST. PAUL, MINNEAPOLIS & MANITOBA RY CO. LAND GRANT,

East of Red River.—The company received a Land Grant computed at ten sections for each mile of road, 3,848,000 acres, as formerly computed by the State of Minnesota, total acreage, as computed by U. S. General Land Office, 3,479,611.36 acres, of which 3,232,720.99 acres were deeded to the company prior to June 30, 1916, less 365,860.92 acres decreed to Northern Pacific RR Co. by U. S. Supreme Court, March 2, 1891; 62,920.17 acres decreed to the same company in accordance with terms of settlement of Nov 1, 1897, and 4,863.74 acres redeeded to the U. S.—making net acreage deeded to company, 2,799,076.16.

Total acreage sold prior to June 30, 1916 (3,066,777.72 acres; less sales cancelled, 361,553.33), 2,705,224.39 acres; remaining unsold June 30, 1916, 774,386.97 acres. Owing to sales and other disposals of land within the limits of the Grant by the United States prior to the time at which this company's right attached, a final adjustment of the Grant by the Government will reduce this acreage by about 660,000 acres.

During the year ended June 30, 1916, 4,298.57 acres of land were sold for \$73,686.76, an average of \$17.14 per acre. There were also sold 139 lots for \$3,469, an average of \$24.96 per lot. The number of land sales during the year was 64, with an average of about 67.17 acres to each purchase. The net receipts of the Department for the year amounted to \$91,390.03, the amount of deferred payments due on land contracts bearing 6% interest being \$332,213.46.

West of Red River.—Of the land lying within the limits of the original Grant, but on what is now the Dakota side of the Red River, the company has reconveyed to the United States, a total of 64,117.92 acres, and in consideration of this reconveyance has been authorized to select an equivalent amount of lands in the other States wherein its lines of railway were constructed. To June 30, 1916, the company had selected 66,663.36 acres, of which 11,398.75 acres have been rejected, leaving the net selections 55,264.61 acres. Additional selections of land to cover the balance yet due are being made as rapidly as possible. Receipts during the year, \$41,585.77.

MINNEAPOLIS AND ST. CLOUD LAND GRANT.

The total acreage earned is 425,664 acres, of which there has been deeded to the company, 425,577.77 acres; total acreage sold to June 30, 1916 (less sales cancelled), 413,658.73 acres, valued at \$1,393,019.38, an average of \$3.37 per acre. On June 30, 1916, there were 12,005.27 acres unsold. During year ended June 30, 1916, 160 acres were sold for \$2,880, an average of \$18 per acre. Receipts during the year, \$7,370.31.

Annual meeting, second Tuesday in Aug, at Portland, Me.

New York office, 82 Beaver St.

GUAYAQUIL & QUITO RY (Independent).—Inc. Sept 7, 1897, in N. J.; formed to carry out contracts made in June, 1897, and Nov, 1898, with the Government of Ecuador, providing for the construction of a railway from Chimbo Bridge to Quito, 300 miles; the putting into condition of the line between Duran and Chimbo, 65 miles, and the construction of connecting lines between Duran and Guayaquil. The consideration to the Government for the before-mentioned 65 miles was fixed at \$750,000 in 6% bonds, deposited with Robarts, Lubbock & Co., London, Eng., as an additional guaranty on the part of the Government for the due performance of the contract. Company likewise deposited \$500,000 in gold as a guaranty on its part, to be released, when the line was completed to Quito, which was accomplished June 17, 1908. Line opened for traffic throughout in June, 1908. Line of road in operation: Duran to Quito, and two branches, 287 miles. Gauge, 3 ft. 6 in.

Capital Stock.—Authorized and outstanding, \$7,033,000 Com. and \$5,250,000 7% cumulative Pfd.; par, \$100. The Com. stock (of which the Government of Ecuador received 49%) is divided into three classes: Class "A," \$3,445,700; Class "B," \$3,586,300, and Class "C," \$1,000 special voting stock held by the council of foreign bondholders, who have the right to appoint three directors. Class "C" is subject to redemption at par at any time after all bonds now or hereafter guaranteed by the Government of Ecuador shall have been paid. Transfer Agent: Corporation Trust Co., Jersey City, N. J.

Bonded Debt.—\$10,808,000 (original issue, \$12,282,000) First Gold 5s (formerly 6s); dated Jan 2, 1899; due Jan 2, 1932; int. J & J 2, at Glyn, Mills, Currie & Co., London, Eng., and U. S. Mortgage & Trust Co., New York. Coupon, \$1,000; principal may be registered. U. S. Mortgage & Trust Co., New York, Trustee. Guaranteed, principal and interest, by Government of Ecuador. Secured by a lien, subject to that of the prior lien bonds, on all the customs duties. After payment of the prior lien bonds (see below), the Government is to continue to pay 5% and 1% sinking fund.

On Sept 30, 1908, an agreement was made for the surrender of the four coupons on above bonds from July, 1907, to Jan, 1909, inclusive, in exchange for \$90 of Government "Salt" bonds (see below).

The interest due Jan 2, 1913, and subsequently is in default. Listed on London Stock Exchange.

\$1,953,000 6% Prior Lien Bonds; dated Jan 2, 1909; due Jan 2, 1930; int. J & J 2, at Glyn, Mills, Currie & Co., London, England, and Empire Trust Co., New York (Trustee). The interest and sinking fund payments on the Prior lien bonds has been paid to date. Coupon, \$1,000. Authorized issue, \$2,486,000, of which \$533,000 have been retired by sinking fund. Subject to call at 105 and interest at any time upon 6 months' notice and at par for sinking fund of 2½% per annum of bonds issued. On Sept 30, 1908, an agreement was entered into between the Government of the Republic of Ecuador, the Guayaquil & Quito Ry, and the council of foreign bondholders, which was approved Nov 1, 1908, by the Congress of Ecuador, consenting to these bonds becoming a first lien on all of the customs revenues of the Republic of Ecuador and all the property of the company. Guaranteed, principal, interest and sinking fund by the Government of Ecuador. Listed on London Stock Exchange.

Interest Loan.—The company, pending repayment from the government of Ecuador, obtained a loan enabling it to pay the Jan 1, 1916, interest on the above Prior Lien bonds.

\$1,004,040 4% "Salt" Bonds; issued under the scheme of arrangement of 1908 in satisfaction of interest due Jan 2, and July 2, 1908, and Jan 2, 1909, on the railway bonds, to provide funds for the payment in cash of interest in arrear on the Special Series bonds, and for payment of expenses connected with the arrangement. Interest payable Jan & July 2, at Robarts, Lubbock & Co., London. Authorized, \$1,105,380 (2,309,016 sucres). Denomination, \$90 or 188 sucres. Sinking fund of 4% is applied in redeeming bonds by drawings at par or by tenders when the price is below par. Bonds for 148,332 sucres have been redeemed. The service of interest and sinking fund is secured as a first charge on the required proportion of the proceeds of the salt monopoly. The "Salt" bonds are not an obligation of the Railway Co. but of the Government.

GULF & SHIP ISLAND RAILROAD CO.

History.—Incorporated Feb 23, 1882, in Miss.; operates under perpetual charter granted before the present State constitution was adopted. In addition to the ordinary concessions to railways, this company has some special ones, including rights to land under water half a mile wide extending six miles into Mississippi Sound. Company, under contract with the United States Government, has dredged from Gulfport to deep water, about seven miles, a channel 310 feet wide and 27 feet deep, and has constructed at Gulfport an anchorage basin of the depth of the channel and one-quarter by one-half mile in area. This anchorage basin adjoins the first and principal pier, which is about one mile long. Vessels have used the channel and dock since 1902.

Line of Road: Gulfport to Jackson, Miss., 161.06 miles; Maxie to Mendenhall, Miss., 104.75 miles; Saratoga to Laurel, Miss., 41.75 miles—total, 307.56 miles. Sidings and spurs, 101.08 miles. Gauge, standard. Rail (steel), 56 to 75 lbs.

Equipment, June 30, 1916.—Locomotives, 43; passenger cars, 34; freight cars—box, 266; flat, 1,132; caboose, 16—total, 1,414. Service cars, 77. Total engines and cars, 1,568.

Capital Stock and Dividends.—Authorized and outstanding, \$7,000,000; par, \$100. Treasurer acts as Transfer Agent and Registrar. Dividends have been paid as follows: April, 1903, to July 1, 1911, inclusive, at the rate of 4% per annum; 1912 and 1913, 2%; 1914, 1915 and 1916, none.

HAMPDEN RR CORP. (Controlled by the Hampden Investment Co.).—Inc. in July, 1910, in Mass. Owns road from the Boston & Albany RR, Athol Junc., so called, about two miles east of Springfield, Mass., to a connection with the Central Mass. division of the Boston & Maine RR, at a point about two miles east of Bonds-ville, a total of 14.82 miles, completed June 23, 1913. Upon completion, was to be leased to Boston & Maine RR for 99 years at rental equal to interest on the debts of the corporation and 5% dividends on the stock, but as the lease has not been approved by the Public Service Commission of Mass., the road has not been opened for operation, and the Boston & Maine RR has not assumed any obligations under the lease. Directors of B. & M. RR voted Dec 29, 1913, to buy or lease road on terms approved by Mass. RR Comm., but the Mass. Legislature on June 18, 1914, defeated the bill providing for lease of road to B. & M. RR. Gauge, standard. Rail (steel), 85 lbs.

Suit Against Boston & Maine RR.—The company on July 2, 1914, filed a suit against the Boston & Maine RR Co. to enforce its alleged contract liability, amounting to between \$3,500,000 and \$4,000,000, the approximate cost of the line. No decision had been rendered in this suit up to time of going to press.

Application.—The company on Dec 2, 1914, filed two petitions in Mass.: (1) Asking for an extension of time for the construction of its road to Holyoke and Chicopee Falls and (2) asking that it be permitted to enter into an operating agreement with any other railroad in the Commonwealth and to sell or lease its lines to any other railroad corporation or to purchase or lease lines of any other railroad corporation. These requests have been granted by the Mass. Legislature.

Capital Stock.—Authorized and outstanding, \$1,400,000; par, \$100. All owned by the Hampden Investment Co.

Bonded Debt.—In Nov, 1912, the company applied to the Mass. Railroad Commissioners for authority to issue \$2,500,000 50-Year First Mtge: 5% bonds. No authority had been granted to Dec 1, 1914, but the Commission has indicated its willingness to authorize \$1,900,000.

Notes.—\$2,000,000 6% Notes; matured Jan 1, 1914; extended to July 1, 1914, then to July 1, 1915, then to July 1, 1916, and again indefinitely. No details available.

Officers: E. L. Gillett, Pres., Westfield, Mass.; J. A. Skinner, V-P, Holyoke, Mass.; A. W. Eaton, Treas., Pittsfield, Mass.; A. D. Robinson, Clerk; O. E. Parks, Gen. Mgr., Westfield, Mass.; H. S. ILLINOIS CENTRAL RAILROAD CO.

History.—Incorporated Feb 10, 1851, in Ill.; first sections of road, Chicago to Cairo, Ill., 365 miles, and Central Junc. to East Dubuque, Ill., 341 miles, completed in Sept. 1856. Under the terms of its charter the company is obligated to pay to the State of Illinois 7% of its gross earnings yearly, on the 706 miles of original or charter lines in Illinois, in lieu of all taxes on those sections. Various subsidiary lines have been purchased from time to time, the following being acquired by the parent company in 1903; Rantoul RR, 74.69 miles; Groves & Sand Ridge RR, 17.26 miles; St. Louis & Ohio River RR, 17.2 miles; Mounds & Olive Branch RR, 10.67 miles; Christopher & Herrin RR, 12.09 miles. On May 15, 1911, the Indianapolis Southern RR was purchased at foreclosure sale and absorbed (see **Manual** for 1911, page 543).

The company practically owns, either in fee or through stock ownership, the entire system it now operates, with the exception of small minority interests in the Dubuque & Sioux City RR. The Yazoo & Mississippi Valley RR is controlled by the Illinois Central RR Co. through the Mississippi Valley Co., but the operations of the Yazoo & Mississippi Valley RR are conducted separately (see appended statement). Through the Mississippi Valley Corp., the Illinois Central RR Co. controls the Omaha Bridge & Terminal Ry, Helm & Northwestern RR and the Sunflower & Eastern RR.

Acquisition of Stocks of Subsidiary Companies.—The entire capital stocks of the Herrin Northern RR Co., Fredonia & Reeds RR Co., Benton Southern RR Co. and Johnston City Southern RR Co., the amount in each case being \$2,500, were purchased during the year ended June 30, 1916. These companies were organized in the interest of the Illinois Central RR Co. for the purpose of constructing several branch lines in the southern portion of the State of Illinois.

Liquidation of Central Fruit Despatch.—The Central Fruit Despatch, which was organized in Jan, 1912, to take over the refrigerator service business of the Illinois Central RR Co., having proved unprofitable, the operations were discontinued as of Sept 1, 1914. The liquidation of the company's affairs was practically completed during the year ended June 30, 1916, and the Illinois Central RR Co. surrendered to the Central Fruit Despatch all but five shares of its capital stock and charged off to Profit and Loss \$547,431, this sum representing the depreciation in value of the stock.

Proposed New Chicago Terminal.—Tentative plans for the construction of a new terminal station at Chicago were submitted to the Chicago City Council on Sept 20, 1916. The plans provide for a building to accommodate the traffic of not only the Illinois Central RR, but also for all other lines not using the Union Station and the Chicago & North Western Ry station. The construction will provide for an entrance for trains on three levels, and the electrification of suburban traffic. The cost of the improvement is set at upwards of \$20,000,000.

Chicago, Memphis & Gulf RR.—Early in 1913 the Illinois Central RR purchased the entire \$150,000 Pfd. and \$520,000 Com. stock of the Chicago, Memphis & Gulf RR, which owns 52 miles of road extending from Dyersburg, Tenn., to Hickman, Ky. These securities are now held in treasury.

Interest of Union Pacific RR Co.—On June 30, 1916, the Union Pacific RR Co. owned \$22,500,000 of the capital stock and the Union Pacific RR Co. also owned practically the entire capital stock of the Railroad Securities Co., which in turn owns \$9,200,000 capital stock of the Illinois Central RR Co.

Central of Georgia Ry.—In June, 1909, the Illinois Central RR Co. purchased all except 15 shares of the entire \$5,000,000 capital stock of this company at that time outstanding. The capital stock was increased on July 1, 1912, by the issue of \$15,000,000 Pfd. stock, which was also acquired by the Illinois Central RR Co. in exchange for \$3,823,000 First Preference Income bonds, \$6,844,000 Second Preference Income bonds and \$3,794,000 Third Preference Income bonds of the Central of Georgia Ry Co. owned by it, and which were acquired during the fiscal year 1911-12, on terms outlined in the **Manual** for 1912, page 513.

The Illinois Central RR makes physical connection with the Central of Georgia Ry at Birmingham, Ala., and thus secures a direct route through which to handle business of the north and west to and from points in the southeast.

Kensington & Eastern RR.—The track constructed for use as an electric line was turned over on April 4, 1909, to the lessee, the Chicago, Lake Shore & South Bend Ry Co. The amount advanced for construction to June 30, 1916, was \$1,220,487.

Secured by pledge with the United States Trust Co., New York, Trustee, of an equal amount of Chicago, St. Louis & New Orleans RR Cairo Bridge First 5s, and also on the lease of the said bridge and the approaches to the same. The Illinois Central RR built and owns the Illinois approaches to the bridge; the bridge itself and the Kentucky approaches are owned by the C., St. L. & N. O. RR Co. and are leased to the Illinois Central RR Co. until 2282 at a net rental of \$180,000 per annum. Interest on the C., St. L. & N. O. Cairo Bridge First 5s is provided out of this rental, the balance of rental being applied prior to Dec 1, 1901, to the accumulation of a Contingent Fund for extraordinary repairs and replacements to the bridge. Since Dec 1, 1901, this balance has been applied, as to \$20,000 per annum, to a sinking fund for the redemption of the C., St. L. & N. O. Cairo Bridge 5s, and, as to \$10,000 per annum, to keeping up the Contingent Fund to a minimum of \$500,000. As of June 30, 1916, the Trustee of the Cairo Bridge Fund held \$504,180 for the Contingent Fund and \$381,998.59 (an increase for the year of \$37,418.35) for the Sinking Fund. CENTRAL OF GEORGIA RAILWAY CO.

(Controlled by Illinois Central RR Co.)

History.—Incorporated Oct 17, 1895, in Ga.; successor, under plan of reorganization, to the railroad properties and franchises of the Central RR & Banking Co. of Georgia. At the same time, the properties of the following companies were acquired and merged: Macon & Northern Ry Co., Mobile & Girard RR Co., Montgomery & Eufaula Ry Co., Savannah & Atlantic Ry Co. and the Savannah & Western RR Co. The Middle Georgia & Atlantic Ry, 65 miles, was purchased on Jan 1, 1897; the Bruton & Pincora Ry, 58 miles, was absorbed on July 1, 1900, and the Chattanooga, Rome & Southern Ry, 138 miles, and the Chattanooga & Durham RR, 17½ miles, were merged, as of June 1, 1901. The property and franchises of the Greenville & Newman Ry were acquired in Sept, 1905, and under its charter a line was constructed from Greenville to Raymond, Ga., 23.67 miles.

The Ocean Steamship Co., operating a line of passenger and freight steamships between New York and Savannah and between Boston and Savannah, is controlled by this company through ownership of entire capital stock. The Ocean Steamship Co. paid dividends of \$15 per share each in fiscal years 1909-10, 1910-11, 1911-12 and 1912-13; \$16 per share in 1913-14; \$16 per share and extra dividend of \$20 per share each in 1914-15 and 1915-16. A special deferred dividend of 27½% was also paid in 1912-13.

The Central of Georgia Ry Co. owns a majority of the capital stocks of the Louisville & Wadley RR, Sylvania Central Ry, and Wrightsville & Tennille RR Cos., but the roads are operated by their own organizations. The Company also owns the entire capital stock and \$800,000 First Mortgage bonds of the Wadley Southern Ry; 1,885 of the 12,322 shares of capital stock of the Atlanta & West Point RR Co.; 15,000 shares (one-half) of the capital stock of the Western Ry of Ala., and one-fourth of the \$200,000 capital stock of the Augusta & Summerville RR. (See separate statements for these companies).

Macon Terminal Co.—The Central of Georgia Ry Co., together with the Southern Ry Co. and The Georgia Southern & Florida Ry Co., owns the entire \$100,000 capital stock of the Macon Terminal Co., which has under construction a union passenger station and terminal in the city of Macon, Ga. These three companies have entered into a 50-year agreement expiring July 1, 1965, to use the Macon Terminal Co.'s tracks and to pay their pro rata share of its operating expenses. The Terminal Company has issued \$1,600,000 First Mortgage 5% bonds, due July 1, 1965, which are guaranteed, principal and interest, jointly and severally, by endorsement by the three companies owning the stock.

Control.—In June, 1909, the Illinois Central RR Co. acquired from the Richmond Terminal Reorganization Committee the \$5,000,000 capital stock of this company, being the entire amount at that time outstanding. In July, 1912, the capital stock was increased by the issue of \$15,000,000 6% cumulative Pfd. stock, which the Illinois Central RR Co. acquired in exchange for \$3,823,000 First Preference Income bonds, \$6,844,000 Second Preference Income bonds and \$3,794,000 Third Preference Income bonds of the Central of Georgia Ry Co. owned by it, which were acquired during the fiscal year 1911-12, on terms outlined in the **Manual** for 1912, page 513.

Retirement of Income Bonds.—With the exception of the \$2,000,000 of Consolidated Mortgage bonds reserved for betterments at the time of its organization twenty years ago, the Company has been unable, on account of the large percentage of its capitalization represented by mortgage bonds, to raise funds for expenditures which could be charged to capital account. The outstanding mortgages constituted an insurmountable barrier to the issue of additional bonds for moneys essential to keeping the property abreast of the times, and the Company was forced to use its only available source, its income; a right reserved in the income mortgages. This led to much friction with the Income Bondholders and to the litigation referred to in the **Manual** for 1912, page 524. During the fiscal year ended June 30, 1912, arrangements were perfected which compromised this litigation and enabled the company to acquire from the Illinois Central RR Co. at a cost of \$15,170,108.70 as of July 1, 1912, \$14,461,000 par value of the three issues of Income Bonds, being more than 96% of the original issue. In the settlement all claims for interest not heretofore declared on these bonds were extinguished. Most of the necessary funds were supplied from the proceeds of the issue of \$15,000,000 of Pfd. stock.

Making allowances for Income bonds already in the treasury of the Company, and for those formerly held for exchange under the reorganization plan of 1895 of The Central Railroad & Banking Co. of Georgia against securities never presented, there were

outstanding as of July 1, 1916, \$146,500 of First Incomes, \$104,800 of Second Incomes and \$48,000 of Third Incomes, a total of all issues of \$299,300. Under the terms of the settlement the balance of interest for the fiscal year 1908 heretofore unpaid (being 2.179% on the seconds and 5% on the thirds) was paid in April, 1912.

BONDED DEBT.—TOTAL, JUNE 30, 1916, \$46,204,276.90.

(1) \$2,800,000 First Gold 5s; dated Dec 1, 1887; due June 1, 1952; int. J & D 1. All owned by Illinois Central RR Co. and pledged under that company's Gold 4s due 1952.

(2) \$16,832,000 Louisville, New Orleans & Texas Ry First Gold 4s; dated Sept 1, 1886; due Sept 1, 1934; int. M & S 1. Authorized, \$16,900,000. These bonds, together with the issues described in the following paragraphs, are owned by the Illinois Central RR Co., and are pledged as collateral for that company's \$25,000,000 Gold 4s due 1953.

(3) \$9,104,000 Louisville, New Orleans & Texas Ry Second Mortgage Cumulative Income 5s; dated Sept 1, 1886; due Sept 1, 1934. All owned by Illinois Central RR Co. (see preceding paragraph).

The mortgage given to secure these bonds provides that interest is only to be paid when it shall be earned, and so determined and declared by the Board of Directors, but that such interest shall be cumulative, and in case less than 2½% be paid in any half year, the unpaid interest with interest on such unpaid interest at the rate of 5% per annum shall be carried forward to the credit of the bonds for subsequent payment as such net earnings shall suffice for, or at the maturity of the bonds.

The Louisville, New Orleans & Texas Ry Co. permitted the interest on the bonds to accumulate until the autumn of 1892, when that Company was merged into the Yazoo & Mississippi Valley RR Co. Since then in each of the fiscal years ended June 30, 1893, 1894, 1895, 1896, 1897, 1898, 1901, 1902, 1903, 1911, 1913, 1914, 1915 and 1916, payments ranging from \$198,451 to \$1,658,709.52 have been made on account of interest due thereon. The arrears of interest due and unpaid amounted on June 30, 1916, to \$8,708,574.57.

(4) \$6,553,276.90 Louisville, New Orleans & Texas Ry Land Grant Non-Cumulative Income 6s; dated Sept 1, 1884; due Sept 1, 1934; interest payable only when earned. No interest has ever been paid on any part of this issue. All owned by the Illinois Central RR Co. and pledged as collateral for that company's Gold 4s due 1953.

(5) \$10,915,000 Gold Improvement 5s, Series "A" to "T"; dated Sept 29, 1914; due Jan 1, 1934; int. J & J 1, at Company's office, New York. Registered, \$1,000 and multiples. Guaranty Trust Co., New York, Trustee. Authorized, \$25,000,000, the unissued bonds being issuable in series in registered or coupon form, at a rate not exceeding 6%. Issued, \$11,262,000, of which \$347,000 are held in company's Insurance and Pension funds. The issued bonds were issued to replace the \$8,271,694.03 Gold Improvement 4% Bonds and Scrip due Jan 1, 1934, which were outstanding as of June 30, 1914. The unissued bonds are reserved for construction, improvements, etc., of the railway and equipment of company. A lien on 485.87 miles of road, subject only to the \$2,800,000 First 5s due June 1, 1952, which are secured on 140.36 miles of road from Jackson to Parsons, Miss., and from Tchula Junc. to Durant, Miss. Of the issued bonds, \$10,432,000 are owned by the Illinois Central RR Co. Normal Income Tax deducted from interest.

INDIANAPOLIS UNION RY (Joint Ownership).—Inc. Nov 19, 1872, in Ind.; successor to the Union Track Ry, formed in 1850; name was changed to the Indianapolis Union Ry in Aug. 1853. Provides terminal facilities and does a switching business for all steam railroads entering Indianapolis, for which a charge is made on a train and mileage basis equalling the expenses of operation. In addition, each company using the property pays a fixed rental, out of which is paid interest on bonds, rental of Belt RR properties, and interest on investment of the proprietary

companies. The following railroads use the property: Chicago, Indianapolis & Louisville Ry, Cincinnati, Indianapolis & Western RR., Cleveland, Cincinnati, Chicago & St. Louis Ry., Lake Erie & Western RR, Pittsburg, Cincinnati, Chicago & St. Louis Ry., Vandalia RR and Illinois Central RR Cos. The Belt RR & Stockyard of Indianapolis is leased for 999 years from Oct 1, 1882 (see appended statement). Line of road owned: Capitol Ave. to Washington St., Indianapolis, 0.93 mile; leased (Belt RR), 14.18 miles—total operated, 15.11 miles; 2d track owned, 0.93 mile; leased 11.57 miles; sidings owned, 4.44 miles; leased, 36.64 miles. Gauge, standard. Equipment: Locomotives, 21; work cars, 19.

Capital Account.—The company has never issued any capital stock, but instead has on its records a Capital Account which represents the interests of the Pittsburg, Cincinnati, Chicago & St. Louis Ry., Cleveland, Cincinnati, Chicago & St. Louis Ry and Vandalia RR Cos. in the Indianapolis Union Ry Co. The first two companies each have a 40% interest and the third a 20% interest.

Bonded Debt.—\$810,000 First Sinking Fund Gold 4½s; dated May 1, 1886; due May 1, 1926; int. M & N 1, at Fidelity Trust Co., Philadelphia, Trustee. Coupon, \$1,000; principal may be registered. Authorized and issued, \$1,000,000, of which \$190,000 have been retired through sinking fund. Sinking fund, 1% per annum on outstanding bonds, plus 4½% on the redeemed bonds. By special action of the Board of Directors, the annual contribution to the sinking fund does not revert to the treasury in the event of no bonds being offered for redemption at or below par (although the sinking fund provision of the mortgage states to the contrary), but is invested in interest-bearing securities of other railroad companies, and the interest thereon acts as an increment to the fund. A first lien on the entire property owned. Interest paid without deduction for Normal Income Tax.

\$4,000,000 General & Refunding Gold 5s, Series "A"; dated Jan 1, 1915; due Jan 1, 1965; int. J & J 1, at Farmers' Loan & Trust Co., New York. Coupon (principal may be registered), \$1,000; and registered \$1,000, \$5,000 and \$10,000; interchangeable. Trustees: Farmers' Loan & Trust Co., New York, and Union Trust Co., Indianapolis, Ind. Authorized, \$10,000,000. The outstanding bonds were issued to provide for improvements, track elevation, for purchase of additional property and expenditures on the union passenger station. The \$6,000,000 unissued bonds are reserved to refund the amount outstanding on May 1, 1926, of the above described First 4½s due May 1, 1926, after the application of sinking fund investments at that date, and the remainder for construction, additions, etc. Subject to call as a whole or in series at 103 and interest on Jan 1, 1930, or on any interest date thereafter, upon 90 days' notice. An annual sinking fund of 1% of outstanding bonds commences after Oct 1, 1926, which is to be used for the purchase of bonds at not exceeding 103 and interest. Guaranteed, principal and interest, jointly and severally, by endorsement, by the Pittsburg, Cincinnati, Chicago & St. Louis Ry. Co., Cleveland, Cincinnati, Chicago & St. Louis Ry. Co. and Vandalia RR Co. A direct lien on entire property of Co., subject to the \$810,000 First 4½s due May 1, 1926 described above; also secured on the 999-year lease dated Oct 1, 1882 of the Belt RR & Stock Yard of Indianapolis, which has \$1,000,000 4% bonds outstanding due May 1, 1939. Listed on New York Stock Exchange. First publicly offered (\$4,000,000) in April, 1915, at 99½ and interest. Interest paid without deduction for Normal Income Tax.

Income Account, year ended June 30, 1916.—Freight earnings, \$228,886; other earnings, \$57,904; gross earnings, \$286,790; operating expenses and taxes, \$422,420; loss from operations, \$135,630; other income, \$363,007; total net income, \$227,377; interest, rentals, etc., \$116,812; surplus for year, \$110,565.

INTERNATIONAL & GREAT NORTHERN RY CO.

History.—Inc. Aug 8, 1911, in Tex.; successor, under Plan of Reorganization, to the International & Great Northern Railroad Co., which was sold under foreclosure June 13, 1911, to the Reorganization Committee representing the Third Mortgage Bondholders (see Manual for 1911, pages 548 and 3862). The new company took possession on Sept 16, 1911.

Jointly with the Missouri, Kansas & Texas Ry Co., the International & Great Northern Ry has trackage rights over the Galveston, Houston & Henderson RR until 1935 at fixed annual rental of \$65,050; and has joint use of the St. Louis Southwestern Ry terminals at Waco under contract dated Nov 1, 1901, at rental of 2% per annum on the value of the terminals and a proportionate share of the expenses. Under a contract dated April 30, 1903, the company has joint use of the Texas & Pacific Ry terminals at Fort Worth at fixed annual rental and proportionate share of expenses.

Receivership.—Judge Burns in the U. S. Court at Houston, Tex., on Aug 11, 1914, appointed James A. Baker of Houston and Cecil A. Lyon of Sherman as receivers of the property at the instance of the noteholders' protective committee given on a subsequent page. Pres. Thomas J. Freeman stated it was impossible to meet either interest or principal of the notes due Aug 1, 1914, and as there was no market for the bonds, a default resulted. The executors of the Jay Gould Estate consented to the plan for extending the notes for 2½ years at 6%, but the unsettled financial situation brought about by the European war and a less favorable outlook for the cotton crop along the line caused the plan to fall through. Cecil A. Lyon died on April 14, 1916, leaving James A. Baker sole receiver, and on July 8, 1916, the Court definitely appointed him sole receiver.

Foreclosure Sale Ordered.—The U. S. District Court at Houston, Tex., on June 6, 1915, issued an order directing the foreclosure sale of the road at Houston, Tex., on Aug 1, 1915. No sale had taken place up to date of going to press.

Notcholders' Committee: Alexander J. Hemphill, Pres. Guaranty Trust Co. of N. Y.; Alvin W. Krech, Pres. Equitable Trust Co. of N. Y.; Benjamin Strong, Jr., Pres. of Bankers Trust Co.; S. H. Voorhees, Agent The Royal Bank of Canada; Franklin Q. Brown of Redmond & Co.; R. Lancaster Williams of Middendorf, Williams & Co.,

Baltimore; Frederick Strauss of J. & W. Seligman & Co. Depositary: Guaranty Trust Co., New York. On July 31, 1914, this committee asked for the deposit of the above named notes in order to effect, under what was believed to be advantageous conditions, an extension thereof to Feb 1, 1917, with interest at 6%. Unforeseen circumstances brought about a receivership of the property and made the plan impracticable of execution at that time. Holders of notes were requested to deposit them at once with the depositary. 90% of the notes has been deposited with the committee.

\$95,000 (Original amount \$380,000) Equipment 6s; "Guaranty Trust Co. of New York"; dated Oct 1, 1908; due \$19,000 each April and Oct 1 to Oct 1, 1918, inclusive; int. A & O 1, at Guaranty Trust Co., New York, Trustee. Coupon, \$1,000. Secured on 10 freight locomotives and 500 box cars. Interest paid without deduction for Normal Income Tax.

\$750,000 Equipment Trust 5% Gold Notes; dated Aug 1, 1913; due \$50,000 semi-annually F & A 1, to Aug 1, 1923, inclusive; int. F & A 1, at Blair & Co., New York. Coupon, \$1,000. Equitable Trust Co., New York, Trustee. Authorized and issued, \$1,000,000, of which \$250,000 retired to June 30, 1916. Secured on new equipment costing about \$1,245,000, as follows: 13 consolidated oil-burning freight locomotives, 400 steel underframe box cars, 400 steel underframe stock cars and 200 steel underframe gondola cars. First publicly offered (\$1,000,000) in Aug, 1913, at prices to yield 6¼%. Interest paid without deduction for Normal Income Tax.

\$738,000 Receivers' Equipment 6% Gold Notes; dated Jan 1, 1916; due \$39,000 semi-annually to Jan 1, 1926; int. J & J 1, at First Trust & Savings Bank, Chicago, Ill., Trustee. Coupon, \$1,000. Original issue, \$777,358. Secured on 200 steel underframe stock cars, 500 steel underframe box cars and 300 steel underframe ballast cars, costing about \$877,000, of which \$100,000 was paid in cash. Interest paid without deduction for Normal Income Tax.

RECEIVERS' CERTIFICATES.

\$800,000 Receiver's 6% Gold Certificates; dated May 1, 1916; due May 1, 1917; int. M & N 1, at Guaranty Trust Co., New York. Coupon, \$1,000. Authorized and issued, \$1,400,000, of which \$600,000 were held in treasury June 30, 1916. The outstanding certificates were issued for the following purposes: \$700,000 to retire a like amount of One-Year 6% Receiver's certificates that matured May 1, 1916, and \$100,000 for other purposes. Subject to call upon 30 days' notice. A lien prior and superior to the First Refunding Gold 5s described above. Interest paid without deduction for Normal Income Tax.

KANSAS & OKLAHOMA SOUTHERN RY (THE).—Inc. Feb. 24, 1914, in Okla.; successor to the Cherryvale, Oklahoma & Texas Ry Co., whose property it acquired at foreclosure sale on Feb 12, 1914. Company proposes to build a railroad from Kansas City, Mo., to El Paso, Tex., a distance of 900 miles; also several branch lines. As of Nov 1, 1916, most of the road bed between Caney, Kans., and Vinita, Okla., had been graded. Construction work had ceased, however, at that date owing to the financial depression, but company expected to resume work before Jan, 1917, and plans to have 126 miles, from Caney, Kans., to Siloam Springs, Ark., finished by Jan, 1918.

Capital Stock.—Authorized, \$1,000,000; outstanding, \$56,700; par, \$100.

Bonded Debt.—Company has an issue of \$2,000,000 bonds in preparation, but owing to present financial conditions, nothing definite has been done.

Officers: S. M. Porter, Pres., Caney, Kans.; John Knox, V-P, Perry, Okla.; H. V. Bolinger, Sec., Caney, Kans.; R. E. Wade, Treas., Perry, Okla.; R. L. Plunkett, Gen. Mgr., Coffeyville, Kans.; F. D. Brewster, Supt., Independence, Kans. **Directors:** The foregoing and J. H. Brewster, Coffeyville, Kans.

Annual meeting, first Tuesday in Jan.

Office, Oklahoma City, Okla., and Caney, Kans.

KANSAS CITY & MEMPHIS RY (Independent).—Inc. Dec 17, 1910, in Ark.; absorbed the Arkansas, Oklahoma & Western RR and the Monte Ne Ry in 1911. Line of road: Rogers to Fayetteville, Ark., 30 miles; Cave Springs to Siloam Springs, Ark., 20 miles; Hazelwood to Monte Ne, Ark., 6 miles—total, 56 miles. Also has an agreement with the Kansas City Southern Ry, whereby 20% of the gross earnings of that Company on business interchanged with Kansas City & Memphis Ry is available to meet any deficiency in interest charges. Gauge, standard. Rail, steel, 60 lbs. Equipment: Locomotives, 4; passenger cars, 5; freight cars (box, 15; miscellaneous, 11), 26.

Receivership.—Judge Youmans in the U. S. District Court at Fort Smith, Ark., on July 14, 1914, on application of W. P. Riley of New York, who held a freight charge bill of \$3,131 against the company, appointed J. E. Felker and O. C. Lisman, the latter V-P and Gen. Mgr., receivers. Subsequently R. C. Bright of Little Rock, Ark., was appointed additional receiver. On April 6, 1915, O. C. Lisman resigned, leaving J. E. Felker and R. C. Bright as receivers.

Protective Committee.—In Aug, 1914, holders of Arkansas, Oklahoma & Western RR First Mortgage bonds formed a protective committee as follows: Francis X. Quinn, Chairman; John J. Tyler, James H. Morris and Richard Billings. Holders were asked to deposit their bonds with the Real Estate Trust Co., Philadelphia, Depositary. It has been stated that a large majority of the bonds was deposited.

Capital Stock.—Authorized, \$6,000,000, at rate of \$15,000 per mile, to be held in Voting Trust; outstanding, \$852,000; par, \$100. Transfer Agent and Registrar: New York Trust Co., New York. No dividends paid.

Voting Trust.—The capital stock is held in a voting trust. The Voting Trustees are F. J. Lisman, J. F. Read, J. E. Felker.

Bonded Debt.—\$508,000 First Gold 5s, Series "A"; dated May 1, 1911; due May 1, 1961; int. M & N 1, at company's office, New York City, and at Mississippi Valley Trust Co., St. Louis, Trustee. Coupon, \$1,000; principal may be registered. Authorized, \$6,000,000, of which \$300,000 are reserved to retire the Arkansas, Oklahoma & Western RR bonds described below. Issuable at not exceeding \$18,000 per mile, of which \$15,000 is for building and equipping the line, and \$3,000 reserved for betterments. Issuable only when the earnings of the company have, during one fiscal year, equalled the interest charges of bonds issued and outstanding and 50% in excess thereof. The \$508,000 bonds outstanding are secured on 58 miles owned (subject to prior liens on 30 miles), and are additionally secured by a contract with the Kansas City Southern Ry Co., giving the company 20% of the gross revenue received on business interchanged. Series "A" bonds will also cover the line between Fayetteville and Huntsville. A cumulative sinking fund of $\frac{1}{2}$ of 1% commences in 1916. *Nov 1, 1914 and subsequent interest defaulted.*

\$300,000 Arkansas, Oklahoma & Western RR First Gold 6s; dated Jan 1, 1907; due Jan 1, 1947; int. J & J 1, at Southern Trust Co., Little Rock, Ark., Trustee. Coupon, \$1,000; principal may be registered. Authorized, \$1,250,000, issuable at not exceeding \$10,000 per mile of completed road. A first lien on 31 miles of road from Rogers to Siloam Springs, Ark. *Coupons on these bonds due Jan 1, 1915, were paid in Receivers' certificates; subsequent interest defaulted.*

\$54,000 Debentures; no details available.

There are also outstanding \$13,253.14 Kansas City Southern Ry notes.

Equipment Obligations.—There were outstanding on June 30, 1916, \$1,881 Equipment Obligations; no details available.

\$95,721 6% Receivers' Certificates; due Dec 1, 1917; int. J & D 1. Authorized, \$100,000. A first lien on property of company, subject to the \$300,000 Arkansas, Oklahoma & Western RR 6% bonds.

KANSAS CITY, MEXICO & ORIENT RR CO.

(See Accompanying Map)

Incorporated July 6, 1914, in Kansas, and acquired the property of the Kansas City, Mexico & Orient Ry Co. (see RR Manual for 1914, page 1523), which was sold at foreclosure sale on July 6, 1914, for \$6,001,000. The projected and completed line as contemplated will extend from Kansas City, Mo., to Topolobampo Bay, Mex., a distance of 1,659 miles; also a cut-off from San Angelo, Tex., to Del Rio, Tex., connecting there as well as at Chihuahua, Mex., with the National Rys of Mexico, for Mexico City.

Receivers of Old Company Discharged.—Judge Pollock in the Federal Court on June 30, 1915, entered a formal order discharging the receivers of the old railway company.

Reorganization Plan Withdrawn, Etc.—In Dec, 1915, a tentative plan of reorganization was discussed and proposed by the Bondholders' Committee, details of which were given in the Manual for 1916 (*Railroad Volume*), pages 402-404, but owing to the European war and the fact that so many of the bonds of the company were held in England, it soon became apparent that it would be impossible to raise among the bondholders the amount of money which that plan contemplated and it was accordingly withdrawn. Since that time an American committee for the noteholders headed by James N. Wallace, New York, and an English committee headed by Geo. A. Touche of London, have been working on a plan and it is understood that progress is being made.

RAILROAD FORMING PART OF THE KANSAS CITY, MEXICO & ORIENT RR SYSTEM.

KANSAS CITY, MEXICO & ORIENT RY OF TEX.—Inc. July 15, 1899, in Tex., as the Panhandle & Gulf Ry, to construct a railroad from Sweetwater to San Angelo, Tex., about 75 miles. Charter amended March 3, 1900, to provide for the acquisition of the Colorado Valley Ry, including 7.25 miles of completed railroad south from Sweetwater, and for the extension of the projected line to Red River and to the Mexican Boundary. Present name then adopted. Projected: Red River, Tex., to Mexican Boundary, about 545 miles.

Line of road completed, as of June 30, 1916: Red River to Alpine, Tex., 464.08 miles. The road forms part of the Kansas City, Mexico & Orient RR system.

Receivership Ends.—On March 9, 1912, S. B. Hovey and M. L. Mertz were appointed receivers for company, but were discharged and property removed from receivership as of July 8, 1914. The \$1,220,000 receivers' certificates have been retired.

Capital Stock.—Outstanding, \$1,000,000; all owned by individuals for the benefit and account of the Kansas City, Mexico & Orient RR Co.

Bonded Debt.—The company has issued \$4,810,000 bonds covering 369 miles of line in Texas, extending southwardly from Red River through a portion of the State of Texas. The entire amount is held in the treasury of the Kansas City, Mexico & Orient RR Co.

Income Account and General Balance Sheet of Kansas City, Mexico & Orient Ry Co. of Texas are included in foregoing report of accounts of the Kansas City, Mexico & Orient RR system.

Annual meeting, third Wednesday in Jan.

General office, San Angelo, Tex.

KANSAS CITY OUTER BELT & ELECTRIC RR.—Inc. July 18, 1902, in Kan.; to construct a belt line connecting the lines of the K. C., M. & O. Ry west of Kansas City, Kan., with all the other lines entering Kansas City, Kan., and Kansas City, Mo.; main line (double track) being about 8 miles in length. Gauge, standard. The Kansas City, Mexico & Orient RR was to have leased the property on completion at rental of \$50,000 per annum for the first 10 years, increasing \$10,000 for each 10-year period until the maximum of \$100,000 is reached. The road will be operated by its own organization.

Bondholders' Protective Committee.—In Aug, 1912, the following committee was formed in the interest of the First Mortgage 4% Bondholders: John W. Platten, Chairman; Philip D. Tuckett, Jabez T. Odell and Edward Dickinson, with Calvert Brewer, 55 Cedar St., New York, Secretary, and Benjamin S. Harmon, Counsel. The committee requested the deposit of bonds, having the April 1, 1912, and all subsequent coupons attached, with the United States Mortgage & Trust Co., New York, Depositary, or with the First National Bank, Kansas City, Mo., or with Glyn, Mills, Currie & Co., London, Eng., as agents of depositary.

Receiver.—On Oct 31, 1912, Thomas A. Bigger was appointed receiver.

Receiver's Certificates.—\$75,000 Receiver's Certificates have been issued to pay taxes and provide for care of property.

Reorganization Plan Abandoned.—Referring to the Plan for the reorganization of the Kansas City, Mexico & Orient Ry, which was shown on pages 402-4 of the 1916 **Railroad Manual**, the following Committee proposed for the Kansas City Outer Belt & Electric RR a complementary Plan and Agreement of Readjustment, dated Dec 31, 1915: John W. Platten, Chairman; Edward Dickinson, Herbert Howell, Jabez T. Odell and Philip D. Tuckett, with Calvert Brewer as Secretary, 55 Cedar St., New York, the United States Mortgage & Trust Co., New York, Depositary, and the First National Bank, Kansas City, Mo., and Glyn, Mills, Currie & Co., London, Eng., Agents of the Depositary. Charles H. Jones & Co., New York, are Fiscal Assistants to the Committee, and Harmon, Patterson, Eagle, Greenough & Day, Counsel to the Committee. After examination this Committee concluded that the interests of the Belt bondholders would be best conserved by their co-operation with the Kansas City, Mexico & Orient Ry Committee under its Plan of Reorganization, dated Dec 8, 1915. This latter plan was not a success, however, and has been abandoned. Therefore, the plan for the Kansas City Outer Belt & Electric RR has also not become effective. An outline of the plan, dated Dec 31, 1915, was given in the 1916 **Railroad Manual** on page 407.

Foreclosure Sale Postponed.—The property of the company was advertised to be sold at foreclosure at Kansas City, Kans., on Oct 10, 1916, but the sale was postponed until Dec 11, 1916. On the latter date, the Federal Court postponed the sale indefinitely pending measures for joint reorganization with the Kansas City, Mexico & Orient RR.

Capital Stock.—Authorized and outstanding, \$2,250,000 Com. and \$2,250,000 4% non-cumulative Pfd.; par, \$100. Stock will be held in a voting trust until the full dividend shall have been paid on the Pfd. stock for five consecutive years.

Bonded Debt.—\$1,788,000 First Gold 4s; dated April 1, 1903; due April 1, 1953; int. A & O 1, at American Exchange National Bank, New York. Coupon, \$1,000. United States & Mexican Trust Co., Kansas City, Mo., Trustee. Authorized, \$3,000,000. April 1, 1912, and subsequent interest in default.

Officers: Thos. A. Bigger, Receiver; E. Dickinson, Pres. & Mgr.; F. Mertsheimer, V-P; Wm. Lee Karnes, Sec. & Treas.; W. W. Colpitts, Chief Eng., Kansas City, Mo.

Annual meeting, second Monday in Jan.

General office, Ava, Mo.

KANSAS CITY SOUTHERN RY CO. (THE).

History.—Incorporated March 19, 1900, in Mo.; successor, under plan of reorganization, to the Kansas City, Pittsburg & Gulf RR, whose property was taken over for operation on April 1, 1900. Subsequently, on Jan 1, 1902, the Kansas City & Independence Air Line RR, the Kansas City Suburban Belt RR and the Union Terminal RR were consolidated with the reorganized company. The railroad lines within the State of Texas are operated separately, in accordance with the Texas law, by the Texarkana & Fort Smith Ry, but for completeness, the accounts of that railway are in-

cluded with those of the Kansas City Southern Ry Co., in so far as is necessary to show the results of the operation of the whole line from Kansas City to the Gulf. The Arkansas Western Ry Co., Kansas City, Shreveport & Gulf Terminal Co., Port Arthur Canal & Dock Co. and Poteau Valley RR Co. are controlled by this company, through ownership of their entire capital stocks and separate statements for each are appended. The Poteau Valley RR was acquired by purchase, Jan 14, 1913.

The Kansas City Southern Ry owns the entire capital stock of the K. C. S. Elevator Co., operating an elevator at Kansas City, Mo., with a capacity of 650,000 bushels and all the capital stock of the Mena Land & Improvement Co., a company formed to take title to real estate at Mena, Ark., abandoned and vacated in consequence of establishing new division terminals at Heavener, Okla., and De Queen, Ark. The Glenn-Pool Tank Line Co., operating 160 tank cars, is controlled jointly by the Kansas City Southern Ry Co. as the owner of 75% of the \$50,000 capital stock, the Midland Valley Ry Co. owning the remaining 25% of the stock.

In 1910, with the view to improving the passenger and freight terminal facilities of the road at Kansas City, the Kansas City Southern Ry became one of the proprietary companies of the Kansas City Terminal Ry Co. by the purchase of \$100,000 of its capital stock. The new station at Kansas City was opened for operation on Nov 1, 1914. During the year 1910-11 the Joplin Union Depot Co., in which the K. C. S. Ry Co. owns a one-fourth interest, completed its union passenger depot at Joplin, Mo., and the same was placed in operation July 1, 1911.

KANSAS CITY TERMINAL RAILWAY COMPANY

Incorporated July 10, 1906, in Missouri. Organized by the Railroad companies controlling the old Union Depot Company, to erect a new passenger station and terminals. The new station is located between Main and Wyandotte Streets and 21st and 24th Streets, Kansas City, Mo., and covers, with grounds, about 51 acres. It is served with 18 parallel through tracks, with space provided for 8 more. The Terminal improvements include a 4 track line which has been constructed from the Kansas-Missouri State line east through the city for a distance of 7.4 miles along the line of the old Belt Railway. This widens to 8 tracks approaching the passenger station on the west and provision is made for 6 tracks east of the station a distance of one mile. A double track line 1.8 miles in length has been constructed from a junction point west of the station in a northerly direction to a junction with the tracks of the Chicago, Burlington & Quincy RR, affording entrance to the station for several of

the lines approaching from that direction. Additional tracks have been constructed along the northerly side of the city, providing a double track 6.6 miles in length, extending from the easterly end of the aforementioned 4 track line to a junction with the Burlington tracks and connecting with the double track line above described. Provision is made also for two additional tracks on this section of line for a distance of 1.0 miles for freight traffic.

The old Belt Line, extending west from State Line to Kansas City, Kans., serving the Stock Yards, Packing Houses and other industries and connecting with various railroads from the west, has been reconstructed for a distance of 3.72 miles, of which 2.3 miles is double track, and remainder single track at this time. A new double track line is to be constructed at once, extending from a junction with the 8 track portion of the line in Missouri, in a westerly direction across the Kansas River, to a point on the Kansas side where the lines will branch into two double track lines, one connecting with the main line of the Union Pacific RR and the other with the Missouri Pacific Ry. This work will be largely viaduct construction and will include a new double deck, double track bridge across the Kansas River. The purpose of this "High Line" is to afford a direct entrance to the new passenger station for the several lines entering the city from the west. The total length of this line will be 4.2 miles.

The Terminal tracks in Missouri form a complete belt line for handling the business from twelve different railroads and reach several hundred important industries. The complete Terminal plans include a total of 165 miles of main and industrial tracks, four local freight stations in Kansas City, Mo., two freight stations and two passenger stations in Kansas City, Kans., passenger freight and switching yards, roundhouses and shops, as well as the Union Passenger Station. The total cost of the properties, including real estate, will reach \$45,000,000, of which \$40,000,000 has already been expended.

The property and operations of the Kansas City Belt Ry Co. were taken over March 1, 1910, and of the Union Depot Co. of Kansas City Nov 1, 1910. Construction work was begun in April, 1910, and new station was opened Nov 1, 1914.

Franchise Approved.—The City Commissioners and Mayor Green of Kansas City, Kans., and the twelve railroad companies composing the terminal company in Nov, 1915, formally approved the 200-year franchise that was recently completed after five years' negotiations for the Kansas end of the enterprise. The franchise was accepted Sept 14, 1916.

KENTUCKY & INDIANA TERMINAL RR (Joint Control).—Inc. Aug 8, 1900, in Ky., as the Kentucky & Indiana Bridge & RR; successor, as of Jan 31, 1900, to the Kentucky & Indiana Bridge Co., sold under foreclosure Jan 31, 1900; name changed in Dec, 1910, to Kentucky & Indiana Terminal RR. Property consists of a new double-track concrete pier bridge over the Ohio River, between Louisville, Ky., and New Albany, Ind., 2,713 ft. in length, with 1,841 ft., 4 inches of approaches. This bridge was opened for operation Nov 28, 1912, and is designed to carry the heaviest modern railway equipment. Also owns 16.44 miles of double and single main track and 51.63 miles of industrial and terminal tracks and yards and terminal facilities in and about Louisville. In addition the Louisville Belt Line has been acquired. Gauge, standard.

The Baltimore & Ohio Southwestern RR, Southern Ry and Chicago, Indianapolis & Louisville Ry Cos. have agreed among themselves and with the Kentucky & Indiana Terminal RR Co., that for fifty years from Jan 1, 1911, they will each use the properties of the latter company for all passenger and freight traffic within their control destined to cross the Ohio River at Louisville, or destined to go through, to or from Louisville.

Equipment: Locomotives, 14; underframe cars, 4; other road cars, 19.

Capital Stock.—Authorized and outstanding, \$75,000; par, \$100. The Southern Ry Co., the Baltimore & Ohio Southwestern RR Co. and the Chicago, Indianapolis & Louisville Ry Co. each own one-third of the stock, and under new lease for 50 years from Jan 1, 1911, pay monthly, in proportion to cars handled, any deficit in operations, rentals, taxes and interest.

Bonded Debt.—£1,291,000 (\$6,282,781) First Mortgage Gold 4½s; dated Jan 3, 1911; due Jan 1, 1961; int. J & J 1, at Morgan, Grenfell & Co., London and at J. P. Morgan & Co., New York, at fixed rate of \$4.8665 per £ sterling. *Coupon (principal may be registered), £100; and registered £100 and multiples; interchangeable. Guaranty Trust Co., New York, Trustee. Authorized issue, £2,000,000. Out of the proceeds of the outstanding bonds, \$2,136,600 were applied to the retirement of old mortgage bonds, the balance being used for construction of the new bridge, and to double-tracking and otherwise enlarging and improving the terminal railroad and other facilities in and about Louisville. Guaranteed, principal and interest, by the three companies named above. The mortgage covers the bridge across the Ohio River, together with real estate, equipment and terminal facilities in and about Louisville. Listed on London Stock Exchange. Interest paid without deduction for Normal Income Tax.

KEOKUK & HAMILTON BRIDGE CO.—Inc. Aug 1, 1868, in Ia. and Ill.; consolidation of the Hancock County and the Keokuk & Hamilton Mississippi River Bridge companies. Owns bridge from Keokuk, Ia., to Hamilton, Ill., used by the Toledo, Peoria & Western Ry and the Wabash Ry and by wagons and foot passengers. The bridge is to be rebuilt.

New Company.—In order to protect the interests of bondholders and to raise funds without the expense and delay incident to foreclosure, a new Company, known as Keokuk & Hamilton Bondholders Co., was incorporated in May, 1914, in Del., with \$1,000 capital, with powers to acquire the bonds of Keokuk & Hamilton Bridge Co., and to assist that Company either by loaning money to it or by paying for the rebuilding or improvement of the bridge. The new company has issued \$1,000,000 par value of 30-Year Convertible Income Debentures, in exchange for a like amount of First Mortgage bonds of the Bridge Company. It was proposed to use the bonds thus acquired as collateral for an issue of \$400,000 30-year 6% Secured Notes, proceeds of which were to be used to rebuild or pay for rebuilding of bridge. Bondholders were invited by circular dated May 29, 1914, to subscribe for the 30-year 6% Secured Notes, to the extent of 40% of their holdings in Bridge Co. bonds.

Capital Stock.—Authorized and outstanding, \$1,000,000; par, \$100. Secretary of Company acts as Transfer Agent and Registrar.

Bonded Debt.—\$1,000,000 Construction Mtge. 8s; issued April 1, 1869; due April 1, 1899. Interest on these bonds is in arrears for a number of years past; the overdue interest is being liquidated as the earnings permit. The last interest paid was in July, 1916. Payments are made at 55 William St., New York. The bonds of this issue have been exchanged for Debenture bonds of the Keokuk & Hamilton Bondholders' Company as stated above.

BULLFROG GOLDFIELD RR (Controlled by Stock Ownership).—Inc. Aug 30, 1905, in Nev. Line of road: Goldfield to Bullfrog, Nev., 86.59 miles; sidings, etc., 6.02 miles. Gauge, standard. Equipment: Locomotives, 5; passenger cars, 4; freight cars (flat, 12; gondola, 15), 27.

New Control.—The stockholders of the Las Vegas & Tonopah RR Co. on June 25, 1914, ratified an arrangement under which that company acquired control of the Bullfrog Goldfield RR, whose line parallels that of the company between Beatty and Goldfield. The road is to be practically reconstructed between those points, the best parts of both roads to be used and other sections to be abandoned. The plan was ratified by the stockholders of the Bullfrog Goldfield RR on June 30, 1914. The step is taken to avoid needless duplication of lines, operations having been unprofitable for several years. The capital stock of the Bullfrog Goldfield Co. has been reduced to \$1,640,000. The \$1,640,000 Consolidated Mortgage bonds due July 1, 1938, have been for some time exchanged at the Fidelity Trust Co., Philadelphia, for Com. stock of the company on the basis of \$495 stock for \$1,000 bonds. The Las Vegas & Tonopah RR Co. received in return for its guaranty of the First Mortgage bonds, 51% of the Bullfrog Company's stock. The latter company gave the Las Vegas Company \$68,000 Second Mortgage bonds for canceled unsecured indebtedness.

Capital Stock.—Authorized and outstanding, \$1,640,000 (reduced as above); par, \$100. 51% of stock owned by Las Vegas & Tonopah RR Co. No dividends paid.

Bonded Debt.—\$165,000 First Gold 6s; dated Dec 31, 1906; due Jan 1, 1922; int. J & J 1, at Fidelity Trust Co., Philadelphia, Trustee. Coupon, \$1,000; principal may be registered. Authorized, \$1,500,000. Sinking fund of one-fifteenth of outstanding bonds annually began in Dec, 1910; bonds to be called at 102½ and interest. A first lien on entire property. Guaranteed by the Las Vegas & Tonopah RR Co. Interest paid without deduction for Normal Income Tax.

\$68,000 Consolidated Gold 6s; dated July 15, 1914; due July 15, 1924; int. J & J 15, at Fidelity Trust Co., Philadelphia, Trustee. Coupon, \$1,000. Authorized issue, \$68,000. A second lien on property. Entire issue owned by Las Vegas & Tonopah RR Co.

LEHIGH VALLEY RAILROAD COMPANY.

(See Accompanying Map)

History.—Incorporated April 21, 1846, in Pa., as The Delaware, Lehigh, Schuylkill & Susquehanna RR; name changed to present title in Jan, 1853. The Beaver Meadow RR and Penn Haven & White Haven RR were absorbed in 1864; the Lehigh & Mahanoy RR in 1866, and the Lehigh Luzerne RR and Hazelton RR in 1868. Leased to Philadelphia & Reading RR for 999 years from Dec 1, 1891, but lease abrogated and operations resumed by company as of Aug 1, 1893.

In Oct, 1905, the Lehigh Valley RR Co. purchased the entire capital stock of Coxe Bros. & Co., Inc. (owning about 6,800 acres of coal lands in Carbon and Luzerne counties, Pa., estimated to contain an unmined tonnage of over 67,000,000 tons), and of the Delaware, Susquehanna & Schuylkill RR Co. The operation of the various properties was assumed as of Nov 1, 1905. The Lehigh & Lake Erie RR, reference to which was made in the **Manual** for 1907, was completed early in that year, and was consolidated with the Lehigh Valley Rail Way Co. (of N. Y.) as of June 27, 1907. The Jersey City Belt Line Ry and Newark Bay Ry (see **Manual** for 1913, pages 623 and 626, respectively), formerly controlled through stock ownership, were dissolved on May 9, 1913.

The lines of the System extend from New York City to Buffalo, with branches throughout the anthracite coal region of Pennsylvania.

Lehigh Valley Harbor Terminal Ry.—This company was incorporated in New Jersey on March 10, 1916, with \$100,000 capital stock, to take title to such real estate as may be purchased for the purpose of providing additional terminal facilities at the Jersey City water front and to make such expenditures in connection with these facilities as may be authorized from time to time. The corporation has issued to the Lehigh Valley RR Co. \$100,000 of its capital stock and also its notes, bearing interest at the rate of 5% per annum, aggregating \$2,976,336, on account of advances already made. The notes have been placed in the treasury pending further provision for the financing of this project.

New Buffalo Terminals.—The Lehigh-Buffalo Terminal Ry Corp. was incorporated at Albany, N. Y., Feb 3, 1915, with nominal (\$50,000) capital stock, by Lehigh Valley RR officials, in connection with plan for new passenger and freight terminals to be built for road at Main, Scott, Quay and Washington Streets, Buffalo. The Lehigh-Buffalo Terminal Ry Corp., under authority of the Public Service Commission of New York State, issued to the Lehigh Valley RR Co. \$50,000 of its capital stock and \$3,740,000 50-year 5% Debenture bonds to repay advances made for the construction of the new freight and passenger terminals at Buffalo, which are now nearing completion. These debenture bonds will remain in the treasury of the Lehigh Valley RR Co. until permanent financing can be arranged by the Terminal company. All of the real estate which was acquired by the Lehigh Valley RR Co. and its subsidiaries has been transferred to the new company. The plans for the buildings were approved, contracts awarded and work commenced on April 14, 1915. The freight terminal and yard were completed and put in operation in Dec, 1915, and the passenger terminal placed in service Oct 20, 1916.

Controlled Companies.—The Lehigh Valley RR of N. J., The Lehigh Valley Rail Way Co. (of N. Y.), The Schuylkill & Lehigh Valley RR, Pennsylvania & New York Canal & RR, Delaware, Susquehanna & Schuylkill RR, Wyoming Valley Water Supply Co. and several smaller companies are controlled through ownership of their entire outstanding capital stocks; and the Lehigh & New York RR, through lease and majority stock ownership. *For complete list of Securities Owned, see table on subsequent page.*

Lease of Lehigh Valley RR Co. of New Jersey.—In order to establish a closer relationship in operation of Lehigh Valley RR Co. of New Jersey, which is owned by company, it was deemed advisable to effect a lease of property and appurtenances of the New Jersey Co. Accordingly, by proper action of both companies and with approval of Board of Public Utility Commissioners of New Jersey, a lease has been consummated for a term of 99 years from July 1, 1914, the consideration being cost of maintenance, taxes, payment of interest on all bonded and other indebtedness and providing also for the reimbursement, by the issue of securities to Lehigh Valley RR Co., for amounts expended for additions and betterments to property.

Lehigh Valley Coal Co.—The Lehigh Valley RR Co. is the owner of the entire outstanding capital stock of the Lehigh Valley Coal Co., which company controls valuable coal lands and properties; the total production of anthracite coal from these lands for year ended June 30, 1916, being 8,103,187 tons, an increase of 14,286 tons, or 18%, as compared with the preceding year. The aggregate coal and coke tonnage,

not including supply coal, transported over the lines of the system for the same period was 17,418,333 tons, an increase of 523,403 tons (3.10%) over the previous year.

On Jan. 11, 1912, the Lehigh Valley Coal Co. authorized the organization in N. J. of the **Lehigh Valley Coal Sales Co.**, with an authorized capital stock of \$10,000,000 (par, \$50), of which \$7,575,225 has been issued, the balance being reserved for future needs. (For statements of these companies, see *Industrial Volume*).

Morris Canal & Banking Co.—In 1871 the Lehigh Valley RR Co. leased the property of this company. Since that time there have been but four years in which the canal property was able to earn its operating expenses, making it necessary for the Lehigh Valley RR Co. to make up the deficit and, in addition, to pay the dividends of 10% and 4%, respectively, on the Preferred and Consolidated capital stocks, and all interest charges, as called for in the lease. Transportation on small inland canals like the one in question has become obsolete, and this canal cannot be made to pay its cost of operation and is further complained of as an annoyance in many of the cities and communities through which it passes. Negotiations have, therefore, been had with the State of New Jersey looking to its abandonment. It is proposed that any abandonment will comprehend the retirement of outstanding bonds and stocks of the Canal Company, the settlement of suits in regard to the rights of the Lehigh Valley RR Co. in the "Basins" at Jersey City used as terminals, the sale and conveyance of the Canal Company's property, the adjustment of certain taxes assessed upon the property used in the canal operations, etc. A commission was appointed by the Legislature of N. J. to take up this matter, and an understanding was reached covering the adjustment of all questions at issue, and the commission so reported to the Legislature. The latter thereupon instructed the commission to prepare a bill for the abandonment of the canal and the disposition of its property and to submit the same at the next session of the Legislature. Many hearings were held on the subject, but the bill, after much discussion, failed to obtain favorable action by the Legislature. During the 1913 spring session of the Legislature a bill was introduced which would have been satisfactory to the Lehigh Valley RR Co. if passed, and which reconciled virtually all the interests concerned with the matter of abandoning the canal. The Legislature, however, adjourned without taking any action on the bill in question, and no action has since been taken.

Under date of Oct 14, 1911, the Lehigh Valley RR Co. offered to purchase the minority stock of the Morris Canal & Banking Co., at \$70 per share for the Consolidated Stock not already owned, and \$170 per share for the Preferred. This offer was accepted by the Protective Committee formed in behalf of the minority stockholders. As at June 30, 1916, the Lehigh Valley RR Co. was the owner of a large majority of the outstanding stock of the Canal Company.

Wyoming Valley Water Supply Co.—The Lehigh Valley RR Co. owns the entire \$100,000 capital stock and the \$1,368,000 outstanding First Mortgage bonds of this company, which was organized for the purpose of placing under the management of one company, the many water operations owned and conducted by the Lehigh Valley RR Co. (See *Manual* for 1911, page 594.)

Government Suit.—Special Assistant U. S. Attorney-General Frederick R. Coudert, on March 18, 1914, filed suit in U. S. District Court in New York City against company and controlled companies and others, claiming violation of Sherman Anti-Trust Law. The defendants include, besides the company, the Lehigh Valley Coal Co., Lehigh Valley Coal Sales Co., Coxé Bros. & Co., Inc., Delaware, Susquehanna & Schuylkill RR, New York & Middle Coal Field RR & Coal Co., G. B. Markle Co., Girard Trust Co., and fourteen individuals.

Judge Hough in the U. S. District Court in New York, on Dec 21, 1914, handed down a decision dismissing the above suit. The Government on Sept 20, 1916, filed an appeal in the U. S. Supreme Court from this decision.

Steamship Decision.—The Interstate Commerce Commission rendered a decision in May, 1915, under the so-called Panama Canal Act, the effect of which was to compel the Lehigh Valley RR Co. to cease the operation on Dec 1, 1915, of six steamers, owned by the Lehigh Valley Transportation Co. and operated upon the Great Lakes. Although the above decision of the Interstate Commerce Commission prohibited the Lehigh Valley Transportation Co. from operating after Dec 1, 1915, its six vessels on the Great Lakes, used for the transportation of freight between Buffalo and points west, they were operated during the 1916 season of navigation through an injunction obtained from the courts. This matter is still in litigation as final determination has not yet been reached.

NEW EQUIPMENT TRUSTS.

An equipment trust, designated Series O, was created during the year ended June 30, 1916, under which will be issued \$3,000,000 4½% certificates, maturing in annual installments of \$500,000 Sept 1 of each year, the final maturity being Sept 1, 1922. These certificates will be a lien upon 40 freight locomotives, 15 switching locomotives and 1,500 box cars, now under contract with the builders. A portion of this equipment has been delivered and upon receipt of the remainder the certificates will be issued and placed in the treasury.

An additional equipment trust, to be known as Series R, has also been authorized. This trust will cover an issue of \$2,400,000 4½% certificates, maturing in semi-annual installments of \$200,000 March 1 and Sept 1 of each year, the last installment falling due Sept 1, 1922. Under this arrangement the company will acquire 70 locomotives of the latest design. Forty of these, known as the Santa Fe, or 2-10-2 type, will be used exclusively in freight service and 30, of the Pacific type, although primarily for use in fast freight service, will be so equipped as to make them available for passenger service also. This equipment was expected to be delivered shortly after June, 1916, when the certificates would be issued and placed in the treasury.

LOUISIANA & ARKANSAS RAILWAY CO.

History.—Incorporated June 10, 1902, in Ark., to construct an extension of the Louisiana & Arkansas RR, and on Aug 18, 1902, all the assets and property of that company were taken over and its outstanding liabilities assumed as of June 30, 1902.

An extension was completed in 1909 between Minden and Shreveport, 27.15 miles, and agreement entered into with the Shreveport Bridge & Terminal Co. for the use of bridge over the Red River, thereby giving this company a line into Shreveport. At the latter point 50 acres of land have been purchased, on which a terminal has been erected. The passenger station thereat is being used jointly by this company and the St. Louis Southwestern Ry Co. under a 25-year lease. An extension from Jena, La., to Wildsville Junc., La., 23.68 miles, was completed Sept 1, 1913. An extension from Wildsville Junc., La., to Natchez, Miss., 25 miles, is under construction.

Mileage Operated, June 30, 1916.—Hope, Ark., to Tioga, La., 188.91 miles; Packton to Wildsville Junc., La., 53.32 miles; Minden to Shreveport, La., 27.15 miles; trackage rights, 9.34 miles—total, 278.72 miles. In addition, the company owns, but does not operate, 3.98 miles of line between Tioga and Pineville, La., which is operated exclusively by the Chicago, Rock Island & Pacific Ry., making total owned, 273.36 miles. Gauge, standard. Rail (steel), 60 and 75 lbs.

Proposed Acquisition.—The company in Oct., 1916, petitioned the Louisiana RR. Commission for approval of the acquisition of the Black River Branch of the St. Louis, Iron Mountain & Southern Ry., to be taken over Jan. 1, 1917. The line extends 25 miles from Vidalia to Black River, La., and at present connects with the Louisiana & Arkansas Ry at Wildsville Junc., on the east side of Black River.

Completion of Extension.—Arrangements have recently been completed whereby the long projected extension of company's line to the Mississippi River will be ready for actual operation about the first of 1917. In 1914 the company built from Jena, La., its previous southeasterly terminus, to Wildsville Junc., on the east bank of the Black River, a distance of 23.68 miles, and constructed an important steel bridge at this point. The remaining 25 miles to Vidalia, La., on the west bank of the Mississippi opposite Natchez, the company will operate jointly with the St. Louis, Iron Mountain & Southern Ry. New bridges have recently been constructed along this whole section of track and the roadbed has been relaid with 75 lb. rails to correspond with the rest of the company's main line. Freight cars will be transferred across the Mississippi River to Natchez.

Equipment, June 30, 1916.—Locomotives, 31; passenger train cars, 27. Freight cars—box, 402; flat, 743; gondola, 40; tank car, 1; caboose, 15—total, 1,201. Service cars, 55. Total engines and cars, 1,314.

Capital Stock.—Authorized, \$7,000,000; outstanding, \$5,000,000; par, \$100. The capital stock was formerly deposited with the Guaranty Trust Co., New York, under a voting trust agreement, which expired by limitation Sept. 15, 1912.

Dividends were paid semi-annually, M & S 15, by check; 1906 to 1909, 3% each; 1910 and 1911, 2½%; none since.

Bonded Debt.—\$4,504,000 First Gold 5s; dated Sept 1, 1902; due Sept 1, 1927; int. M & S 1, at Guaranty Trust Co., New York, Trustee. Coupon (principal may be registered), and registered, \$1,000; interchangeable. Authorized issue, \$7,000,000; issued, \$5,196,000, of which \$808,000 were held alive in sinking fund, leaving \$4,504,000 outstanding on Nov 1, 1916. The \$1,804,000 unissued bonds are reserved as follows: \$1,000,000 for the construction or acquisition of a bridge across the Black River and a bridge across the Red River; and \$804,000 for extensions, equipment, improvements and betterments. Subject to call as a whole, but not in part, at 110 and interest on any interest date. A sinking fund of \$55,000 per annum, to be used by the Trustee in the purchase of bonds at not over 100 and interest began on Sept 1, 1907; bonds so purchased to be kept alive in the fund. If bonds cannot be purchased at the aforesaid price the sinking fund may be invested in securities in which savings banks at that time are authorized to invest according to the laws of N. Y., N. J., Mass. or Conn. On Dec 2, 1913, an additional sinking fund of \$20,000 per annum became effective, making a total of \$75,000 per annum. Secured by first lien on all the property of the company now owned or which may be acquired hereafter. Listed on New York Stock Exchange. First offered (\$1,000,000) in June, 1902, at 102½ and interest. Interest paid without deduction for Normal Income Tax.

Equipment Trust Obligations.—During year ending June 30, 1914, Equipment Trust Obligations amounting to \$160,000 were issued, covering the purchase of one combination steel baggage and mail car, 4 steel coaches, 40 general service gondola cars and 100 steel underframe flat cars. During the years June 30, 1916, Equipment Trust Notes amounting to \$22,000 were paid and canceled, leaving a balance outstanding June 30, 1916, of \$162,000.

Portland & Rumford Falls RR Lease.—On May 1, 1907, the properties of the Portland & Rumford Falls Ry and Rumford Falls & Rangeley Lakes RR were leased for a term of 999 years at rental of \$328,000 per annum, payable quarterly. The Maine Central RR thereby secured control of the franchises of the Indian River Ry Co., organized to build a line from the Maine State line through the province of Quebec to Megantic, where connection may be made with both the Quebec Central and Canadian Pacific Rys. It also secured possession of valuable terminal property and other privileges at and near Portland, Me.

Portland Terminal Co.—The entire \$1,000,000 capital stock of this Company, successor to the Portland Union Ry Station Co. is owned by the Maine Central RR Co. (see statement appended).

Rangeley Lakes & Megantic RR.—The stockholders of the Maine Central RR Co. on Oct 21, 1914, authorized the purchase of the property and franchises of the Rangeley Lakes & Megantic RR Co., consisting of 10.65 miles of single track between Oquossoc and Kennebago, Me. The operations of this property have been included in the operations of the Maine Central RR Co. since Nov 1, 1914. The net cost of this road to the Maine Central RR Co. was \$279,157. This amount represented the cost to the Maine Central RR Co. at par of the capital stock of the Rangeley Lakes & Megantic RR Co., amounting to \$250,000, and other amounts advanced for construction and operations, amounting to \$25,000, as well as sundry unpaid bills less accounts receivable.

Lease of St. Johnsbury & Lake Champlain RR.—The agreement entered into between the Maine Central RR Co. and St. Johnsbury & Lake Champlain RR Co., Jan 1, 1912, providing for an annual rental of \$25,000 a year for the line between Lunenburg and St. Johnsbury, Vt., was modified and a new lease entered into as of Jan 1, 1915. The new lease provides for an annual rental for this road of \$20,000. The lease further provides for favorable conditions regarding additions and betterments. Settlement was made for additions and betterments to the property up to Jan 1, 1915, and a note of the St. Johnsbury & Lake Champlain RR Co. for \$301,100, bearing date of Jan 1, 1915, interest at 4%, payable semi-annually, has been received by the Maine Central RR Co.

Ricker Hotel Co.—During the year ended June 30, 1912, the entire capital stock of the Ricker Hotel Co., which owns the valuable hotel property at Rockland, Me., known as "The SamOset," was purchased by the Maine Central RR Co. The Maine Central RR Co. has sold to the Ricker Hotel Co. the hotel property, real estate and stores at Moosehead Lake, acquired through the merger of the Somerset Ry Co. with the Maine Central RR Co. on July 1, 1911, and formerly owned by the Kineo Company (see Manual for 1912, page 140). This placed the management of the Company's hotels under the control of a separate corporation.

New Express Contract.—After negotiations covering a considerable period, the contract between the American Express Co. and the Maine Central RR Co., in effect from May 1, 1907, covering express privileges on the road, was cancelled and a new contract, dated Jan 11, 1915, with all provisions effective from and after June 20, 1914, was made. Under the new contract the American Express Co. pays the Maine Central RR Co. rental for all of the railroad buildings and rooms in stations used exclusively for express business. The Express Company also pays the road 42% of the gross express earnings, which are earned by the Express Company upon the railroad, its leased lines and branches. This percentage is an increase from 35% allowed under the old contract, except in case of the Calais and Kineo branches where 40% was paid. The amount received by the Maine Central RR Co. during the year under the new contract was \$43,000 more than would have been received on the basis previously in effect.

Maine Railways Cos. (see statement in 1916 Manual, Railroad Vol., page 459).—The Maine Rys Cos. held on July 1, 1915, 156,514 shares of the Com. stock of the Maine Central RR Co. as collateral security for \$11,965,000 Maine Rys Cos. 5% notes then outstanding. All of the above stock has been disposed of either by cancellation in connection with the reduction of the Com. stock of the Maine Central RR Co., by exchange for Maine Rys Cos. convertible notes, by distribution to the Maine Central RR Co. or by sale. The Maine Rys Cos. notes were all paid except \$2,492,000 on June 30, 1916, and these were called for payment at par and accrued interest on Oct 1, 1916. Necessary provision for the payment of these notes having been made, the accounts and affairs of the Maine Rys Cos. were closed May 31, 1916, in accordance with the vote of the Trustees. The investment of the Maine Central RR Co. in the shares of the Maine Rys Cos. was written off the books and the Maine Central RR Co. had in its treasury as an asset on June 30, 1916, \$2,881,500 par value of its own Com. stock.

CAPITAL STOCK AND DIVIDENDS.

Authorized, \$15,000,000 (decreased from \$25,000,000 by vote of stockholders on Oct 20, 1915) Com. and \$3,000,000 (authorized by stockholders on Oct 20, 1915) 5% cumulative Pfd.; outstanding, June 30, 1916, \$14,888,400 Com. and \$3,000,000 Pfd.; par, \$100. Of the Com. stock, \$2,881,500 was held in the treasury June 30, 1916, leaving \$12,006,900 held

by the public. Pfd. stock has preference as to assets as well as dividends, but has no voting power. Comptroller of company acts as Transfer Agent. Registrar: Fidelity Trust Co., Portland, Me. Listed on Boston Stock Exchange. Pfd. stock was first offered in Nov, 1915, at 102 and accrued dividends.

There is also outstanding \$200 new stock subscriptions, \$317 Maine Central stock scrip, \$11,000 stock bonds of the Androscoggin & Kennebec RR, \$7,100 stock of the Androscoggin & Kennebec, and Penobscot & Kennebec RRs, and \$600 stock scrip of the Portland & Kennebec RR, all these issues being exchangeable for Maine Central Com. stock.

Dividends have been paid as follows: On Pfd., an initial quarterly dividend of 1¼% was paid March 1, 1916, which rate has since been regularly paid; on Com., at rate of 6% per annum from 1884 to July, 1903; at rate of 7% per annum from July, 1903, to July, 1907; from Oct, 1907, to July, 1911, 8% per annum; since that date at rate of 6%. In addition, there was paid on Dec 1, 1915, a dividend of 1% on the stock exchanged for new securities. Payments on Pfd. are made quarterly, M, J, S & D 1.; on Com., quarterly, J, A, J & O 1, at Treasurer's office, Portland.

Exchange Option.—Stockholders were entitled until Nov 30, 1915, either (a) to exchange 7-24ths at par of their Com. stock for new First and Refunding 4½% bonds of that amount at par and 3-24ths at par of their Com. stock for the same amount of new Pfd. stock at par; or (b) to purchase such proportion of the new securities at par for cash. Fractional stock and bond scrip bore no dividend or interest and was exchangeable in totals of \$100 or \$1,000, respectively, or multiples thereof, for the same amount face value of stock and bonds, respectively, at the Fidelity Trust Co., Portland, Me.

The Pfd. stock was issued as follows: \$1,760,000 to creditors of company, holding a like amount of stock; \$1,350,000 (75% of principal) to holders of the \$1,800,000 6% Notes due Dec 1, 1912; and \$896,500 to the Cherokee Construction Co. Redeemable by the Company in whole or in part at par on any dividend date since July 1, 1916, upon 30 days' notice. All Pfd. stock is subject to an option of purchase by the Cherokee Construction Co. during years 1914 to 1923 at from 35% to 55% of par. Com. and Pfd. stock have equal voting power. All the Com. stock (voting trust certificates) is owned by the Cherokee Construction Co.; also \$896,500 of the Pfd.

Voting Trust.—All Com. and Pfd. stock is held under Voting Trust agreement dated May 15, 1913, terminating Jan 1, 1924, or any time after May 1, 1918, at discretion of the Voting Trustees. Voting Trust Certificates are transferable at Girard Trust Co., Philadelphia, agent for Voting Trustees. Voting Trustees: Edward T. Stotesbury, Sidney F. Tyler, J. R. McAllister, Lloyd W. Smith, and Francis I. Gowen.

Bonded Debt.—\$5,000,000 First Gold 5s; dated April 1, 1913; due April 1, 1943; int. A & O 1, at Girard Trust Co., Philadelphia, Trustee. Coupon, \$1,000; principal may be registered. Authorized amount, \$15,000,000, of which \$5,000,000 have been issued and proceeds used in part to take up 45% of the principal of the existing bonds of the Midland Valley RR and Wichita & Midland Valley RR Cos., and for liquidation of floating indebtedness and rehabilitation of company's property. The \$10,000,000 unsued bonds are reserved for 85% of the cash cost of permanent additions, betterments, etc., provided the net earnings for the preceding twelve months shall have been at least equal to one and a half times the interest on all the outstanding First Mtge. bonds and those proposed to be issued, unless, in the case of extensions, such restriction as to earnings be modified or waived by the bankers. Subject to call as a whole only at 102½ and interest on April 1, 1916, or on any interest date thereafter, upon six weeks' notice. A first lien on all franchises and property and leasehold interests, and also secured by pledge of \$460,000 of the \$503,300 Com. stock and the entire issue of \$1,025,000 First Mtge. 5% bonds of Wichita & Midland Valley RR (see appended statement); also by pledge of entire issue of \$1,250,000 First Mtge. 5% bonds due Oct 1, 1930, and \$250,000 stock (entire issue) of Sebastian County Coal & Mining Co., which Company owns in fee 16,354 acres of coal lands and leases 1,902 acres in Western Arkansas and Oklahoma. First publicly offered (\$4,500,000) in May, 1913, at 92 and interest. Interest paid without deduction for Normal Income Tax.

\$5,512,500 Adjustment Income Gold 5s (Series "A" & "B"); dated April 2, 1913; due April 2, 1953; interest payable annually on Sept 1, up to 5%, only if earned, at Fidelity Trust Co., Philadelphia, Pa., Trustee. The interest is to be non-cumulative unless the Cherokee Construction Co. shall exercise the optional right to purchase the Pfd. stock, whereupon the interest shall become 5% cumulative; and if not then paid, the holders of these bonds are to have the same voting rights as holders of the capital stock. Coupon, \$500 and \$1,000; principal may be registered. Authorized and issued, \$5,512,500, of which \$3,512,500 are Series "A" bonds and \$2,000,000 Series "B." Series "A" bonds were issued for 50% of the principal of the old bonds of the Midland Valley RR and Wichita & Midland Valley RR Cos. Series "B" bonds were issued as follows: \$1,800,000 to holders of a like amount of 6% Gold Notes of the Midland Valley RR Co. due Dec 1, 1912, and the remaining \$200,000 to the Cherokee Construction Co. in part consideration for relinquishment of claim upon stock and bonds of the Sebastian County Coal & Mining Co. Subject to call as a whole only, at par and interest, if any accumulated, at any time. A second lien on all property and securities covered by the First Mtge. bonds described above, but Series "A" bonds have priority, both as to lien and payment of interest, over Series "B" bonds. No interest has yet been paid on this issue. Interest will be paid without deduction for Normal Income Tax.

General office, Harrison, Ark.

MISSOURI, KANSAS & TEXAS RAILWAY CO.

History.—Chartered Sept 25, 1865, in Kansas as Union Pacific-Southern Branch Co.; name changed May 23, 1870, to present title. Consolidated May 15, 1870, with Labette & Sedalia RR, and the Neosho Valley & Holden RR. Reorganized, without foreclosure, in 1890. In May, 1896, consolidated with the Missouri, Kansas & Eastern Ry, the Southwestern Mineral Ry, and the St. Louis & Kansas City Ry. Subsequently, the Kansas City & Pacific RR and other smaller lines were merged, and in June, 1904, the Missouri, Kansas & Oklahoma Ry, 391 miles, was formally absorbed. The lines in Texas are vested in and operated by the Missouri, Kansas & Texas Ry Co. of Texas, all the capital stock of which is owned by the M., K. & T. Ry Co.; but for convenience their statistics are included with those of the M., K. & T. proper. The company owns extensive coal lands in Cherokee County, Kansas, formerly the property of the Southwestern Coal & Improvement Co.

Controlled and Other Companies.—The Missouri, Kansas & Texas Ry Co. owns \$500,000 of the \$1,000,000 capital stock of the Galveston, Houston & Henderson RR, and jointly with the International & Great Northern Ry has trackage rights over its lines, each company paying an annual rental of \$65,050. In Feb, 1910, acquired the entire outstanding stock and bonds of the Dallas, Cleburne & Southwestern Ry Co., late in 1912 purchased the entire capital stock of the Beaumont & Great Northern RR Co. and early in 1913 acquired one-half the capital stock of the Houston & Brazos Valley Ry Co. Also owns the entire \$1,000,000 capital stock, and guarantees the \$947,000 4% bonds of the Boonville RR Bridge Co., owning the bridge over the Missouri River from Boonville to Franklin. The company owns a one-fourth interest in the Joplin Union Depot Co., a one-twelfth interest in the Kansas City Terminal Ry Co., whose bonds it guarantees jointly with the other proprietary companies, and a one-eighth interest (through the M., K. & T. Ry Co. of Texas) in the Union Terminal Co. of Dallas. The latter company has under construction a modern passenger terminal which will be used by all lines entering Dallas, Tex.

Contemplated Comprehensive Financial Plan—Directors' Committee.—In April, 1915, a circular, signed by Chrm. Frank Trumbull and Pres. C. E. Schaff, was issued, stating that plans for the readjustment of the company's financial position had been under consideration and that it was hoped to present such a plan to the stockholders at an early date. In the meantime the company asked for an extension of the \$19,000,000 2-year 5% Secured Gold Notes, due May 1, 1915, for one year, until May 1, 1916, with interest at 6% per annum instead of 5%. The directors appointed a committee of their number, consisting of Horace E. Andrews, Geo. W. Davison, Lewis B. Franklin, A. J. Miller and Frank Trumbull, to perfect a plan. The plans under consideration contemplated an issue to be offered to stockholders of securities carrying a contingent charge or of Pfd. stock. Owing to general conditions and the receivership, the issuance of the contemplated plan has been delayed.

Receivership.—On Sept 27, 1915, Charles E. Schaff, president of the company, was appointed Receiver of the Missouri, Kansas & Texas Ry Co. by the United States District Court at St. Louis, Mo., and Receiver of the Missouri, Kansas & Texas Ry Co. of Texas by the United States District Court at Dallas, Tex. The board of directors made the following announcement to the public on Sept 27, 1915: "The directors reluctantly acquiesced in the receivership, but as several suits have been brought against the company by holders of unextended notes aided in several cases by attachment proceedings, and other suits have been threatened, it was decided that the interests of all would be best served by assenting to the taking charge of the property by the Court. The directors and officers were hopeful last spring—when they asked for an extension of these notes for one year—that they would be able to work out a plan of refinancing that would enable the company to pay them off, and they have been continuously, since then, endeavoring to accomplish this, but, owing to apathy of investors towards railroads and to the heavy losses in the Galveston storm and continued floods in the Southwest, which have impaired the earnings of the company and increased its expenses, it has been impossible to accomplish what the directors set out to do. They are, however, still proceeding in co-operation with bankers, with the preparation of a plan for readjusting the finances of the company and providing for its future requirements."

Restitution Suit.—Application was filed Dec. 29, 1916, in the U. S. District Court at St. Louis by certain stockholders for permission to take the necessary legal steps to institute a restitution suit against men who were members of the company's executive committee for five or six years preceding Sept. 27, 1915, when the system was thrown into receivership. Among the persons named are Frank A. Vanderlip, James N. Wallace, James Speyer, Benj. F. Yoakum and Frank Trumbull. Meyer J. Stein of Chicago is counsel for the dissatisfied stockholders.

DUTCH PROTECTIVE COMMITTEES.

(19) *For First Gold 4s.*—The Amsterdam Stock Exchange on Dec 15, 1915, called a meeting of holders of these bonds, at which the following committee was appointed: Dr. A. F. van Hall, A. C. van Heemskerck Veeckens and Chevalier, Dr. L. H. J. F. van Bevervoorden tot Audemele. In order to make this committee duly representative of the entire Dutch interests, the governors of the Amsterdam Stock Exchange were to add to this committee two more members, and one each was to be designated by the Rotterdam Exchange and the Country Dealers' Association.

(20) *For Second Gold 4s.*—Dr. H. K. Westendorp, Dr. W. W. van der Meulen, and J. Kerkhoven, while four additional members were to be appointed, two by Amsterdam Stock Exchange and one each by Rotterdam Exchange and Country Dealers' Association.

Engineers' Report.—The first formal report of the reorganization managers, looking to a rehabilitation of the property, was made Oct. 16, 1916. More than a year previous, Hallgarten & Co. and J. & W. Seligman & Co. undertook the reorganization of the property, and this report covers the activities of the engineers, Coverdale & Colpitts, of New York, who were employed by these banking houses to make an exhaustive study of the road. The report, which deals solely with matters preliminary to the preparation of a plan of reorganization, estimates that the amount required for new working capital and to clear the property (exclusive of bills payable, defaulted interest and expenses of reorganization) is \$9,636,000. In addition to this, a two-year

rehabilitation and betterment program is recommended, involving further expenditures of \$17,000,000, a total of \$26,636,000.

Expert to Report.—Speyer & Co., in July, 1916, engaged J. W. Kendrick, the well-known railroad expert, to make an examination of the physical condition and operations of the railway system.

Beaumont & Great Northern RR—*Houston & Brazos Valley Ry.*—The M., K. & T. Ry Co. purchased during the year 1912-13 the entire capital stock of the Beaumont & Great Northern RR, which owns a line extending through the lumber district of East Texas from Livingston to Weldon, a distance of 48.3 miles, and which connects at Trinity with what is known as the Trinity Division of the M., K. & T. Ry of Tex.; and one-half of the capital stock of the Houston & Brazos Valley Ry Co., which operates about 24 miles of road extending from Anchor to Velasco and Freeport, Tex., on the Gulf of Mexico at the mouth of the Brazos River. The Beaumont & Great Northern RR has outstanding \$50,000 capital stock and \$883,000 of First Mtge. 5% bonds and the M., K. & T. Ry Co. has guaranteed the payment of principal and interest of the bonds. There is a considerable movement of tonnage from the Beaumont & Great Northern RR, but the full benefit of its acquisition will not be derived until a connection with the main line has been built, when the mileage and the operation of the line will be included in the M., K. & T. reports. The Houston & Brazos Valley Ry Co. has outstanding \$24,000 capital stock and \$420,000 First Mtge. 5% bonds. The M., K. & T. Ry Co. has guaranteed principal and interest of \$210,000 of these bonds and has purchased an additional \$131,000. Freeport is a new port in process of development by a syndicate of bankers who own the remaining one-half of the capital stock of Houston & Brazos Valley Ry Co. The Seaboard & Gulf S. S. Co. is now operating semi-monthly service between New York and Freeport. On May 1, 1914, the Beaumont & Gt. Northern RR was leased to the M., K. & T. Ry Co. of Texas, and its operations merged with those of that company. In 1913, the Houston & Brazos Valley Terminal Co. was formed to take over the property of the Brazos Warehouse Co., which owned 634 acres of land on the river front at Freeport.

Katy Office Building Co.—At Dallas a new general office building was acquired during 1912-13, the purchase involving the assumption by the M., K. & T. Ry Co. of Texas of the payment of principal and interest of \$200,000 First Mtge. 5½% bonds issued by the Katy Office Building Co.

Texas Central RR Co.—About 90% of the capital stock of the Texas Central RR Co. was purchased in June, 1910, and its mileage and operations are included in the reports for the system since July 1, 1910. As at June 30, 1916, the company owned 99% of the total issued capital stock.

Missouri, Kansas & Texas Terminal Co. of St. Louis.—Inc. March 26, 1909, in Mo., with \$100,000 authorized capital stock, all owned by M., K. & T. Ry Co. In Aug, 1910, the authorized capital stock was increased to \$10,000,000. The company has acquired the only remaining tract of land in North St. Louis suitable for railroad purposes, about 200 acres in extent, on which it has constructed tracks and buildings necessary for freight yards and terminals. A freight station and warehouses have also been constructed. To cover the cost of this project bonds of the Terminal Company, guaranteed by the M., K. & T. Ry Co., amounting to \$4,776,000 have been issued, all of which were owned by Missouri, Kansas & Texas Ry Co. as at June 30, 1916.

Wichita Falls & Northwestern Ry and Wichita Falls & Southern Ry.—During the fiscal year 1911-12, the M., K. & T. Ry Co. acquired all the capital stock, (\$2,000,000) of the Wichita Falls & Northwestern Ry Co., and all of the capital stock (\$53,000) of the Wichita Falls & Southern Ry. Co. These companies operate a system of railways known as the Wichita Falls Lines, extending from Newcastle, Tex., to Forgan, Okla., with a branch line from Altus, Okla., to Wellington, Tex., aggregating 435.89 miles, of which 431.12 miles are owned and 4.77 miles are used under trackage agreements with other lines. Under the terms of the purchase the vendors of the stock discharged all current liabilities existing on July 1, 1911. The mileage and operations of the Wichita Falls Lines have been included in the M., K. & T. system since Nov 1, 1912. The Wichita Falls & Northwestern Ry is the owner of all of the stock and bonds of the Wichita Falls & Northwestern Ry Co. of Texas, Wichita Falls & Wellington Ry Co. of Texas and Wichita Falls Ry Co. On May 1, 1914, these latter companies, together with the Wichita Falls & Southern Ry Co., were leased to the M., K. & T. Ry Co. of Texas, and their operations included with those of that company (see statements appended).

San Antonio Belt & Terminal Ry.—Since its entrance into San Antonio, The Missouri, Kansas & Texas Ry Co. of Texas has used the terminals of the Galveston, Harrisburg & San Antonio Ry Co. (Southern Pacific System). They were inadequate to the needs of both companies and the management long-faced the necessity of providing separate and independent terminals at San Antonio. With this in view, the San Antonio Belt & Terminal Ry Co. was organized May 2, 1912, with a capital stock of \$175,000, \$116,500 of which is owned by the Missouri, Kansas & Texas Ry. Co. and balance held in treasury. This terminal company has acquired land for freight and passenger stations, industries and outside yards at convenient and accessible points. The site for the freight and passenger stations is in the center of the city and more conveniently located than the stations of any other railway entering San Antonio. A franchise has been obtained from the city of San Antonio, and ground for the terminal was broken May 11, 1916. (See statement appended.) The estimated cost of the project is \$1,300,000.

Land Grant.—In 1906, a suit was instituted by the State of Kansas for the purpose of enforcing the rights of this company in respect to the grant of lands in the Indian Territory. This grant was made to Kansas for the benefit of the company and it was believed that an original suit by the State in the Supreme Court of the United States would result in a final adjudication of all the questions in dispute. After careful consideration, the Supreme Court held that the State of Kansas was not the real party in interest. For this reason, the Supreme Court had no original jurisdiction and decided that the case should therefore be dismissed; the court refrained from expressing any judgment on the merits as its decision was based solely upon technical grounds. Therefore, a suit was begun by the company in the United States Court of Claims seeking to recover \$61,287,800, the value of the lands in the Indian Territory (now the State of Oklahoma) granted to this company by Congress in 1866, of which, as advised by counsel, it has been unjustly deprived. The Court of Claims rendered a decision against the company, basing its action on the ground that the grant under the Act of Congress was not absolute, but was conditional, and that the United States had the right to ignore same. The Court admitted, however, that there was no other land grant similar in terms and conditions, and the questions decided were, therefore, decided as original propositions, and the adverse opinion of the Court is not sustained by any judicial precedent or authority. The U. S. Supreme Court on Nov 9, 1914, unanimously affirmed the decision of the Court of Claims.

Leases Authorized.—*Suits.*—The Texas Legislature in March, 1913, passed over Governor Colquitt's veto the bill authorizing the Missouri, Kansas & Texas Ry of Texas to take over the following subsidiary roads under 25-year leases, with option to complete, extend and purchase, and to assume their bonded or other indebtedness and to give its own securities in exchange for securities of subsidiary companies, with the approval of the Texas Railroad Commission:

Texas Central RR.
Wichita Falls & Northwestern
Ry of Texas.
Wichita Falls & Southern Ry.

Wichita Falls & Wellington
Ry of Texas.
Wichita Falls Ry.
Denison, Bonham & New Or-
leans RR.

Dallas, Cleburne & Southwest-
ern Ry.
Beaumont & Gt. Northern RR.

In April, 1913, Attorney-General Looney of Texas brought a suit to enjoin the company from taking over the above companies. It was claimed that the ownership and control by an outside corporation was in violation of the constitution and laws of the State, and that there should be a complete segregation of the Texas property from the parent road.

The Attorney-General of Texas on July 10, 1913, filed an amendment in the District Court at Austin, Tex., to the original suit brought against the Company and its controlled companies on account of alleged violation of the State anti-trust laws. The companies named as defendants include the M., K. & T. Ry of Kan. (parent company), M., K. & T. Ry of Texas, Dallas, Cleburne & Southwestern Ry, Denison, Bonham & New Orleans RR, Texas Central RR and Beaumont & Great Northern RR. All of the penalties demanded aggregated, it was said, about \$15,000,000. The suppression of competition, it was stated, resulted in the movement of passengers and freight over the lines of the defendants, irrespective of the interests of the public or shipper. A settlement of this suit was effected Feb 6, 1914, without payment of penalties and by the recording of an agreed judgment which fixed the status of the companies mentioned and established the legality of the manner in which the capital stock of the M., K. & T. Ry Co. of Texas is held and of the ownership by Missouri, Kansas & Texas Ry Co. of the capital stocks of the various Texas railway companies whose lines have been leased as of May 1, 1914, and are now operated by the Missouri, Kansas & Texas Ry Co. of Texas.

(23) **Consolidated Mortgage Gold Bonds**.—On July 30, 1910, the stockholders authorized the execution of a new mortgage, known as Missouri, Kansas & Texas Ry Co.'s Consolidated Mortgage of April 1, 1910, to Central Trust Co. of New York and James Campbell, Trustees, securing an issue of 30-year gold bonds limited to \$125,000,000, to bear such rate of interest not exceeding 5% per annum as the directors may from time to time determine. (The stockholders on April 8, 1915, authorized the directors to increase the interest rate from 5% to 6%.) Of the bonds authorized, \$66,000,000 are reserved primarily for refunding purposes; the balance can only be issued under certain restrictions. These bonds are being issued from time to time as needed for the purpose of constructing, or acquiring through purchase of securities or otherwise, additional lines or extensions; for the construction or acquisition of terminals and equipment, and to make additions and betterments upon the mortgaged property, to refund or acquire at or before maturity certain outstanding obligations of the company, and to reimburse it for expenditures heretofore or hereafter made for it by any of said purposes. This mortgage makes suitable provision for meeting the capital requirements of the company over a period of years.

As of June 30, 1916, \$30,292,000 of these bonds had been authenticated under the mortgage and delivered to the company, as follows: For corporate purposes, \$500,000; against the pledge of General Mtge. bonds, \$6,830,000; against pledge of First and Ref. Mtge. bonds, \$448,000; against General Mtge. bonds retired by sinking fund, \$2,645,000; in reimbursement of expenditures made for acquisition of stock and bonds of Missouri, Kansas & Texas Term. Co. of St. Louis, \$4,854,000; against pledge of capital stock of Texas Central RR Co., \$4,500,000; in reimbursement of expenditures made for additions and betterments, \$6,211,000; in reimbursement of expenditures made for new equipment, \$1,114,000; against pledge of capital stock and First & Refunding bonds of Wichita Falls & Northwestern Ry Co., \$2,455,000; against pledge of capital stock of Wichita Falls & Southern Ry Co., \$51,000; against Boonville RR Bridge Co. First Mtge. bonds retired by sinking fund, \$33,000; against pledge of capital stock and First Mtge. bonds of Denison, Bonham & New Orleans RR Co., \$264,000; against pledge of capital stock of Beaumont & Great Northern RR Co., \$54,000; against pledge of capital stock of Houston & Brazos Valley Terminal Co., \$333,000—total, \$30,292,000.

Of these bonds \$25,825,000 were, on June 30, 1916, held by the Trustee of the Note Agreement of May 1, 1913, to secure \$19,000,000 2-Year Extended Gold notes; and \$4,467,000 were pledged to secure bills payable.

Security.—Secured by the pledge of \$4,776,000 First Mtge. 5% bonds and \$99,100 capital stock of the M., K. & T. Terminal Co. of St. Louis; \$6,830,000 M., K. & T. Ry Genl. Mtge. bonds; \$1,310,000 Pfd. and \$2,672,300 Com. stock of Texas Central RR Co.; \$9,300 stock and \$150,000 First Mtge. bonds of Dallas, Cleburne & Southwestern Ry Co.; \$9,800 Joplin Union Depot Co. stock; \$448,000 M., K. & T. Ry First and Ref.

Mtge. bonds; \$24,100 stock and \$350,000 First Mtge. bonds of Denison, Bonham & New Orleans RR Co.; \$52,100 stock of the Wichita Falls & Southern Ry Co.; \$1,999,300 stock and \$519,000 First and Ref. WICHITA FALLS & NORTHWESTERN RY (OF OKLA.) (Controlled by Stock Ownership).—Inc. Sept 20, 1906, in Okla., to build a railroad from the southern border of Oklahoma on Red River southwest of Lawton, Okla., to a point in Kansas near Englewood. Owns the entire outstanding stock and bonds of the Wichita Falls & Northwestern Ry of Texas, the Wichita Falls & Wellington Ry Co. of Texas, and of

the Wichita Falls Ry Co. The Wichita Falls Ry, the Wichita Falls & Northwestern Ry and the Wichita Falls & Northwestern Ry of Texas jointly and severally guarantee principal and interest of the \$729,000 First Mortgage bonds of the Wichita Falls & Southern Ry. The Missouri, Kansas & Texas Ry Co. acquired substantially all of the stock of the Wichita Falls & Northwestern Ry late in 1911. The line from Altus, Okla., to Wellington, Tex., 57 miles, known as the Panhandle Division, was taken over for operation on Nov. 1, 1910, and was built under the charters of the Altus, Wichita Falls & Hollis Ry and the Wichita Falls & Wellington Ry. On May 1, 1914, that portion of the line previously operated by Wichita Falls & Northwestern Ry of Okla. between Wellington, Tex. and Okla. state line, 15 miles (Wichita Falls & Wellington Ry), was leased to the M., K. & T. Ry Co. of Texas and its operations since that date have been included with those of that company. Total operated June 30, 1916: Red River to Forgan, Okla., 286.09 miles; Frederic Junc. to Frederic, Okla., 0.69 mile; Wellington Junc. to Texas-Oklahoma state line, 41.90 miles—total, 328.68 miles. Gauge, standard. Rail (steel), 60 and 65 lbs. Equipment: Locomotives, 15; passenger cars, 17; freight cars, 523; work, 5—total cars, 545.

Bondholders' Committee: Owing to the receivership of the Missouri, Kansas & Texas Ry Co., the following consented in June, 1916, to act as a protective committee for holders of company's First & Refunding bonds: Elisha Walker (Chairman), J. A. Kemp, R. Walter Leigh, Merle B. Moon, G. H. Walker, with G. N. Lindsay as Sec., 25 Broad St., New York, and Alfred A. Cook, New York, as counsel. In Jan. 1917, this committee asked for deposit of bonds with the U. S. Mortgage & Trust Co., New York, Depositary.

Capital Stock.—Authorized and outstanding, \$2,000,000; par, \$100. All owned by Missouri, Kansas & Texas Ry, except directors' shares. A dividend of 5½% was paid during fiscal year 1911-12, and 8% in 1912-13.

Bonded Debt.—Total, as of June 30, 1916, \$6,504,000. For details see statement of M., K. & T. Ry Co.

THE MISSOURI PACIFIC RAILWAY COMPANY.

History.—Incorporated Aug 9, 1909, in Mo., Kans. and Neb.; consolidation and merger of a number of auxiliary companies, shown in detail in the *Manual* for 1911, page 661. The consolidated company is vested with all the franchises, rights, powers, privileges, immunities, properties and improvements heretofore held, exercised or enjoyed by the constituent companies. In Sept, 1911, the entire capital stock of the Boonville, St. Louis & Southern Ry Co. was purchased.

The company owned on June 30, 1916, \$44,349,603.59 par value of the capital stock of the St. Louis, Iron Mountain & Southern Ry Co. out of a total of \$44,394,738.59 issued and outstanding. It also owned on that date \$25,248,000 of that company's First and Refunding 6% Gold bonds dated July 1, 1912. The operated mileage of the St. Louis, Iron Mountain & Southern Ry, as of June 30, 1916, was 3,555.26 miles, making the total mileage of the Missouri Pacific System, on that date, 7,485.97 miles.

Sale of St. L., I. Mtn. & So. Ry. Stock Ordered.—On July 25, 1916, the U. S. District Court at New York ordered the sale at foreclosure of \$37,255,000 stock of St. Louis, Iron Mountain & Southern Ry Co. held as collateral for the \$37,255,000 40-Year Gold 4s of 1905.

Interests in Other Companies.—The Missouri Pacific Ry Co. owns about 30% of the stock of the Denver & Rio Grande RR Co., the latter extending from the Missouri Pacific's western terminus at Pueblo to Salt Lake City. It also owned on June 30, 1916, \$6,525,000 of stock of the Texas & Pacific Ry Co. and \$1,000,000 of the stock of the Western Coal & Mining Co.

Disposal of Wabash RR. Securities.—The plan of reorganization of the Wabash RR. Co. (see *General Index*), dated April 28, 1915, provided for an assessment of \$654.82 in respect to each \$1,000 face value of that company's First Refunding & Extensions bonds, of which the St. Louis, Iron Mountain & Southern Ry. Co. owned \$2,913,000. The first installment of this assessment (10%) was paid by the receiver of the St. Louis, Iron Mountain & Southern Ry. Co. and subsequently the certificates of deposit representing the bonds sold for \$892,643, which was deposited with the Trustee of the Unifying & Refunding Mortgage to the credit of the Addition and Improvement fund. The difference between the book value of these bonds and the price received, amounting to \$986,371, as well as the book value of \$2,826,200 Pfd. and \$2,826,200 Com. stock of that company also owned by the St. Louis, Iron Mountain & Southern Ry Co. and \$7,000,000 Pfd. stock owned by Missouri Pacific Ry Co., which had been previously written down to \$31,631, was written off. This disposed of the entire interest of the Missouri Pacific System in the Wabash RR Co.

New Interests in Control.—In Jan, 1915, the below mentioned committee representing important banking interests issued a call for proxies to be used at the annual meeting on March 9, 1915. Proxies for considerably more than a majority of the outstanding stock were forthcoming and were voted with the result that new directorates were elected at this meeting, both for Missouri Pacific Ry and St. Louis, Iron Mountain & Southern Ry Cos. Committee: Alexander J. Hemphill, Chairman (Guaranty Trust Co. of New York); Otto H. Kahn (Kuhn, Loeb & Co.); Seward Prosser (Pres. Bankers Trust Co., New York); James N. Wallace (Pres. Central Trust Co., New York); Robert Winsor (Kidder, Peabody & Co.), with Charles E. Sigler as Sec., 54 Wall St., New York.

Protective Committees.—Consequent upon the decline in Company's securities protective committees were formed in July, 1914, as follows: For First and Refunding Mortgage Bonds, Alexander J. Hemphill (Chm), Robert Fleming (London), Donald G. Geddes, Jerome J. Hanauer, A. W. Krech, C. E. ter Meulen (Amsterdam). Secretary; L. B. Franklin, 140 Broadway, New York.

For 40-Year 4% Gold Loan Bonds: F. N. B. Close (Chm.), Otto H. Kahn, J. H. McClement, J. W. Platten, J. G. Siegers (Amsterdam), W. H. Williams, Secretary; B. W. Jones, 16 Wall Street, New York.

For Missouri Pacific Ry Co. stock: James N. Wallace (Chm.), J. H. Harding, Frederick Strauss, A. H. Wiggins, Robert Winsor. Secretary: C. E. Sigler, 54 Wall Street, New York.

For 5% Secured Gold Notes: Edwin G. Merrill, Stephen Baker, Howard Bayne, Louis V. Bright, A. B. Hepburn, Henry Ruhlender, E. K. Boistot, with Spooner & Cotton as Counsel and H. M. Popham as Sec., 80 Broadway, N. Y. These notes were extended at 6% to June 1, 1916, and again extended to Dec 1, 1916, and further extended to June 1, 1917—see on a subsequent page.

Proposed Readjustment of Capital.—A readjustment plan was drawn up and received the approval of the Boards of Directors both of the Missouri Pacific Ry Co. and the St. Louis, Iron Mountain & Southern Ry Co., as well as that of several of the protective committees. This plan was dated July 1, 1915, and was published on July 7, 1915, by Kuhn, Loeb & Co., as Readjustment Managers. A digest of the original plan was published in **Manual for 1916 (Railroad Volume)**, page 500.

Modified Plan of Reorganization.—The above mentioned plan of readjustment was modified as of July 25, 1916, by the Reorganization Managers, and these modifications were approved by the three protective committees first named above (being the committees that were parties to the original plan); also by the committees numbered 1, 5 and 7 on a subsequent page. The plan as modified was declared operative Nov. 28, 1916. The principal changes effected by the modified plan are the following: (1) Instead of being offered par for par in new First & Refunding 5% bonds, maturing in 1965, the following three issues were offered their choice of receiving par for par in similar bonds, but of earlier maturity and redeemable without premium and at earlier dates than the bonds originally offered, viz., \$14,375,000 Missouri Pacific Ry Collateral Trust 5s of 1917, \$9,636,000 Missouri Pacific Ry Collateral 5s of 1920 and \$393,000 Little Rock Junction Ry First Consol. 6s. (2) The amount of new General Mortgage 4% bonds that may be authorized is confined to the amount issuable for the purposes of the Plan (the plan, previous to modification, authorized these bonds to be issued to the amount of \$100,000,000). (3) Instead of being offered 50% in new Pfd. stock and 50% in new General Mortgage 4s, the following two issues had their choice of accepting that offer or receiving new General Mortgage bonds par for par, viz., \$3,459,000 Central Branch Ry 4s of 1919 and \$2,500,000 Central Branch Union Pacific Ry 4s of 1948. (4) As the original offer made to the \$3,972,000 Kansas & Colorado Pacific Ry First & Refunding 6s was not acceptable to the committee representing these bonds, the plan was modified so that the reorganization managers should make such other offer to this committee as should be approved by the committees representing Missouri Pacific Ry 5% Refunding bonds, 4% Gold Loan bonds and stock. In accordance with this provision the Reorganization Managers announced on Oct. 13, 1916 that, with the approval of the Cutting Committee, an alternative offer had been given to holders of the Kansas & Colorado Pacific Ry bonds, whereby they could elect the original offer of par for par in the new 5% Pfd. stock (or 5% Income bonds) mentioned in the modified plan, or par for par in new General Mortgage 4% bonds mentioned in the plan, and, as an adjustment in lieu of interest on their bonds, an amount of cash equal to interest on the par amount thereof, at rate of 6% per annum from Aug. 1, 1915 to Aug 1, 1916, and at rate of 4% per annum from Aug 1, 1916, to date from which such new General Mortgage bonds should bear interest. The alternative offer had to be accepted before Dec 1, 1916. (5) The right is reserved, subject to the approval of the same committees, to eliminate from the reorganized system any or all of the lines covered by the following bonds, and to deal with them in such manner as the Reorganization Managers may elect (these lines form no part of the main lines and it may be preferable to have them operated by independent owners under separate organizations): \$650,000 Missouri Pacific Ry Lexington Division First 5s, \$1,024,000 Kansas City Northwestern RR First 5s, Series "A," and \$500,000 Boonville, St. Louis & Southern Ry First 5s. (6) Unsecured creditors and claimants shall receive Pfd. stock at par for the principal amount of their claims, or such other different treatment as may be required by the court. (The original plan made no specific allowance for these creditors, but conferred power on the Reorganization Managers to make provision for them.)

January 5, 1917, was the final date set for the exercise of such options as the modified plan allowed. All bondholders who had not exercised these options on that date were presumed to have preferred the original offer.

The following is a summary of the plan as modified July 25, 1916:

(1) CASH REQUIREMENTS.

The amount of cash estimated to be required to carry out this Plan is \$41,419,792, to be applied as follows: (1) To pay Missouri Pacific Ry Co. Extended Gold Notes, \$24,773,000. (2) To provide for equipment trusts of the Missouri Pacific and St. Louis, Iron Mountain & Southern Ry. Companies maturing up to June 30, 1918, \$2,270,000. (3) To provide for adjustments and payments of interest on bonds and other securities deposited under the Plan and other current liabilities, \$14,376,792. This cash to be provided by an assessment of \$50 per share on the stockholders of the Missouri Pacific Co.

(2) UNDISTURBED SECURITIES.

The obligations which are to remain undisturbed aggregate \$128,458,620, as follows: All the St. Louis, Iron Mountain & Southern Ry Co., bonds, except its \$29,423,000 First and Refunding Mortgage 6% 40-Year bonds, due July 1, 1952, declared due Sept 22, 1915 (of which \$25,081,000 are pledged to secure Missouri Pacific Ry Co. Gold Notes, \$167,000 additional are owned by the Missouri Pacific and \$4,175,000 are outstanding in the hands of the public), and except its equipment obligations maturing to June 30, 1918 (which are to be paid), the undisturbed securities aggregating \$110,281,120: \$6,996,000 Pacific RR (of Mo.) First 4s, due Aug 1, 1938; \$2,573,000 Pacific RR (of Mo.) Second 5s, due July 1, 1938; \$3,828,000 Missouri Pacific Ry Co. Third 4s, due July 1, 1938; \$237,500 Pacific RR (of Mo.), Carondelet Branch, First 4½s, due Oct 1, 1938; \$800,000 Pacific RR (of Mo.), St. Louis City Real Estate 5s, due May 1, 1938; \$806,000 Verdigris Valley, Independence & Western RR Co. First 5s; \$2,937,000 Missouri Pacific Ry Co. and St. Louis, Iron Mountain & Southern Ry Co. equipment obligations maturing after June 30, 1918.

(3) NEW SECURITIES.

The following new securities will be issued by the new company to effect the readjustment: (1) \$46,923,150 First & Refunding 5% Bonds; part of an authorized issue which will never exceed in the aggregate three times the capital stock of the new company at the time issued and outstanding. Bonds may be issued in series, to mature at various dates to bear any rate of interest not exceeding 6%; to be subject to call as a whole or in complete series, but not in part at such premiums and on such dates as may be arranged; to be a lien, subject to the lien of the undisturbed obligations, mentioned above, upon the railroads, properties and franchises now owned by the Missouri Pacific and St. Louis, Iron Mountain & Southern Ry Cos. (with such exceptions and additions as the Readjustment Managers may deem wise), and will also become a lien on all properties acquired by the use of these bonds. (2) \$44,399,292 (in addition to amounts in excess of 50% to be issued to holders of Central Branch Ry bonds of 1919 and Central Branch Union Pacific Ry bonds of 1948, who may elect to receive par for par in new General Mortgage bonds as explained above, and in addition to amounts which may be issued to holders of Kansas & Colorado Pacific Ry bonds as explained below, or which may otherwise be issued for the purposes of the Plan) new General Mortgage 4% bonds. Authorized amount limited to the amount which may be issuable to carry out the provisions of this plan; to mature at a date or dates not earlier than 1975, and to bear interest at the rate of 4% per annum; to be redeemable as a whole but not in part at par and interest on any interest date after 1920; to be a lien on all the properties of both companies subject to the lien of the above First and Refunding Mortgage bonds. (3) \$78,751,635 new Convertible 5% Pfd. stock (or if the issue of Pfd. stock is not feasible then Income bonds for a like amount); less such amount as may become unnecessary to issue on account of acceptance of optional offers under the Plan. To be entitled to dividends of 5% per annum cumulative from June 30, 1918; to be preferred as to assets as well as to dividends; to have full voting power, and to be convertible at par into Com. stock at the option of the holder; to be subject to call as a whole but not in part at 107½ and dividends at the option of the Company on certain dates to be fixed. (4) \$82,839,555 (a similar amount to that at present outstanding) new Com. stock, exclusive of the amount reserved for the conversion of Pfd. stock.

(4) DISTRIBUTION OF NEW SECURITIES.

The table given below shows the distribution of above mentioned new securities as it was provided in the original plan of reorganization. The First & Refunding Mortgage 5% bonds referred to in the table are to mature about 1965, and are to be subject to call as a whole but not in part at 107½ and interest on any interest date after 1920. The modified plan while confirming the various exchanges given below allowed in addition alternative offers to the following old securities:

Missouri Pacific Collateral Trust 5s of 1917 and Little Rock Junction Ry 1st Consol. 6s.—It was provided that holders of these two issues could accept the offers outlined below of par for par in new First & Refunding Mortgage 5s maturing about 1965 or at their option receive the same amount of the same bonds maturing six years from date of issue, but not later than Jan 1, 1923, and redeemable as a whole, but not in part, at par and interest on any interest date. This option had to be accepted before Jan 5, 1917.

Missouri Pacific Collateral Mortgage 5s of 1920.—Holders of these bonds could accept the offer outlined below or at their option a similar amount of bonds maturing not later than Aug 1, 1920, and redeemable as a whole, but not in part, at par and interest on any interest date. This option had to be accepted before Jan 5, 1917.

Central Branch Ry First 4s and Central Branch Union Pacific Ry First 4s.—Holders of these bonds could accept the offer outlined below or at their option new General Mortgage 4% bonds par for par. This option had to be accepted before Jan 5, 1917.

Kansas & Colorado Pacific Ry First & Refunding 6s.—The Reorganization Managers retained the right of make an alternative offer to holders of these bonds which should be approved by the committees representing the Missouri Pacific Ry Refunding 5s, Gold Loan 4s and stock. Accordingly, the Reorganization Managers announced on Oct 13, 1916, that with the approval of the Cutting Committee, an alternative offer had been given to holders of the Kansas & Colorado Pacific Ry bonds, whereby they could elect the original offer of par for par in the new 5% Pfd. stock (or 5% Income bonds) mentioned in the modified plan, or par for par in new General Mortgage 4% bonds mentioned in the plan, and, as an adjustment in lieu of interest on their bonds, an amount of cash equal to interest at rate of 6% per annum from Aug 1, 1915, to Aug 1, 1916, and at rate of 4% per annum from Aug 1, 1916, to date from which such new General Mortgage bonds should bear interest. The alternative offer had to be accepted before Dec 1, 1916.

Missouri Pacific Ry, Lexington Division First 5s, Kansas City Northwestern RR First 5s, Series "A" and Boonville, St. Louis & Southern Ry First 5s.—Holders of these securities retain the privilege of accepting the offers outlined below, but the Reorganization Managers specifically reserve the right to eliminate from the reorganized system any or all of the lines covered by these bonds, and also to deal with them and with the bonds in such manner as they may choose, with the approval of the committees representing the Missouri Pacific Ry Co.'s Refunding 5s, Gold Loan 4s and stock.

Note.—The holders of stock in the Missouri Pacific Ry Co. are entitled to receive \$82,839,585 (100%) of Com. stock in the new company, as well as the \$41,419,792 (50%) General Mortgage Bonds above mentioned of the new company, upon surrender of their existing stock and payment of assessment of \$50 per share.

The Missouri Pacific Ry Extended 6% Notes maturing June 1, 1917, and any unextended notes of said issue together aggregating \$24,773,000, are to be paid in cash, as are also the \$2,270,000 of equipment obligations of the Missouri Pacific Ry and St. Louis, Iron Mtn. & Southern Ry companies maturing before June 30, 1918.

Voting Trust—Directors.—The Reorganization Managers may in their discretion cause the deposit of the new stock (Com. or Pfd. or both) in a voting trust for not exceeding 5 years. The first Board of Directors shall consist of persons approved by Alexander J. Hemphill, Otto H. Kahn, Seward Prosser, James N. Wallace and Robert Winsor, or by a majority of them, and by the Reorganization Managers.

Underwriting Syndicate.—In Aug. 1916, an underwriting syndicate was formed by Kuhn, Loeb & Co. to underwrite the \$46,000,000 cash requirements of reorganization. Applications for participation in this syndicate totaled \$76,000,000, making it necessary to reduce allotments to about 60% of the sums applied for.

Depositories.—Holders of securities assenting to this Plan were invited to deposit their holdings with the following depositories: (1) For First and Refunding 5% Bonds. Guaranty Trust Co., New York; (2) for capital stock of the Missouri Pacific Ry Co., Central Trust Co. of New York; (3) for Missouri Pacific Ry Co. 40-year 4% Gold Loan Bonds, due March 1, 1945. Bankers Trust Co., New York; (4) for all other securities affected by the Plan, Guaranty Trust Co., New York. Sub-depositories: For all securities: Mercantile Trust Co., St. Louis, and Guaranty Trust Co., London, Eng.; for all issues of bonds: Hope & Co. and Amsterdamsche Bank, Amsterdam; for stock: Broes & Goeman, Amsterdam; for 5% Refunding bonds: Bank Verein Suisse, Basle; Banque Fédérale, Zurich; Banque Centrale Anversoise, Antwerp; for 4% Gold Loan bonds: Schweizerische Kredit-Anstalt, Zurich; Deutsche Treuhänd. Gesellschaft, Berlin; Banque Centrale Anversoise, Antwerp; for Lexington Division 5% bonds: M. M. Warburg & Co., Hamburg. Time for deposit was extended to Jan 5, 1917.

Receivership.—Judge Adams of the U. S. Circuit Court at St. Louis on Aug 19, 1915, appointed Pres. B. F. Bush, Receiver of company and the St. Louis, Iron Mountain & Southern Ry Co. Application was made by the Commonwealth Steel Co., as holder of claims for supplies aggregating \$145,276 and \$55,335, respectively, the management assenting. It was stated that owing to the fact that the original plan of reorganization had not up to that time been favorably received the company found itself without funds to meet interest obligations maturing on Sept 1, 1915. The St. Louis, Iron Mountain & Southern Ry Co. was already in default in respect to interest due July 1, 1915. Accordingly, in order to protect the assets of the two companies as well as creditors and stockholders all interests acquiesced in the receivership.

Receiver for Subsidiary.—Judge Hook in U. S. Circuit Court at St. Louis on Feb 25, 1916, appointed Receiver Bush of the Missouri Pacific Ry as Receiver of the Kansas

& Colorado Pacific Ry, upon application of the Equitable Trust Co., New York, Trustee of the \$3,972,000 1st Refunding 6% bonds of the K. & C. P. Ry Co., on the ground of default in payment of interest. The Feb 1, 1916, interest was not paid.

Interest Defaulted and Offer to Advance Same by Readjustment Managers.—On Sept 1, 1915, default was made in the payment of the interest due upon the 40-Year 4% Gold Loan Bonds, due 1945, the 5% First and Refunding Mortgage 50-Year Gold Bonds and the Collateral Trust 5% bonds due Jan 1, 1917. Announcement was immediately made by the Readjustment Managers acting on behalf of the bondholders' committees for the issues in question that the respective depositaries and sub-depositaries for these bonds under the Plan of Readjustment would, if desired by bondholders, advance to them upon deposit of their bonds or upon presentation of certificates of deposit (if bonds had already been deposited), the amount of such interest; such advances to bear interest at rate of 6% per annum.

Protective Committees.—Protective Committees were, following announcement of receivership, constituted for several of the issues affected as follows:

(1) For the \$14,375,000 Collateral Trust 5% Bonds due Jan 1, 1917, and \$9,636,000 First Gold Mortgage Bonds due Aug 1, 1920: Moreau Delano (Chm.); Willard V. King, W. A. Butler, Jas. Timson, New York; Asa S. Wing, Phila.; L. Edmund Zacher, Hartford; with Morrell W. Gaines, as Sec., 59 Wall St., New York, and Cadwalader, Wickersham & Taft as Counsel. Holders of bonds were asked to deposit their holdings with Columbia Trust Co., New York, as depositary, or with Brown Bros. & Co., Phila. and Boston, and Brown, Shipley & Co., London, agents of the depositary, until Dec. 1, 1915. A considerable majority of the Trust 5s due 1917 and a very substantial percentage of the Collateral 5s due 1920 have been deposited or pledged. Certificates of deposit have been listed on the New York Stock Exchange.

(2) For Kansas City Northwestern RR 5% Bonds, Series "A": Emile K. Boisot (Chm.); D. M. Cummings, E. F. Swinney, J. B. Forgan, Jr., with James P. Feeley, as Sec., 56 West Monroe St., Chicago, and Winston, Payne, Strawn & Shaw, as Counsel. Holders of bonds were asked to deposit their holdings with First Trust & Savings Bank, Chicago, as depositary. The above described modified plan of reorganization leaves it optional with the consent of certain committees for the Reorganization managers to leave these bonds out of the reorganization provisions—see above.

(3) For Central Branch Union Pacific Ry. Co. First 4% Bonds due 1948: Francis R. Welsh (Chm.), J. W. Hamer, R. W. Huntington, Jr., with Chas. G. Woodward, as Sec., Hartford, Conn. Holders of these bonds have been asked to deposit their bonds with the Union Trust Co., New York, Depositary.

(4) For Leroy & Caney Valley Air Line 5% Bonds due 1926: E. C. Delafield, L. M. Childs, J. C. Bell, James Imbrie, with W. R. Britton, New York, as Sec., and Delafield, Howe & Rogers as Counsel. Bondholders were asked to communicate with the Franklin Trust Co., New York. This committee in a circular dated Dec 28, 1915, said that it was then convinced that the Leroy & Caney Valley Air Line RR mortgage would actually be foreclosed. Notwithstanding the fact that the bonds are a first lien at only \$10,000 per mile, the committee stated that it was of the opinion that after foreclosure it would be unable to persuade the Missouri Pacific Reorganization Committee to make better terms, since the road is not necessary for through traffic and is merely of advantage as a small local feeder. The Committee, therefore, decided that there was no advantage in continuing its efforts. The depositary under the proposed plan, is, as heretofore, willing to receive deposits of the bonds, subject to acceptance by the Committee.

(5) For Central Branch Ry First 4s, due Feb 1, 1919; C. A. Peabody (Chm.); L. E. Zacher, Robert Struthers, Jr., with E. W. Judd as Sec., 37 Wall St., New York, and Cadwalader, Wickersham & Taft, as Counsel. Holders of bonds were asked to deposit the same with Farmers' Loan & Trust Co., New York, as depositary.

(6) For Kansas & Colorado Pacific Ry First Refunding 6s: R. Fulton Cutting, Chm.; J. S. Wilson, Jr., Chas. B. Alexander, F. Kingsbury Curtis, Arthur O. Choate, Francis H. Bergen, with Alexander J. McAllister, Sec., 55 Wall St., New York, and Simpson, Thacher & Bartlett as counsel. Holders of these bonds were asked to deposit same with the Franklin Trust Co., New York, on or before Jan 15, 1916. Approximately three-quarters of the outstanding bonds have been deposited with the Committee.

(7) For Little Rock Junction Ry First Consolidated 6s: Gordon Denter, Edwin F. Atkins and Gilmer Clapp. American Trust Co., Boston, Depositary.

Dutch Protective Committees.—Committees were also formed in Holland for the protection of the Dutch interests in the company's 4% Gold bonds of 1905 and the First & Refunding Mortgage 5% Convertible bonds, as follows:

Committee for 5% First & Refunding bonds of 1909, due 1959: W. M. J. van Lutterveld, Chairman; L. R. Gratama, G. W. A. van Laer, J. Czn. N. Levenkamp, F. P. Muysken, Dr. Y. A. Schuler tot Peursum, and J. J. Vierhout, with J. D. Santilano, Amsterdam, as Secretary.

Committee for 4% Gold bonds of 1905, due March 1, 1945: Dr. H. M. Roelofs, Chairman; Dr. L. H. J. F. van Bevervoorden tot Oldemeule, D. Lutomirski, M. Milders, C. Van Oldenborgh, D. W. H. Patyn, J. D. Schoon, with Dr. G. Hymans, Amsterdam, Sec.

Foreclosure Recommended.—In a report filed with the Federal District Court on Sept 21, 1916, James G. Graham, Special Master, in the foreclosure suit brought by the Bankers Trust Co., New York, against the road found that all the allegations of the plaintiff and also of the Guaranty Trust Co., which had filed a cross suit, were true and recommended foreclosure of the mortgages under which the actions were brought.

Foreclosure Sale Ordered.—Judge Hook in the U. S. District Court at St. Louis on Dec. 21, 1916, ordered the foreclosure sale of the Missouri Pacific Ry. and the St. Louis, Iron Mountain & Southern Ry on Feb 21, 1917, under their respective First & Refunding Mortgages. The upset price for the former was fixed at \$16,150,600 and for the latter \$23,500,000. The Kansas & Colorado Pacific Ry has also been ordered sold on Feb 23, 1917, under foreclosure of its First & Refunding Mortgage; upset price, \$9,800,000.

The company may re-issue for such purposes under like restrictions bonds issued under said mortgage, which may have been converted into stock, but only to an aggregated amount not exceeding \$40,000,000.

Security.—Secured by direct mortgage on 3,775.24 miles first main track. The bonds are at present a direct first mortgage on 149.14 miles of the aforesaid mileage, and in respect of the remaining mileage, are subject to \$66,293,000 underlying bonds.

Additionally secured by deposit with the Trustee of \$16,715,000 Kansas & Colorado Pacific Ry bonds, and \$2,985,000 Kansas City Northwestern RR Co. bonds.

The Company agrees that no further issues under its 40-year 4% gold loan trust indenture of Feb 15, 1905, shall be made in addition to the \$37,255,000 bonds now outstanding thereunder, and that it will not part with the shares of stock of St. Louis, Iron Mountain & Southern Ry at any time pledged under said trust indenture, and that the same shall not be encumbered to a great extent while any of the "First and Refunding" bonds are outstanding. Subject to call as a whole at 110 and interest on Sept 1, 1917, or on any interest date thereafter; and if all pledged bonds of the St. Louis, Iron Mountain & Southern Ry Co. shall be redeemed, a like amount of "First and Refunding" bonds may be redeemed at 110 and interest on Sept 1, 1917, or on any interest day thereafter. Listed on New York Stock Exchange; also in Zurich, Geneva and Amsterdam. Stockholders of record Dec 8, 1909 were permitted to subscribe at 95 and interest for the \$29,806,000 Series A bonds to the extent of 36% of their holdings of stock.

Interest on above bonds due Sept 1, 1915, was defaulted—see a previous paragraph.

(18) **\$24,773,000 Extended 6% Secured Gold Notes;** dated June 1, 1911; due June 1, 1914; extended to June 1, 1915, and again extended to June 1, 1916, further extended to Dec 1, 1916 and again to June 1, 1917; interest on the occasion of the first extension being increased from 5% to 6%; upon the second and third extensions the interest remained at 6%, but a commission of $\frac{1}{2}\%$ was paid on each occasion (with the exception of the six months' extension to June 1, 1917) to assenting noteholders making the interest rate in effect $6\frac{1}{2}\%$ per annum; int. J. & D 1, at Union Trust Co., New York, Trustee. Coupon, \$1,000. Authorized and issued, \$25,000,000 of which \$227,000 retired to June 30, 1916. Subject to call at par and interest on the first day of any month upon four weeks' notice. Secured by deposit of stocks and bonds of a par value of \$65,821,946 (see paragraph—"Securities Owned"), and by real estate at Westwego, La., of an estimated value of \$200,000; of these securities \$55,345,380 is deposited with the Union Trust Co., New York, Trustee, and \$10,476,566 with the St. Louis Union Trust Co., Agents for Columbia Trust Co., New York. The agreement securing the notes provides that the collateral may be withdrawn against deposit of cash, at fixed valuations for the securities withdrawn. Of the proceeds of these notes, \$9,200,000 was used for the payment of the floating debt and \$8,000,000 was deposited with the Trustees of the First and Refunding Mortgage of the Missouri Pacific Ry Co. and Trustees of the Improvement Mortgage of the St. L., I. M. & S. Ry Co., for the purchase of equipment and for improvements. It is provided that while any part of these Secured Notes remains unpaid, the St. Louis, Iron Mountain & Southern Ry Co. will not issue any additional bonds, notes or other obligations, except to provide for taxes, equipment and equipment obligations, terminal commitments and current operations debt of any kind or nature. First offered (\$20,000,000) in May, 1911, at 98 $\frac{5}{8}\%$ and interest. Normal Income Tax deducted from interest.

Extensions.—The above notes as originally issued bore interest at the rate of 5%, and matured, June 1, 1914; an agreement, however, was entered into on May 11, 1914, which had the effect of extending them to June 1, 1915, at 6% interest and with additional collateral. A second Extension Agreement dated April 9, 1915, further extended them to June 1, 1916, with the same collateral and at the same rate of interest, except that, as stated above, extending noteholders were given a cash commission amounting to $\frac{1}{2}\%$. Upon maturity on June 1, 1916, they were again extended with still further collateral to Dec 1, 1916, the holders receiving another commission of $\frac{1}{2}\%$. Again by order of Court, entered Sept 30, 1916, they were extended to June 1, 1917.

RAILROAD LEASED TO MISSOURI PACIFIC RY CO.

BOONVILLE, ST. LOUIS & SOUTHERN RY (Operated under Lease).—Inc. in Nov, 1857, in Mo., as the Osage Valley & Southern Kansas RR. Leased on March 1, 1910, to Missouri Pacific Ry Co. for 99 years from July 1, 1910, at rental sufficient to pay interest on bonds. Line of road: Boonville to Versailles, Mo., 43.77 miles. Gauge, standard.

Proposed Elimination from Missouri Pacific System.—Owing to the fact that the representatives of the holders of the below-described First Mortgage bonds refused to agree to the provision made for these securities in the original plan of reorganization of the Missouri Pacific System, the plan as modified leaves with the Reorganization Managers the option of eliminating the Boonville, St. Louis & Southern Ry from the System—see Modified Plan of Reorganization (Missouri Pacific Ry) on a previous page.

Capital Stock.—Authorized, \$1,000,000; outstanding, \$250,000; par, \$125 All owned by the Missouri Pacific Ry Co.

Bonded Debt.—\$500,000 First Gold 5s; dated Aug 1, 1911; due Aug 1, 1951; int. F & A 1, at Bankers Trust Co., New York. Coupon, \$1,000; principal may be registered. Equitable Trust Co., New York, and Walker Hill, Trustees. Authorized, \$500,000. Subject to call as a whole, but not in part, at 107½ and interest on any interest date on 60 days' notice. Guaranteed unconditionally, principal and interest, by the Missouri Pacific Ry. Proceeds of these bonds were used to take up the \$400,000 First 6s due Aug 1, 1911, and for betterments and improvements. A first lien on entire property of company. Listed on New York Stock Exchange. First publicly offered (\$500,000) in July, 1911, at 101½ and interest. Feb 1, 1916, interest defaulted.

Officers: B. F. Bush, *Pres.*; J. G. Drew, *V-P*; F. W. Ireland, *Sec.*; F. M. Hickman, *Treas.*, St. Louis, Mo. **Directors:** B. F. Bush, E. J. White, F. W. Ireland, J. G. Livengood, E. G. Merriam; J. G. Drew, A. Robertson, F. M. Hickman, St. Louis, Mo.

ST. LOUIS, IRON MOUNTAIN & SOUTHERN RY CO.

(Controlled by The Missouri Pacific Ry Co.)

History.—Incorporated May 16, 1874, in Mo., and June 2, 1874, in Ark.; consolidation and merger of the St. Louis & Iron Mountain RR, the Cairo, Arkansas & Texas RR, the Cairo & Fulton RR and the Arkansas Branch RR. Acquired Iron Mountain & Helena RR, by deed dated Oct 26, 1882, the Doniphan Branch Ry by deed dated March 26, 1883, Jackson Branch RR by deed dated Jan 6, 1885 and Little Rock, Missis-

Mississippi River & Texas Ry by deed dated Apr 1, 1887; the Houston, Central Arkansas & Northern RR was absorbed in 1891, the Camden & Alexandria Ry in 1892, and the Memphis, Helena & Louisiana Ry, the St. Louis Valley Ry and the White River Valley Ry in 1903, and the Little Rock & Fort Smith Ry during fiscal year ended June 30, 1906. During the year ending June 30, 1913, the Marion & Johnston City Ry, Marion & Harrisburg Ry and Johnston City Connecting Ry Cos., the entire capital stock of which was owned by the St. Louis, Iron Mountain & Southern Ry Co., were acquired by deed. The Marianna Branch between Marianna and West Memphis, Ark., 42.9 miles, was placed in operation Feb 1, 1913.

Consolidation of Subsidiaries.—On Feb 2, 1910, stockholders voted affirmatively on a proposition to and did purchase the assets, franchise and property of the under-noted subsidiaries:

Arkansas & Louisiana Ry Co.
Arkansas Midland RR Co.
Arkansas Southwestern Ry Co.
Brinkley, Helena & Indian Bay RR Co.
Coal Belt Ry Co.
Eldorado & Bastrop Ry Co.
Farmerville & Southern RR Co.
Garland Western Ry Co.
Gurdon & Ft. Smith RR.
Gurdon & Ft. Smith Northern Ry Co.
Herrin Ry.
Herrin & Johnston City Ry Co.

Kansas & Arkansas Valley Ry
Little Rock & Monroe Ry Co.
Mississippi River, Hamburg & Western Ry.
Natchez & Western Ry Co.
New Orleans & Northwestern RR Co.
Pine Bluff & Western Ry Co.
Springfield Southwestern Ry Co.
St. Louis, Watkins & Gulf Ry Co.
Wabash Southern Ry Co., and that portion of the Little Rock & Hot Springs Western RR Co. between Benton and Hot Springs, Ark., was also purchased.

Controlled and Leased Companies.—The St. Louis, Iron Mountain & Southern Ry Co. controls through ownership of a majority of the entire capital stock the following named companies: Coal Belt Electric Ry, Fort Smith Suburban Ry, Iron Mountain RR of Memphis, Little Rock Junction Ry, Arkansas Central RR, Natchez & Southern Ry, Natchez & Louisiana Ry Transfer Co., Union Ry Co. (Memphis) and Cairo & Thebes RR. The Baring Cross Bridge Co., Little Rock Junction Ry. and Cairo & Thebes RR. are operated under lease.

Arkansas & Memphis Ry, Bridge & Terminal Co.—Negotiations looking to the construction of a new bridge across the Mississippi River at Memphis led to the formation of a new company during year 1913-14, the Arkansas & Memphis Ry, Bridge & Terminal Co. with authorized capital stock of \$1,000,000 (\$10,200 paid in) and a bonded indebtedness of not more than \$7,500,000. The stock is equally divided between the St. Louis Southwestern Ry Co., the Chicago, Rock Island & Pacific Ry Co. and the St. Louis, Iron Mountain & Southern Ry Co., each of these companies subscribing to an operating agreement extending for 50 years and guaranteeing the principal and interest of the bonds. It is estimated that the economies effected by the new bridge for the Missouri Pacific System will be in excess of \$100,000 a year. Bridge was completed and put in operation July 15, 1916.

Trans-Mississippi Terminal RR.—In 1914 the St. Louis, Iron Mountain & Southern Ry. Co. by acquiring a one-half interest in the \$200,000 capital stock of the Trans-Mississippi Terminal RR Co. and by guaranteeing, together with the Texas & Pacific Ry Co., its bonds to an amount not exceeding \$7,500,000, acquired ample terminal facilities in New Orleans. This together with a 99-year contract entered into with the Texas & Pacific Ry Co. for the use of its tracks between Alexandria and New Orleans secured for the Missouri Pacific System a direct outlet to the Gulf port of New Orleans.

Proposed Readjustment of Capitalization.—See statement of Missouri Pacific Ry.

Receivership—B. F. Bush, President of Company, was appointed Receiver on Aug 19, 1915.—See Missouri Pacific Ry statement.

Foreclosure Suit.—On Oct 8, 1915, suit was brought by Union Trust Co., New York and Benjamin F. Edwards, Trustees, of the mortgage securing the \$200,000,000 First and Refunding Bonds, to foreclose the mortgage.

Sale of Stock Ordered.—On July 25, 1916, the U. S. District Court at New York ordered the sale at foreclosure of \$37,255,000, St. Louis, Iron Mountain & Southern Ry Co. stock pledged as collateral for the Missouri Pacific Ry Co. Gold Loan 4s of 1905.

Foreclosure Sale Ordered.—Foreclosure sale of company was ordered Dec. 21, 1916, by Judge Hook in the U. S. District Court at St. Louis, Mo., the minimum price being fixed at \$23,000,000.

Ely, Receiver, is endeavoring to bring about a reorganization and adaptation of the road to the present needs of the community served. A petition for his removal as Receiver, made July 22, 1916, was not granted.

Foreclosure.—In Jan, 1910, suit was brought by the Pittsburg Trust Co., as Trustee under the mortgage of 1901, to foreclose the mortgage, and on June 14, 1910, a suit was filed for the foreclosure of the mortgage on the partly constructed road from Moriarty to Albuquerque, N. M., 45 miles, and the Hagan coal fields, made by the former Albuquerque Eastern Ry. The New Mexico Central RR was ordered to be sold on July 3, 1914, under foreclosure of the mortgage of 1901, by decree of the District Court for the First Judicial District for Santa Fe County entered on May 6, 1913. After several adjournments the sale of the road has been postponed indefinitely.

Capital Stock.—Authorized and outstanding, \$5,000,000; par, \$100. The Pennsylvania Development Co., at organization of the road subscribed to 42,423 shares of this stock.

Bonded Debt.—\$2,000,000 Santa Fe Central Ry First Gold 5s; dated Dec 1, 1901; due Dec 1, 1941; int. J & D 1, at Pittsburg Trust Co., Pittsburg, Trustee. Coupon, \$1,000; principal may be registered. Authorized, \$2,500,000. Mortgage has been foreclosed.

\$1,200,000 Albuquerque Eastern Ry First 5s; dated Sept 1, 1904; due Sept 1, 1944. Mortgage has been foreclosed.

Receiver's Certificates.—On June 30, 1916, there were outstanding \$50,000 Receiver's Certificates; no further information furnished.

Annual meeting, second Monday in Jan.

General office, Bogalusa, La.

NEW ORLEANS, MOBILE & CHICAGO RR (Joint Control).—Inc. Dec 3, 1909, in Miss., Ala. and Tenn.; successor, under Plan of Reorganization, to the Mobile, Jackson & Kansas City RR Co. and the Gulf & Chicago Ry Co. (see *Manual* for 1907, pages 639 and 640). The properties of the old companies were sold under foreclosure Aug 23, 1909, and transferred to the new company on Dec 1, 1909. It is proposed eventually to extend the system to the Ohio River on the north and to New Orleans on the south. In Nov, 1911, control was acquired jointly by St. Louis & San Francisco RR and Louisville & Nashville RR.

On June 1, 1913, the trackage agreement with the New Orleans & North Eastern RR, whereby the company operated into New Orleans, was abrogated, as the service had proved unremunerative. In place of this there was substituted a traffic agreement which permits the company to continue handling all business offered to or from New Orleans, etc., the former performing the service.

Receivership.—The Federal Court at Mobile, Ala., on Dec 19, 1913, placed the property in the hands of Pres. William F. Owen as receiver on petition by the Metropolitan Trust Co. of New York as Trustee under the First & Refunding Mortgage, the coupons due July 1, 1913, on the outstanding bonds remaining unpaid.

REORGANIZATION PLAN.

Under date of March 24, 1915, the following named Bondholders' Committee presented a plan and agreement for the reorganization of the Company: John W. Platten (Chairman); Samuel S. Campbell, Robert Fleming, A. H. S. Post, Frederick Wm. Scott and T. Nelson Strother, with Chauncey H. Murphey, Secretary, 55 Cedar St., New York, U. S. Mortgage & Trust Co., New York, Depositary, and Mercantile Trust & Deposit Co., Baltimore, Sub-Depositary, and Beekman, Menken & Griscom, Counsel to Committee. In May, 1915, it was announced that over 86% of the First and Refunding Mortgage 5% bonds and a large majority of the unsecured debts, including deficiency judgments thereon, having assented to the plan of reorganization, the committee declared the plan operative. It was subsequently stated that all but \$561,300 of the First and Refunding bonds had been deposited under the plan.

Under the plan it was proposed that a new company be formed by consolidation of three separate companies to be organized respectively in the States of Alabama Mississippi and Tennessee, which would take over the property, having a present mileage of 402.6 miles, and upon the completion of the extension to Jackson, the total mileage will be approximately 442.6 miles.

Voting Trust.—All of the new stock, other than shares to qualify directors, shall be vested for not over five years in John W. Platten, Frederick Wm. Scott, Samuel S. Campbell, Maurice Hely-Hutchinson and A. H. S. Post, as voting trustees.

NEW ORLEANS, TEXAS & MEXICO RY

Incorporated Feb 28, 1916, in La.; successor to the New Orleans, Texas & Mexico RR Co., whose property was sold under foreclosure on Nov 15, 1915, for \$6,000,000. (For plan of reorganization of the latter company, see *Railroad Manual* for 1916, pp. 1172-4). The road was originally incorporated in May, 1905, in La., as the Colorado Southern, New Orleans & Pacific RR, the name being changed to New Orleans, Texas & Mexico RR in April, 1910. The property of the Railroad company was taken over by the present company as of March 1, 1916. The company then acquired in fee all of the lines operating in the State of Louisiana and all of the securities of its subsidiary lines: The St. Louis, Brownsville & Mexico Ry Co., Beaumont, Sour Lake & Western Ry Co. and the Orange & Northwestern RR Co.; also acquired the lease of the Louisiana Southern Ry (see appended statements). Subsequently acquired the entire capital stock and bonds of the New Iberia & Northern RR Co. and the Iberia, St. Mary & Eastern RR Co.

Independent Operation.—The St. Louis & San Francisco RR formerly owned all the stock of the New Orleans, Texas & Mexico RR Co., but this interest was wiped out through foreclosure, and the present company is operated independently.

Settlement with St. Louis & San Francisco RR.—The company was, under the terms of settlement of certain claims against the St. Louis & San Francisco RR Co., upon consummation of the Plan of Reorganization of latter company, to receive approximately the following: \$460,000 cash; \$460,000 6% Income Mortgage bonds, Series "A," and \$586,000 6% Pfd. stock of the new company, which has succeeded the St. Louis & San Francisco RR Co.; \$953,735 First Mortgage 6% bonds and \$70,000 par value capital stock of the San Benito & Rio Grande Valley Ry Co. (see *General Index*).

NEW YORK, NEW HAVEN & HARTFORD RR CO. (THE).

History.—Incorporated Aug 6, 1872, in Conn., Mass., and Rhode Island; consolidation of the Hartford & New Haven RR and the New York & New Haven RR, the former incorporated in Conn. in May 1833, and the latter in Conn., in May, 1844, and in New York, in Jan, 1846. On May 31, 1907, by authority of the stockholders and in accordance with an Act of the State of Connecticut authorizing the same, a merger was effected of the Consolidated Ry Co. (See **Manual** for 1907, page 1144) and the New York, New Haven & Hartford RR Co. under the name of The New York, New Haven & Hartford RR Co. The following companies were subsequently merged, effective upon the dates named, and their outstanding obligations assumed: Torrington & Winchester St. Ry, June 28, 1907; Meriden, Southington & Compounce Tramway Co., June 28, 1907; Village Water Co., of Suffield, Jan 31, 1908; New England RR, April 1, 1908; Stafford Springs St. Ry, June 30, 1908; Farmington St. Ry, Dec 10, 1909; New Haven & Northampton Co., Oct 26, 1910; Berkshire RR Co., Oct 26, 1910; Rhode Island & Mass. RR (in Mass.), Oct 26, 1910; Milford & Woonsocket RR, Dec 19, 1910; Milford, Franklin & Prov. RR, Dec 19, 1910. In Oct, 1909, the New Haven Co. purchased, at foreclosure sale, the property of the Newport & Wickford RR & Steamboat Co., the railway lines being absorbed by the New Haven Co., and the steamboat lines being turned over to the New England Navigation Co. For list of companies merged previous to May 31, 1907, see **Manual** for 1912, page 676.

Leased Lines.—The New York, New Haven & Hartford RR Co. controls, by lease, the following companies: Harlem River & Portchester RR Co., 99 years from Oct 1, 1873; Holyoke & Westfield RR, leased in perpetuity to The New Haven & Northampton Co.; Providence & Worcester RR Co., 99 years from July 1, 1892; Old Colony RR Co. (lessee for 99 years from April 1, 1888, of Boston & Providence RR Corp.; for 95 years and nine months from July 1, 1891, of Providence, Warren & Bristol RR Co., and for 99 years from Dec 1, 1892, of Plymouth & Middleborough RR Co.), 99 years from March 1, 1893; Norwich & Worcester RR Co., leased for 100 years from Feb 1, 1869, to the New England RR Co. A new lease of the Chatham RR was made effective as of Jan 1, 1911, for a term of 81 years and two months. This lease supersedes one originally made to the Old Colony RR Co., Jan 5, 1888, and an amendment thereto dated June 16, 1905, and substitutes a specific rental for one based on gross earnings.

TERMS OF AGREED DISSOLUTION DECREE WITH DEPARTMENT OF JUSTICE OF THE UNITED STATES.

At a meeting of the stockholders on April 21, 1914, the directors were authorized to complete negotiations with the Department of Justice for a peaceful solution of the so-called "New England Railroad Situation," and to arrange for the segregation of the various properties that were under dispute. The Department filed its petition in the District Court of the United States, Southern District of New York, on July 23, 1914, and the company filed its answer on Sept 17, 1914.

An agreed decree was entered Oct 17, 1914, which produced the following results:

First.—The New Haven Company transferred to Frank P. Carpenter of Manchester, N. H.; Henry B. Day of Newton, James L. Doherty of Springfield, Charles P. Hall of Newton and Marcus P. Knowlton of Springfield, all in Mass., as Trustees, 31,065 shares of the Com. stock and 244,939 shares of the Pfd. stock (being all of the Com. and all but 28,000 shares of the Pfd. stock) of the Boston Railroad Holding Co., the latter being the holder of 6,543 shares of the Pfd. and 219,189 shares of the Com. stock (a majority of all outstanding stock) of the Boston & Maine RR, in trust to sell the Boston & Maine shares under the order of the Court.

The Trustees shall hold the shares and exercise all the powers the owners of the shares of the Holding Company are entitled to exercise, excepting the right to sell or dispose of them until otherwise ordered.

No order directing the sale of any of the shares of the Holding Company could be made by the court until after July 1, 1915, unless the New Haven Company in writing consented thereto. If no sale was made before July 1, 1915, the court, on application of any party, and after a hearing at which the Commonwealth of Massachusetts shall

be invited to appear, shall determine when a sale shall be made and fix the terms and conditions thereof.

The Trustees shall also use their best efforts to complete the sale of the shares of the Boston & Maine RR before Jan 1, 1917. By decision of Judge Mayer in the U. S. District Court at New York on Oct 20, 1916, the time for completion of the sale was extended from Jan 1, 1917, to Jan 1, 1918.

Second.—The New Haven Company transfers to the same Trustees the following shares of corporations the railroad lines of which are leased to the Boston & Maine or Maine Central RR Co.:—

922 shares of capital stock of the	Northern RR (of New Hampshire.)
1,015 shares of capital stock of the	Connecticut River RR Co.
63 shares of capital stock of the	Manchester & Lawrence RR.
246 shares of capital stock of the	Hereford Ry Co.
2,469 shares of capital stock of the	Concord & Montreal RR.
184 shares of capital stock of the	Vermont & Massachusetts RR Co.
193 shares of capital stock of the	Lowell & Andover RR Co.
412 shares of capital stock of the	Boston & Lowell RR Corpn.
710 shares of capital stock of the	Pemigewasset Valley RR.
1,464 shares of capital stock of the	Connecticut & Passumpsic Rivers RR Co.
73 shares of capital stock of the	Upper Coos RR.
18 shares of capital stock of the	Concord & Portsmouth RR.
98 shares of capital stock of the	Wilton RR Co.
86 shares of capital stock of the	Peterborough RR.
84 shares of capital stock of the	Nashua & Lowell RR Corpn., and
354 shares of capital stock of the	Massawippi Valley Ry Co.

The Trustees shall hold these shares and exercise all the powers in the management of the corporations which the owners of the shares are entitled to exercise. They shall sell the shares whenever in their judgment such sale or sales can be made to the best advantage, so long as they remain subject to sale and upon such terms as the New Haven Company shall request in writing signed by its President and Chairman of the Board of Directors and approved at a meeting by said Board.

The Trustees shall exercise their best efforts to complete the sale of said shares before Jan 1, 1917.

Third.—The New England Navigation Co. transfers to Lyman B. Brainerd of Hartford, Charles Cheney of South Manchester, George E. Hill of Bridgeport, William W. Hyde of Hartford and Walter C. Noyes of New London, all in Conn., as Trustees, 400,000 shares, being all, of the capital stock of the Connecticut Company. In Nov, 1916, Charles C. Sanford of Bridgeport and Morgan B. Brainerd of Hartford were appointed by the court as successor trustees to Lyman B. Brainerd and George E. Hill, deceased.

The Trustees shall hold these shares and exercise all the powers in the management of the Connecticut Company which the owners of the shares therein are entitled to exercise.

The Trustees shall sell said shares for such prices and upon such terms as shall be named by the New Haven Company and the Navigation Company in a writing signed by their respective President or Chairman of their Boards of Directors and approved at a meeting by their Boards.

The Trustees shall exercise their best efforts to complete the sale of said shares before July 1, 1919.

Fourth.—The New Haven Company transfers to John O. Ames, John P. Farnsworth, Rathbone Gardner, Theodore Francis Green and Charles C. Mumford, all of Providence, Rhode Island, as Trustees, 96,855 shares, being all of the capital stock of The Rhode Island Co., and the New England Navigation Co. transfers to the same Trustees 9,132 shares of the capital stock of the Providence & Danielson Ry Co., bonds of said company to the par value of \$600,000, 7,000 shares of the capital stock of the Sea View RR Co., and bonds of said company to the par value of \$600,000.

The Trustees shall hold said shares and bonds and exercise all the powers in the management of these trolley companies which the owners of shares therein are entitled to exercise.

The Trustees shall sell said shares and bonds at such time or times as shall be named by the New Haven Company in a writing signed by its President or the Chairman of its Board of Directors and approved at a meeting by said Board.

The Trustees shall exercise their best efforts to complete the sale of said shares and bonds before July 1, 1919.

Fifth.—The 53,981 shares of the capital stock of the Berkshire Street Ry Co. and the 6,500 shares of capital stock of the Vermont Company owned by the New Haven Company, shall be sold before July 1, 1919, provided, however such sale shall not be proceeded with until action shall have been taken by the Commonwealth of Massa-

chusetts authorizing a sale of the shares of the Berkshire Street Ry Co., or until the court, on the application of any party, and after a hearing at which the Commonwealth of Massachusetts shall be invited to appear, shall by further order so direct.

Sixth.—The New England Navigation Company shall sell on or before July 1, 1917, the 15,000 shares of Pfd. and 20,000 shares of Com. stock in the Eastern Steamship Corp. and bonds of said corporation to the par value of \$2,500,000 held by it, and pending such sale the New Haven Company and the Navigation Company are enjoined from voting upon the capital stock of said Eastern Steamship Corporation.

Modifications of the dissolution decree were requested by the New Haven so as to permit of a reorganization of the Eastern Steamship Corp. This request having been assented to by the Attorney-General, the modifications were entered and the reorganization is now proceeding. On June 30, 1916, the New Haven through the Navigation Company, owned securities with a book value of \$4,200,000 of the Eastern Steamship Corp., which is in the hands of receivers. Since the close of the fiscal year \$1,000,000 par value of the bonds and 20,000 shares of Com. stock have been sold, an assessment of \$375,000 on 15,000 shares of Pfd. stock has been paid and securities in the reorganized company are to be received as follows: \$1,500,000 5% income bonds and 18,750 shares of Pfd. stock. Under the decree of the Court these securities must be sold by July 1, 1917, but as the conditions for sale of the property have been very adverse an application for an extension of time will be made.

Seventh.—The New Haven Company shall sell on or before July 1, 1919, 5,000 shares of the capital stock of the New York & Stamford Ry Co. and bonds of the said company to the par value of \$678,000; also the rights of the capital stock and other securities of the Westchester Street RR Co. now owned by it, and the Navigation Company shall sell on or before July 1, 1919, the rights to the capital stock and other securities of the Shore Line Electric RR, a corporation of New York, when the same may be issued, and the gold notes of the New England Investment & Security Co., a voluntary association, to the par value of \$13,709,000 now owned by it.

Eighth.—The times within which the sales heretofore ordered shall be made may be extended in each case by the court for good cause shown upon the application of any party or any body of liquidators or Trustees, and if they are not sold by the Trustees 60 days before the last date fixed for the sale, they shall be sold at public auction.

Ninth.—None of the shares or other securities hereinbefore ordered sold shall be offered to the stockholders of the New Haven Company as a class either in proportion to their stockholdings or otherwise, or be sold to the New Haven Company or to any person or persons, corporation or corporations, to be held in its interests, directly or indirectly, or so as to re-establish in any manner the combination and control which it is the purpose of the decree to terminate.

There is now pending before the Interstate Commerce Commission an application of the New Haven Company, under Act of Congress approved Aug 24, 1912, known as the Panama Canal Act, for authority to retain stocks and other securities and continue control of its steamship lines, including The New England Steamship Co. and The Hartford & New York Transportation Co. Similar applications are required by law from all railroad companies having an ownership in steamship lines.

The contract between the New York Central & Hudson River RR Co. and the New Haven Company for sharing in the financial results of the operation of the Boston & Albany RR, has already been canceled and the company has also disposed of its interest in the Merchants' & Miners' Transportation Co.

A summary of the properties covered by the decree, and the book value thereof, including stock, bonds, notes and advances, as shown on the books of the New Haven Company and the Navigation Company is as follows:

Suit on Billard Transactions.—The company and the New England Navigation Co. on Oct 6, 1914, brought suit in the New Haven County Superior Court for an accounting relative to the so-called Billard transaction in connection with the purchase of the Boston & Maine RR stock and the formation of the Boston RR Holding Co. The suit was recommended by a special committee of the directors. Besides former director John L. Billard, the following (all directors of the Billard Co.) were named as defendants: Charles F. Linsley of Meriden, Charles S. Mellen, Samuel Hemingway, Edward D. Robbins (formerly counsel for the New Haven road), Samuel C. Morehouse and Harry V. Whipple, all of New Haven. It was alleged that, as Trustee of the New Haven road, Mr. Billard had received a profit of \$3,824,147 for which he never rendered an accounting. The suit was withdrawn upon the receipt of \$1,250,000 in cash which was applied to reduce company's investment in Boston RR Holding Co.

Bill Amended.—Judge Decourcey in the Supreme Court at Boston, in Sept, 1915, allowed the plaintiffs to amend their bill as requested in suit of Ralph S. Bartlett and others, minority stockholders of Company, against directors for the years 1903 to 1909, seeking to hold them liable for losses alleged to have been suffered in alleged illegal expenditures amounting to \$102,000,000.

Directors' Trial.—The trial of the former directors of the Company on charges of violation of the Sherman anti-trust law began Oct 11, 1915, before Judge Hunt in the Federal Court at New York. The defendants were: William Rockefeller, Lewis Cass Ledyard, D. Newton Barney, Robert W. Taft, A. Heaton Robertson, Edward D. Robbins, James S. Hemingway, Charles F. Brooker, Charles M. Pratt, Henry K. McHarg, Frederick F. Brewster and George MacCulloch Miller. On Jan 9, 1916, the jury returned a split verdict, in which the following six defendants were acquitted: D. Newton Barney, Robt. W. Taft, James S. Hemingway, A. Heaton Robertson, Frederick F. Brewster and Henry K. McHarg. The jury could not agree on the verdict in the cases of the other five directors, namely, William Rockefeller, Charles F. Brooker, Charles M. Pratt, Lewis Cass Ledyard and Edward D. Robbins. The Government has announced that these latter directors will be retried.

Judge Hunt in the Federal Court at New York on Jan 18, 1916 dismissed the Sherman Law indictments against George F. Baker, Alexander Cochrane, Thomas de Witt Cuyler, Theodore N. Vail, Edward Milligan and Francis T. Maxwell, who were granted separate trial from the main defendants, because their part in the alleged conspiracy was minor.

Restitution Suit.—Five stockholders, residents of Massachusetts, owning in the aggregate \$1,000,000 or more of the capital stock, brought suit in the Federal District Court at New York, on Aug 30, 1916, against former officers and directors of the New Haven company for the recovery of \$165,000,000 alleged to have been lost through mismanagement and bad investments between July, 1890, and Dec, 1914. Plaintiffs: Edwin Adams, Julius C. Morse, Geo. C. Fisk, James F. Ray, and Mary M. Clark. Defendants: William Rockefeller, Chas. M. Pratt, Lewis Cass Ledyard, George M. Miller, James S. Elton, Henry K. McHarg, Edward D. Robbins, John L. Billard, Robert W. Taft, Charles S. Mellen and J. Pierpont Morgan, Herbert L. Satterlee, William P. Hamilton and Lewis Cass Ledyard as executors under the will of J. Pierpont Morgan, and Florence A. V. Twombly, as executrix, under the will of Hamilton McK. Twombly and the N. Y., N. H. & H. RR. The answer of the defendants was filed in the Federal District Court, at New York, on Nov 1, 1916. The answer is a general denial of all of the charges.

United Electric Light & Water Co.—In consonance with a policy adopted by the Board of Directors of the New York, New Haven & Hartford RR Co. to confine the activities of that Company to the business of transportation, a sub-lease at a satisfactory rental, of the commercial electric and gas properties leased by the "New Haven" in 1906 from the Connecticut Ry & Lighting Co. was made, effective Oct 1, 1911, to The United Electric Light & Water Co. This sub-lease covers the systems for the distribution of electrical energy, for other than railway purposes, in the towns of Waterbury, Naugatuck, Watertown, Cheshire, New Britain, Newington, Berlin, Plainville, Southington, Norwalk, Wilton, New Caanan and Greenwich; the gas plants and distributing systems in the towns of Norwalk, Greenwich and Naugatuck, and the right to furnish gas and electricity in the town of Weston.

New York, Ontario & Western Ry Co.—In Nov, 1904, the "New Haven" purchased 291,600 shares of the Com. stock and 22 shares of the Pfd. stock of the New York, Ontario & Western Ry Co., constituting in each case a majority of the outstanding stock. In Dec, 1911, negotiations were completed covering the transfer of control to the New York Central & Hudson River RR Co., the latter company at that time filing application with the Public Service Commission, Second District, for permission to

acquire the stock, which application was refused on the grounds that the transfer of bare majority of stock might jeopardize the minority holders; also that the successful continued operation of the property required close attention to and careful study of traffic, operating and financial conditions.

In Aug, 1912, the New York, New Haven & Hartford RR Co. filed a petition with the Public Service Commission, Second District, New York, for permission to acquire the outstanding minority interest in the stock of the New York, Ontario & Western Ry, with a view to merging the property with that of the New York, New Haven & Hartford RR by lease or otherwise as may seem desirable. In Nov, 1913, however, the New Haven withdrew the application.

Steamship Properties.—The New England Navigation Co. (see *Industrial Volume*) was incorporated Jan 1, 1905, and acquired and merged the steamboat lines and properties at that time controlled by the "New Haven" Company, comprising the Fall River Line, Providence Line, Norwich Line, New Haven Line, New Bedford Line, and Bridgeport Line, all operating between New York and the cities named, and other lines plying between Providence, Newport and Block Island, etc.

Early in 1907, The New England Navigation Co. acquired by purchase the entire capital stock of the Boston & Philadelphia Steamship Co., running lines of steamers in connection with the rail lines of the "New Haven" between Boston, Providence and Philadelphia. Negotiations were almost immediately entered into with the Merchants & Miners Transportation Company, reaching the principal ports south from Boston and Providence, resulting in the consolidation of the two companies upon terms which eventuated in the acquisition by the "New Haven" of a half interest in the Merchants & Miners Transportation Co. and the entering into a close traffic relationship with the same, which has been of importance in protecting the "New Haven's" rail line connections and the New England business generally has been promoted by its control in the interest of the "New Haven."

The steamship lines have been since June 1, 1907, operated under a contract with the New England Steamship Co.

It was deemed advisable by the Board of Directors to segregate the New Haven's interests in the water lines hitherto owned and operated by the New England Navigation Co., and accordingly a sale of the physical properties was made to The New England Steamship Co., payment for which has been received in the capital stock and First Mortgage bonds of that company. This action was taken, owing to legislation pending, and passed by Congress, requiring railroads to dispose of all interest in steamship lines with which they can or may compete. It is the New Haven's intention to dissolve the New England Navigation Co. as soon as its various stocks and securities can be disposed of at a reasonable price, or transferred to the New Haven.

For transfer of New England Navigation Co. stock to Trustees, see a preceding page.

Sale of Merchants & Miners Transportation Co.—Because of the attitude of the Federal authorities and the very serious financial condition of the New Haven Co., the securities of the Merchants' & Miners' Transportation Co. were sold in April, 1914. Additional capital was needed to finance the Merchants' & Miners' Transportation Co., which the New Haven Company was unable to furnish. On account of unfavorable conditions the sale resulted in a loss of \$3,594,500.

These securities were held by the New England Navigation Co. and their cost was reflected in the capital stock of that company. The capital stock of the New England Navigation Co. was reduced by 35,945 shares, the New Haven Company's investment in the Navigation Company was reduced a like amount, and the amount of the reduction in value of the New Haven Company's investment in the Navigation Company was charged to the Profit and Loss Account of the New Haven Co.

Electrification of Lines.—The electrification of the New York Division between Stamford and Woodlawn was completed in 1908, and a complete change from steam to electric traction for all passenger service on this section of the system was made effective during the month of June in that year. The electrification of the system of the main line of the Harlem River Branch is completed, and on July 29, 1912, electric passenger service was inaugurated between Stamford and Harlem River.

Extension of Electrification from Stamford to New Haven.—The electrification of main line tracks, the freight yards at South Norwalk and Bridgeport, and the sidings at intermediate points, has been completed and placed in operation, commercial passenger service having been inaugurated on June 22, 1914. The extension of the electric zone to Cedar Hill was completed and put into service in Oct, 1914, where the transfer from steam to electric motive power is now made.

Between New York and New Haven, including all yards and sidings, and the Cedar Hill yard at the latter point the company has 518 miles of track equipped for electrical

operation, excluding that part of the New York Central Company between Woodlawn and Grand Central Terminal used under lease but maintained by that company.

The investment in the electrification between New York and Cedar Hill in power, locomotives, transmission lines, distributing system, electrical shops, when all the business is handled electrically, will be about \$20,000,000.

Cos Cob Power Station.—Power for operation in the New Haven's electrification zone is provided from the company's Cos Cob power station. The capacity of the Cos Cob power station has been increased from 15,000 kilowatts to 35,000 kilowatts, this work having been completed during the year ended June 30, 1914. Steps are now being taken to increase the output at Cos Cob, and contract to purchase power from the New York Edison Co. has been made on such terms as will justify the New Haven Company in deferring the outlay of capital for that purpose. With this additional power the maximum use of the electrical installation can be made with the electric locomotives now owned by the company.

Boston Railroad Holding Co.—The General Court of Massachusetts, at its 1909 session, authorized the incorporation of this company for the sole purpose of acquiring and holding the whole or any part of the capital stocks, bonds and other evidences of indebtedness of the Boston & Maine RR, and of voting on all certificates of stock so acquired and held, and of receiving and collecting dividends and interest upon same. Under this authority, the Boston Railroad Holding Co. entered into contracts for the purchase of the large block of B. & M. RR stock (representing a substantial control) which was formally acquired in the interest of the New Haven Company, which company entered into agreements to purchase all the stock and bonds of the Boston Railroad Holding Co. that will be issued for payment of the same. The result of this transaction was to give the "New Haven" an indirect control of a stock interest in the Boston & Maine RR through the ownership of all the outstanding capital of the Boston Railroad Holding Co. On June 15, 1910, the General Court of the Commonwealth of Massachusetts approved an Act authorizing the issue of preferred stock (without voting power) of Boston Railroad Holding Co. in exchange for its 4% 50-year debentures. As the Pfd. stock was, under the Massachusetts laws, free from taxation in the hands of holders, which the debentures were not, the directors accepted this authority, and the \$20,012,000 debentures owned by the New Haven Company were on Jan 10, 1911, exchanged for 200,120 shares of Pfd. stock; 28,000 of these shares have been sold, and in accordance with the requirement of the Act authorizing the issue, the New Haven Company has endorsed upon the certificates its guaranty of the payment of a cumulative dividend of 4% per annum and of \$100 upon each share of stock in case of liquidation or distribution of Boston Railroad Holding Co. and of any deficiency resulting from its sale. The New Haven Company, as of June 30, 1916, held 31,065 shares of Com. stock (the entire issue), and 244,939 shares of Pfd. stock out of a total of 272,939 shares of the Holding Co. The Boston Railroad Holding Co., on the same date, owned 6,543 Pfd. shares out of a total of 31,498 and 219,189 Com. shares out of a total of 395,050 of the capital stock of the Boston & Maine RR. This stock was transferred to Trustees on Oct 17, 1914, as stated on a preceding page.

Interest in Rutland RR.—The company has purchased from the New York Central \$2,352,050 of that company's holdings of \$4,704,100 Pfd. stock in the Rutland RR. The acquisition of this stock had for its primary purpose an active entrance into the import and export business, through the port of Boston. In Dec, 1911, the "New Haven" applied to the Public Service Commission, Second District, New York, for permission to purchase from the New York Central & Hudson River RR, the remaining half of the majority holding of the \$4,704,100 Pfd. stock at a price not exceeding cost to the N. Y. C. & H. R. RR, including carrying charges; also to purchase additional shares from others as opportunity may offer. The Appellate Division of the Supreme Court on Dec 13, 1912, vacated the temporary injunction granted at the instance of the Rutland RR minority stockholders' committee, restraining the transfer of the New York Central & Hudson River RR Co's stock to the "New Haven."

Agreement with Respect to Boston & Albany RR Co.—Effective July 1, 1911, a ten-year agreement was entered into between the N. Y., N. H. & H. RR Co. and the N. Y. C. & H. R. RR Co. by which the former company on the one hand obtained extensive trackage rights over the Boston & Albany RR and was to assist in building up that Co.'s business, and on the other hand received a half interest in the net pecuniary results to accrue from the operation of the Boston & Albany RR by the New York Central under the lease dated July 1, 1900. The agreement was terminable by either party upon one year's notice.

Agreement Ends.—Because of the demands of the Department of Justice the above agreement was terminated as of Jan 31, 1914. The Company has also withdrawn, so far as it legally may, from the agreement made with the New York Central & Hudson

River RR Co. for the acquisition of a one-half interest in certain equipment provided by the Central Company for use on the Boston & Albany RR under "Boston & Albany Equipment Trust of 1912."

Settlement.—A settlement was made with the New York Central RR Co. as a result of the termination of the Boston & Albany operating agreement and the withdrawal from the agreement for the acquisition of one-half interest in certain trust equipment provided by the New York Central for use on the Boston & Albany RR. After all adjustments were made the net result of the participation in the operations of the Boston & Albany RR for the period July 1, 1911, to Jan 31, 1914, was a loss of \$168,602, which the New Haven Company paid, and the New York Central Company returned the working fund of \$750,000 advanced by the New Haven Company. The participation in the trust equipment account was settled by the New York Central returning to the New Haven Company all payments made on that account aggregating \$668,391.

New York Connecting RR.—The "New Haven" owns jointly with the Pennsylvania RR Co. the entire \$3,000,000 capital stock of this company, which is designed to be the new route for the interchange of traffic between the Pennsylvania and New Haven Systems in lieu of the present passenger and freight transfer service between the Pennsylvania System on the west bank of the Hudson River and the New Haven System at Harlem River and Oak Point. Construction is progressing, and contracts already awarded cover that portion of the road extending from a connection with The New York, New Haven & Hartford RR in the Borough of Bronx, to a connection with the New York Tunnel Extension of the Pennsylvania RR in the Borough of Queens, a distance of 4.64 miles. This section of the road includes the large bridge over the East River; the bridges across Little Hell Gate and the Bronx Kills and the viaducts across Ward's and Randall's Islands. The remaining portion of the railroad consists of the main line between Bowery Bay Road and Fresh Pond Junction, where connection will be made with the Long Island RR in the Borough of Queens, a distance of 4.32 miles. The New York Connecting RR will be operated by the New Haven Company and the results shared by the Pennsylvania and New Haven Systems proportionate to their respective earnings on the freight traffic interchanged.

Pending issue and sale of the securities hereinafter referred to, The New York Connecting RR issued and sold \$7,000,000 of 3-months' 5% notes, maturing Nov 21, 1913, guaranteed principal and interest by The N. Y., N. H. & H. RR Co. and the Pennsylvania RR Co. This enabled the New York Connecting RR Co. to make settlement for funds previously obtained for the acquisition of right of way and the construction of its railroad. The Public Service Commission of New York, First District, having approved on Nov 14, 1913, the application of that Company to make a mortgage to the Guaranty Trust Co. of N. Y. as Trustee, to secure an issue of \$30,000,000 First Mortgage 40-Year 4½% Gold bonds, dated Aug 1, 1913, and due Aug 1, 1953, the Company sold \$16,000,000 of said issue, guaranteed as to principal and interest, by endorsement, jointly and severally, by the N. Y., N. H. & H. RR Co. and the Pennsylvania RR Co. Proceeds of the bonds sold were used to retire the above mentioned \$7,000,000 3-months' notes, and to provide for construction. In May, 1916, \$8,000,000 additional of these bonds were sold, making \$24,000,000 outstanding. Bonds are redeemable as a whole or in part at 105 and interest on and after Aug 1, 1918, on 90 days' notice.

Central New England Ry.—The New York, New Haven & Hartford RR Co., on account of its large financial interest in the securities of the Central New England Ry Co. advanced to that Co. the necessary funds to enable it to call for redemption the 5% bonds secured by the First Mortgage upon its property dated Jan 23, 1899, and gave its assent to an application by the Central New England Ry Co. to the Public Service Commission of New York, Second District, for authority to make a new first mortgage bearing 4% interest to repay this advance, and to refund its floating debt and underlying mortgage and other bonds. The authority was granted and a new first mortgage made dated Jan 1, 1911, and bonds thereunder to the amount of \$11,967,000 issued, of which \$11,927,000 passed into the treasury of the New Haven Co. in exchange for the various forms of indebtedness of the Central New England Ry Co. held by the New Haven Co. The effect of this substitution of a single issue of new first mortgage bonds bearing 4% interest for various kinds of bonds bearing higher rates of interest was to save the Central New England Co. a considerable yearly interest charge, and to give the "New Haven" Co. a bond more readily marketable than the forms of indebtedness previously held. The \$13,427,000 outstanding bonds are guaranteed, principal and interest, by the "New Haven" Co.

During the fiscal year 1910-11, the "New Haven" Co. acquired control of the Hartford & Connecticut Western RR Co. from Central New England Ry, but the property is still operated by the latter Company under lease.

New York, Westchester & Boston Ry.—An investment amounting to \$10,955,000 was made during the year ended June 30, 1907, in **The Millbrook Company**, representing the entire capital stock and indebtedness of the New York & Port Chester RR, the City & County Contract Co. (the company having the contract for the construction of the New York, Westchester & Boston RR), and the control, represented by a large majority of the stock, bonds, notes and the underwriting subscriptions of the New York, Westchester & Boston RR Co. The Public Service Commission, Second District, N. Y., in Dec, 1909, granted the application of the New York, Westchester & Boston RR, and the New York & Port Chester RR, to consolidate their properties and franchises under the title of New York, Westchester & Boston Ry, the capital stock not to exceed \$5,000,000. The New Haven Co. now owns \$4,924,937.50 of the capital stock of this company.

By authority of the Public Service Commission of New York, Second District, the New York, Westchester & Boston Ry Co. cancelled its old mortgage and created a new mortgage dated July 1, 1911, maturing July 1, 1946, under which the total amount of bonds which can be outstanding at any time shall not exceed \$60,000,000; but no bonds can be issued in excess of the \$21,390,000 at present issued, except against additional construction, betterments or improvements to the property of the railroad. This entire issue of \$21,390,000 was delivered to the New Haven Co. and that Co. has endorsed its guaranty of principal and interest on \$19,200,000 of the bonds, the remaining \$2,190,000 being held in the treasury of the New Haven Co.

The lines of the New York, Westchester & Boston Ry extend from the Harlem River about Willis Avenue, New York City, through the Borough of The Bronx and Westchester County to Mount Vernon, where the line diverges, one line extending north through Eastchester, New Rochelle, Scarsdale and White Plains; and the other line extending to the east through North Pelham, New Rochelle, Larchmont, Mamaroneck and Rye to the Connecticut state line at Port Chester. From the Harlem River to 174th Street, New York, the railroad is operated over the tracks of the Harlem River & Port Chester RR, under a contract granting perpetual rights to the New York, Westchester & Boston Ry. The total mileage operated is 21.75 miles.

Grand Central Terminal Improvements.—The reconstruction and improvements of the Grand Central Terminal in New York by the New York Central & Hudson River RR Co. (now New York Central RR Co.) were completed and the new station was opened Feb 2, 1913. The "New Haven" Co. participates in the interest on the cost of these expenditures proportionate to its use of the Terminal, measured by the relative number of cars entering the Terminal. As the railroad use of the approaches to the Terminal is confined to the space below the street level the "New Haven" Co. has joined with the New York Central & Hudson River RR Co. (now New York Central RR Co.) in the utilization of the aerial rights of the adjacent surplus real estate by the construction of buildings for commercial purposes under such terms of use as not only returned a good rate of interest on the investment, but also reduced the expense of operating and maintaining the Terminal. It is the expectation to eventually finance the necessary expenditures by means of a separate Company whose capital stock shall be owned equally by the "New Haven" Co. and the "New York Central" Co., and whose obligations shall be guaranteed jointly by the two companies.

To utilize the real estate and "aerial rights" adjacent to the Grand Central Terminal, the following buildings have been constructed: Biltmore Hotel, Merchants' and Manufacturers' Exchange, Adams Express Company, the United Cigar Stores, Yale Club and Todd Bldg. The New Haven Company being a joint user of the Terminal and its approaching tracks joined with the New York Central in advancing money for the development of the property not required for railroad use.

All of the advances made yield a satisfactory interest rate and the lessees of the buildings pay ground rents and taxes, which reduce the expenses of the Grand Central Terminal, and in addition the lessees pay annual sinking fund payments, which, together with accretions to the fund, will in about twenty-seven years return to the owning Companies the sums advanced.

Boston & Providence RR Corp.—As the lease of the Boston & Providence RR Corp. to the Old Colony RR Co. made no provision for the payment by the lessor for improvements to its property, the cost of the work contemplated would fall upon the "New Haven" Co. as lessee of the Old Colony, unless other provision could be made for furnishing the necessary funds. The property to be improved being held by lease and not controlled through stock ownership, the Board of the "New Haven" Co. did not feel that it should increase the direct obligations of the "New Haven" Co. for such purpose. As a result of negotiations an agreement has been reached whereby

the Boston & Providence RR Corp. is to mortgage its railroad, franchises and property to secure an issue of 4% 75-year bonds to the aggregate amount of \$8,000,000, and the New York, New Haven & Hartford RR Co. is to endorse its guaranty on said bonds. None of these bonds had been issued to June 30, 1916.

Validation Act.—The Massachusetts House on May 27, 1915, passed the so-called validation measure which validates the securities of the company, as of May 15, 1915. The directors, on July 13, 1915, formally voted to accept this act under which one individual cannot be a director in more than one steam railroad corporation operating in the State of Mass.

New Legislation.—To place the company in a better position legally to finance itself the charter of the company and the laws of Connecticut, Massachusetts and Rhode Island were, at the request of the company, so amended that with the authority of the stockholders and the Public Service Commissions, the company can mortgage its property or issue Pfd. stock or do both.

Valuation.—During the year ended June 30, 1916, the forces of the Interstate Commerce Commission have continued the work of valuation of the property of the company, under the Act of Congress passed Mar 1, 1913. The date of valuation of the property of the company and its leased lines was fixed as of June 30, 1915, and that of the Central New England Ry as of June 30, 1916, but the Government will not begin work on the latter until the spring of 1917. A valuation department was organized in Dec, 1913, and \$301,784 had been expended to June 30, 1916. About 145 employees are now engaged in the work, and it is expected that the entire cost will equal, if not exceed, \$500,000. No report about valuation is expected from the Government until after Jan 1, 1918.

Annual meeting, third Tuesday in Dec.

General office, New Haven, Conn.

NEW YORK, ONTARIO & WESTERN RAILWAY CO.

History.—Incorporated Jan 21, 1880, in New York; successor to the New York & Oswego Midland RR. The line of road operated extends from Weehawken, N. J., to Oswego, on Lake Ontario, with branches to the Pennsylvania coal fields, etc. The tracks of the West Shore RR., from Weehawken, N. J., to Cornwall, N. Y., 53 miles, are used under an agreement extending to May, 2089, with option of termination by this company after May, 1980. Each company pays its proportionate share of maintenance on the basis of car mileage, together with its proportion of interest at 4% on \$2,000,000, plus the cost of necessary improvements made since 1885.

The New York, Ontario & Western Ry Co. owns the entire capital stock of, and operates under lease, the following companies: Ellenville & Kingston RR; Port Jervis, Monticello & Summitville RR; Ontario, Carbondale & Scranton Ry; Wharton Valley Ry, and Pecksport Connecting Ry. It also operates, under lease, the Utica, Clinton & Binghamton RR and Rome & Clinton RR. (*See statements appended for leased lines.*)

The Co. also controls the Scranton Coal Co. and the Elk Hill Coal & Iron Co., together having a maximum capacity of about 2,000,000 tons per annum.

Control.—In Oct, 1904, the New York, New Haven & Hartford RR Co. acquired a majority (\$29,160,000) of the Com. stock of company at \$45 per share. In Dec, 1911, the New York Central & Hudson River RR applied to the Public Service Commission, Second District, New York, for permission to acquire this stock, but the application was refused, on the grounds that the transfer of bare majority of stock might jeopardize the minority holders; also that the successful continued operation of the property required close attention to and careful study of traffic, operating and financial conditions. In Aug, 1912, the New York, New Haven & Hartford RR Co. applied to the Public Service Commission, Second District, New York, for permission to purchase the minority stock of the New York, Ontario & Western Ry Co., but in Nov, 1913, withdrew the application.

NORFOLK & WESTERN RAILWAY COMPANY

(See Accompanying Map)

History.—Incorporated Sept 24, 1896, in Va.; successor, under plan of reorganization dated March 12, 1896, to the N. & W. RR Co., whose property was sold under foreclosure. The entire capital stock, except directors' qualifying shares, of the Cincinnati, Portsmouth & Virginia RR Co., was acquired in Jan, 1901, and the operation of that property was assumed as of July 1, 1901. The property of the Columbus Terminal & Transfer RR Co. at Columbus, O., was purchased on May 19, 1905, and during the year 1905-6, the property and franchises of the Jaeger & Southern Ry Co. were formally conveyed to the N. & W. Ry Co. In 1909, the properties of the Caretta Ry and West Virginia Southwestern Ry were conveyed to this company; on April 7, 1910, the properties of the Lynchburg Belt Line & Connecting Ry were absorbed, as were the properties of the Blackstone & Lunenburg RR, on April 25, and the Pocahontas & Western RR, on April 29, of same year. The railroad, property and franchises of the Big Stony Ry were conveyed to Norfolk & Western Ry Co. Dec 9, 1910. By deed dated Dec 16, 1913, the Columbus Connecting & Terminal RR Co. conveyed its railroad, property and franchises to the Norfolk & Western Ry Co.

MOODY MANUAL CO., NEW YORK

The property of the Virginia Anthracite Coal & Ry Co. was purchased at foreclosure sale, Aug 29, 1911, and since Jan 1, 1912, has been operated as the Blacksburg Branch.

The system as now constituted, extends from Norfolk, Va., to Columbus and Cincinnati, O., with lines to Hagerstown, Md., Winston-Salem and Durham, N. C., and Bristol and Norton, Va., with various branches to the coal fields of Virginia and West Virginia.

The entire capital stock of the Pocahontas Coal & Coke Co. (except qualifying shares owned by directors) is owned by the Norfolk & Western Ry Co., and its bonds are jointly assumed, but as between the two companies the debt is to be paid by the Pocahontas Coal & Coke Co. (See appended statement).

Tug River & Kentucky RR.—This company was organized Jan 12, 1914, in Ky., to construct a railroad about 17 miles in length in Pike County, Ky., and Mingo County, W. Va., to reach important coal deposits. The capital stock of the company is \$50,000, of which all but \$2,100, directors' stock, is owned by the Norfolk & Western Ry. (See appended statement).

New River, Holston & Western RR.—As part of the general plan for acquiring a controlling interest in the Virginia-Carolina Ry Co., the Directors of the Norfolk & Western Ry authorized the purchase of outstanding capital obligations of the New River, Holston & Western RR Co. The transaction was consummated in Dec, 1912, and the company thereby acquired for the sum of \$206,000 all the said outstanding obligations, to wit: \$51,000 capital stock, \$50,000 First Mortgage bonds and about \$292,000 of notes. Of the capital stock \$25,000 (approximately 49%) was sold to the holders of a similar minority interest in the capital stock of the Virginia-Carolina Ry Co. for the sum of \$20,000, but this minority interest was repurchased in May, 1916, the Norfolk & Western Ry Co., now owning the entire \$51,000 capital stock, except \$350 held by directors.

This line connects with the Norfolk & Western Ry main line at Mile Post 333.90, near Narrows, Giles County, Va., and runs southwestwardly to Suitars, Bland County, Va., a distance of 34.59 miles. This line gives access to large bodies of timber, the development of which is proceeding.

Winston-Salem Southbound Ry.—The N. & W. Ry Co. owns a half interest in the 1,250 shares of this company, the other half being owned by the Atlantic Coast Line RR Co. The stock is deposited with the United States Trust Co. of New York, Trustee, under the terms of a trust agreement dated July 20, 1909, for the purpose of securing impartial management of the railway as between the said companies. The road is in operation from a connection with the N. & W. Ry lines at Winston-Salem, N. C., to a connection with the Atlantic Coast Line RR at or near Wadesboro, N. C., a distance of about 89 miles. An issue of \$5,000,000 First Mortgage 50-Year 4% Gold bonds, dated July 1, 1910, is outstanding; the payment of the principal and interest being guaranteed by the two proprietary companies, jointly and severally (for statement of this company, see *General Index*).

Norfolk Terminal Ry.—This company was organized Feb 4, 1910, to construct a passenger terminal at Norfolk, Va., for the passenger traffic of the Norfolk & Western Ry Co., Virginian Ry Co. and the Norfolk Southern RR Co., which each subscribed for \$25,000 of capital stock, and have deposited same with the Guaranty Trust Co., New York, Trustee, under the terms of a trust agreement dated May 20, 1911, for the purpose of securing impartial operation of the terminal facilities in the interest of the said three companies. A mortgage has been executed by the Norfolk Terminal Ry Co. to secure an aggregate of \$2,000,000 of 50-year 4% gold bonds bearing the endorsed guarantee of this Company and the Virginian Ry Co. Of these bonds \$1,000,000 have been issued to provide for the construction of the Terminal, the remaining \$1,000,000 being reserved for enlargements, betterments and extensions of the properties covered.

Williamson & Pond Creek RR.—The Norfolk & Western Ry owns \$47,900 of the \$50,000 stock of this company, incorporated May 14, 1912, in Ky., to construct a railroad about 12 miles in length, to reach the coal properties of the Pond Creek Coal Co. in Pike County, Ky. (See statement appended).

Virginia-Carolina Ry.—The Norfolk & Western Ry Co. acquired 51% of the capital stock of this company in 1912, and the remaining stock in June, 1916, now owning the entire \$500,000 capital stock, except \$700 held by directors; it also owns the entire \$180,000 outstanding First Mortgage bonds. (See statement appended).

Winston-Salem Union Station Co.—To provide adequate passenger station facilities at Winston-Salem, N. C., an arrangement for the construction of a union passenger station at that point has been entered into with the Southern Ry Co. and the Winston-Salem Southbound Ry Co., pursuant to which the Winston-Salem Union Station Co. was incorporated on Dec 16, 1915, in North Carolina. The Norfolk & Western Ry Co. subscribed for \$29,400 of the \$30,000 stock of this company, which it will hold until the station is completed, when a sale of \$9,800 stock each will be made to the Southern Ry Co. and the Winston-Salem Southbound Ry Co.; \$600 stock is held by directors. A mortgage has been executed by the Winston-Salem Union Station Co. to secure an issue of \$250,000 50-year 5% Gold bonds guaranteed by Norfolk & Western Ry Co., the Southern Ry Co. and the Winston-Salem Southbound Ry Co., and these bonds have been sold to provide for the construction of the union station. It is expected that the station building will be ready for use in the latter part of 1917. An operating agreement between the Winston-Salem Union Station Co., the Norfolk & Western Ry Co., the Southern Ry Co. and the Winston-Salem Southbound Ry Co. obligates these three companies to use the station facilities of the Winston-Salem Union Station Co. for their passenger train business to and from Winston-Salem, and makes them severally responsible for the payment of all sums required to meet, at the respective due dates, all taxes, all instalments of interest on the Winston-Salem Union Station Co.'s First Mortgage bonds and the principal of said bonds.

Electrification.—The electrification of the line between Bluefield and Vivian, W. Va., a distance of 29.35 miles, was completed during year ended June 30, 1916, and 4.52 miles additional are under construction. Twelve electric locomotives are used in operating trains over the electric line. The cost of the electrification to June 30, 1916, was \$3,-443,131.

Trackage Agreement.—Under authority of the directors, an agreement dated July 21, 1915, was executed granting to the Chesapeake & Ohio Northern Ry Co. trackage rights over 61.86 miles, between Waverly and Valley Crossing, Ohio. The agreement runs for five years and may then or thereafter be terminated by two years' notice by either party. The Chesapeake & Ohio Northern Ry will be a connecting line between the Chesapeake & Ohio Ry, at or near Edgington, Ky., and the Hocking Valley Ry, at Valley Crossing, Ohio. It is expected that the line from Edgington and Waverly, now under construction, will be completed during the fall of 1916, when the trackage contract with the Norfolk & Western Ry Co. will become effective.

Betterments.—From commencement of operations, Oct 1, 1896, to June 30, 1916, Company has expended for acquiring or constructing railroad lines, branches and extensions, second track, sidings, yards and equipment, grade revision and changes of line and other additions and improvements and for advances to subsidiary companies for construction purposes, the sum of \$146,496,752, obtained as follows: From sales of capital obligations, \$90,862,015; from income, \$55,634,737.

RETURN UPON INVESTMENT.

The following table shows for the last nine years the percentage ratio of the Norfolk & Western Ry Co.'s net operating income to the cost of its investment in road and equipment and miscellaneous physical property, including in the said cost expenditures for additions and betterments charged directly to income or to reserves created from income before July 1, 1907, from which date the accounting classifications of the Interstate Commerce Commission have required all similar expenditures to be charged to property investment accounts. The "net operating income" upon which the percentages are based is the yearly net income before deducting or adding interest on funded debt and dividends paid, dividends and interest received, and premiums or discounts upon sales of the Company's capital obligations.

The table also shows for each year of the same period the aggregate amount of interest on funded debt and dividends paid to bond and stock holders and the percentage ratio of such payments to the total par value of the company's capital stock and bond issues outstanding, not including those held in the Company's treasury.

POCAHONTAS COAL & COKE CO. (Controlled by Stock Ownership.)—Inc. Oct 11, and Dec 31, 1901, in N. J., with authority to purchase, lease or otherwise acquire coal lands and rights in Virginia, West Virginia and other places. Owns lands and interests in coal lands in several counties of Virginia and West Virginia, aggregating about 290,000 acres; comprising the larger part of what is known as the Pocahontas Coal Field. Company does not itself mine or sell coal and coke, but makes leases on

royalties to operating companies. About 166,000 acres of its lands and rights are under lease to operating companies.

Capital Stock.—Authorized and issued, \$1,000,000; par, \$100. All owned by the Norfolk & Western Ry Co., except qualifying shares owned by directors.

Bonded Debt.—\$17,407,000 Norfolk & Western-Pocahontas Joint Gold 4s; dated Dec 2, 1901; due Dec 1, 1941; int. J & D 1, at Bankers Trust Co., New York, Registrar. Coupon (principal may be registered), and registered, \$1,000. Girard Trust Co., Philadelphia, Trustee. Authorized and issued, \$20,000,000, of which \$2,593,000 had been retired to June 30, 1916. An annual sinking fund of 2½ cents per ton of coal mined began Jan 1, 1906, and is applicable to the purchase of bonds at or under 105 and interest, drawings to be made if bonds are not voluntarily presented for redemption. From the beginning of the operation of the sinking fund in 1906, to June 30, 1916, there had been received from royalties on coal mined the sum of \$2,206,576, and from sales of lands the sum of \$134,716 a total of \$2,341,292, by means of which there have been purchased and retired \$2,593,000 bonds, reducing the outstanding bonds to \$17,407,000 and leaving a cash balance of \$101 in the sinking fund. Secured by a purchase money lien on the entire property of the company at the date of mortgage. The bonds are a joint obligation of the N. & W. Ry Co. and the Pocahontas Coal & Coke Co., but as between the two companies are to be paid by the latter. Listed on New York Stock Exchange. Interest paid without deduction for Normal Income Tax.

NORFOLK SOUTHERN RAILROAD COMPANY

History.—Incorporated May 2, 1910, in Va., with a perpetual charter; successor under Plan of Reorganization, to the Norfolk & Southern Ry Co. (see **Manual** for 1906, page 692). The property was sold to the reorganization committee and was turned over to the Norfolk Southern RR Co. on May 3, 1910. The company acquired, in addition to the railroad hereinafter described, the absolute control of the John L. Roper Lumber Co. (See statement appended.) For plan of reorganization see **Manual** for 1910, page 759.

The company operates, under a lease for a term expiring Jan 1, 1996, the main line of railroad, property and franchises of the Atlantic & North Carolina RR Co., from Goldsboro to Morehead City, N. C., 95 miles, at a yearly rental equivalent to the taxes, interest on \$325,000 First 6s, and an amount varying from \$53,916 at the outset to \$107,332 for the last years of the period.

On June 1, 1912, the Norfolk Southern RR commenced operation of its trains into the new Union Station in Norfolk, Va., used jointly with the Virginian Ry and the Norfolk & Western Ry.

Raleigh, Charlotte & Southern Ry.—The Norfolk Southern RR owned the entire capital stock of this Company, which in Feb, 1912, absorbed the Raleigh & Southport Ry, Sanford & Troy RR, Durham & Charlotte RR, and Aberdeen & Asheboro RR. 22.6 miles of new line of the R., C. & S. Ry between Varina and Colon, N. C., were opened for traffic July 1, 1913. The extension of the line from Mt. Gilead to Charlotte, a distance of 51.77 miles, was completed and put in operation on Dec 1, 1913. Previous to Jan 1, 1914, all the new mileage was operated as a part of the Raleigh, Charlotte & Southern Ry Co. On that date the Norfolk Southern RR absorbed the Raleigh, Charlotte & Southern Ry (see RR Manual for 1914, page 805) and assumed the operation of its 291.88 miles of road.

Beaufort Terminal Ry.—This company was incorporated in N. C. in March, 1913, with \$5,000,000 authorized capital stock, to build a line from Beaufort, N. C., on Norfolk Southern RR present line, to Cape Lookout. The stock will be all owned by Norfolk Southern RR.

Electric Lines Segregated.—On July 1, 1912, the operation of the electric lines of the Norfolk Southern RR, extending from Norfolk to Cape Henry and Virginia Beach, Va., a distance of approximately 46 miles, was separated from that of the steam lines.

NORTHERN PACIFIC RAILWAY CO.

(See Accompanying Map)

History.—Incorporated in July, 1896, in Wis.; successor under plan of reorganization, to the franchises, properties, land grants and other assets of the Northern Pacific RR Co., a corporation chartered under Act of Congress, approved July 2, 1864. The St. Paul & Duluth RR, 238 miles, St. Paul to Duluth, and branches, was absorbed on July 1, 1900, and its bonds assumed. The Bellingham Bay & Eastern Ry and the Washington Ry & Navigation Co. were absorbed in 1903, and the Monte Cristo Ry and Seattle & San Francisco Ry & Navigation Co. in 1904. On July 1, 1907, the property of the Washington & Columbia River RR Co. (see **Manual** for 1908, page 621) was acquired by purchase. On June 24, 1914, the property of the North Yakima & Valley Ry (see **RR Manual** for 1914, page 820) was conveyed to the company and on June 29, 1914, that of the Washington Central Ry Co. (see **RR Manual** for 1914, page 819). The Southern Division of the Port Townsend Southern RR from Olympia to Tenino, Wash., 15 miles, was acquired by the company June 25, 1914, and the Northern Division from Port Townsend to Quilcene, Wash., 26.4 miles, was leased for 15 years to another company. The property of the Big Fork & International Falls Ry (see **RR Manual** for 1914, page 819) was conveyed to the Northern Pacific Ry Co. by deed dated June 18, 1914. In Jan, 1916, the Northern Pacific Ry Co. purchased the property of the Cayuna Northern Ry Co., including 11.5 miles of road, for \$258,597.

The "Manitoba" lines of the company, 355 miles, are leased to the Manitoba Government for 999 years from May 31, 1901, at an annual rental of \$210,000 for the first 10 years, \$225,000 for the second 10 years, \$275,000 for the third 10 years, and \$300,000 per annum thereafter, the lessee having the right to purchase the lines at any time for \$7,000,000. These lines are now operated, under sub-lease from the Government of Manitoba by the Canadian Northern Ry Co.

AND ITS SUBSIDIARY LINES
(Owned by Northern Pacific and Great Northern)
NORTHERN PACIFIC RAILWAY SYSTEM
CHICAGO, PORTLAND & SEATTLE RAILWAY
AND ITS SUBSIDIARY LINES
(Owned by Northern Pacific and Great Northern)

The Northern Pacific Ry Co. owns directly 70% of the capital stock of the Minnesota & International Ry Co., the latter, in turn, controlling the Big Fork & Northern Ry Co. These companies are operated as separate organizations, and statements for same will be found on subsequent pages:

Midland Ry of Manitoba.—This company, the securities of which are owned jointly by the Great Northern and Northern Pacific Ry companies, owns valuable real estate and terminal property in Winnipeg, Man.

Vancouver Terminal.—The Great Northern and Northern Pacific companies are developing terminal property at Vancouver, B. C., which has been purchased during the past few years in the interest of both companies. When plans and construction are completed the two companies will own jointly a first-class terminal for both passenger and freight business at this point.

Control of Burlington.—The Northern Pacific and Great Northern Ry companies own jointly \$107,613,500 (of which \$107,611,000 acquired in 1901) of the \$110,839,100 stock of the Chicago, Burlington & Quincy RR Co., and have issued in exchange therefor their joint 20-year 4% Collateral Gold Bonds secured by pledge of the stock in trust.

Camas Prairie Ry Co.—This company was organized to maintain and operate the railroad owned partly by the Northern Pacific Ry Co. and partly by the Union Pacific RR Co. between Grangeville, Ida., and Riparia (Lewiston Jct.), Wash., via Lewiston, 148.8 miles. At Lewiston Junc. connection is made with the Portland line of the Oregon-Wash. RR & Navigation Co. and with the Snake River line of the Northern Pacific to Snake River Junc. and the Spokane, Portland & Seattle Ry to Pasco, forming a line of communication between the Camas Prairie, Lewiston, the Clearwater Valley, the Yakima Valley, Puget Sound and Portland. The new company has operated the road since Dec 1, 1909. The earnings on through business are retained by the owning company handling the same; the earnings on local business are applied to the maintenance and operation of the joint lines.

Spokane, Portland & Seattle Ry Co.—This company, incorporated Aug 22, 1905, in Wash., has outstanding \$40,000,000 capital stock owned equally by the Northern Pacific and the Great Northern Railway companies, and has in operation a line from Portland, Ore., to Spokane, Wash., with a branch to Texas Ferry, Wash., where connection is made with the line owned jointly by the Northern Pacific and the Union Pacific companies. See *General Index* for statement of Spokane, Portland & Seattle Ry.

Northwestern Improvement Co.—This company was organized in 1897 to take over certain outside properties of Northern Pacific Ry Co. and subsequently acquired the lands of the St. Paul & Duluth RR, and has at intervals purchased other real estate. It also holds control of the Port Townsend Southern RR, Southern Division. The company owns 1,250,000 acres of land and a number of very productive coal mines, all of which have a potential value, and considerable iron ore. These properties are located in Montana and Washington adjacent to the lines of the Northern Pacific Ry, which company owns all the \$6,775,000 capital stock and \$7,000,000 bonds of the Northwestern Improvement Co. On Dec 3, 1908, the Northwestern Improvement Co., from its accumulated surplus, paid directly to the stockholders of Northern Pacific Ry Co., a dividend equivalent to 11.26% on the stock of the latter company.

(5) **\$20,000,000 Refunding & Improvement Gold 4½s, Series "A"**; dated July 1, 1914; due July 1, 1947; int. J & J 1, in New York. Coupon (principal may be registered), \$1,000; and registered, \$1,000, \$5,000 and \$10,000; interchangeable. Guaranty Trust Co., New York, and William S. Tod, Trustees. Authorized amount is limited so that the amount at any one time outstanding, together with all outstanding prior debt after deducting therefrom the amount of all bonds reserved to retire such debt, shall never exceed three times the capital stock outstanding. Issuable in series, bearing such interest rates as the directors may determine. Bonds may also at the discretion of the directors be made payable principal and interest in London or Paris in local currency at certain fixed rates of exchange. Bonds to the extent of \$305,095,000 are reserved under this mortgage to retire all underlying bonds (including \$1,853,000 Washington Central Ry bonds), none of which may hereafter be increased beyond the amount now outstanding (except that \$1,000,000 additional Prior Lien 4s may be issued under the provisions of that mortgage) and none of which may be extended (with the exception of the Northern Pacific-Great Northern Collateral Joint 4s, which may be extended to 1961). Further bonds may also be issued under this indenture for a face amount equal to the cost of additional property and betterments, with the provision that after \$500,000,000 is outstanding, they may only be issued to the extent of 80% of the cost of such additional property and betterments; all additional property and betterments and also any securities acquired by the issue of these bonds to be subject to the lien of this indenture. The \$20,000,000 shown above as outstanding were issued to retire the \$10,000,000 1-Year 6% notes which matured July 9, 1914, and to reimburse Company for capital expenditures already made. Subject to call as a complete series at such redemption rates as the Board of Directors may determine; Series "A" bonds being subject to call at 110 and interest on July 1, 1919, or on any interest date thereafter, on three months' notice.

Security.—A lien on 6,332.18 miles of road, of which 2,893.42 is main line and 3,438.76 miles branches; of this mileage the bonds are a first lien on 646.66 miles, and a lien subject to prior liens, provision for which is made in this mortgage on the balance. The

mortgage covers the Company's terminal properties in Minneapolis, St. Paul, Duluth, Superior, Portland, Tacoma, Seattle and elsewhere, and also all of the Company's equipment, none of which is covered by special equipment obligations. Also a lien on certain railway and terminal stocks owned by the Company, including one-half of the stock of the Spokane, Portland & Seattle Ry Co., which alone represents an investment of \$20,000,000. Of the underlying mortgage bonds \$2,000,000 mature in 1917, after which there are no further maturities until 1923. First publicly offered (\$20,000,000) in July, 1914, at 97 and interest, to yield about 4.64%. Normal Income Tax deducted from interest.

PACIFIC GREAT EASTERN RY (Independent).—Inc. Feb 27, 1912, in B. C., to build a line from Vancouver, B. C., to junction with Grand Trunk Pacific Ry, at or near Fort George, B. C., about 480 miles. In March, 1914, the company was authorized to extend its line from Fort George northeasterly to the eastern boundary of the province into the Peace River County, 330 miles. On Dec 31, 1916, 180 miles had been completed, which were being used for construction purposes only. Letters patent have been issued to the Pacific Great Eastern Development Co., Ltd., with \$250,000 (nominal) capital stock, by the Provincial Government of British Columbia, to act as a subsidiary of the railway. The powers conferred include the right to operate hotels and electric railways, develop water powers and conduct a general land and real estate business. It will be vested with land at Squamish and other towns along the proposed line acquired for other than railway purposes.

Government Assistance.—In 1912, the Province of British Columbia guaranteed securities to the extent of \$35,000 per mile for 450 miles of line; in 1914 this guarantee was extended over the entire mileage of 480 miles, and additional securities to the extent of \$7,000 per mile were guaranteed, making a total of \$42,000 per mile for 480 miles of railway, amounting to \$20,160,000 (£4,142,522). Of these securities, \$14,234,805 (£2,925,000) were sold and the balance \$5,925,195 (£1,217,522) pledged to secure a loan of \$4,800,000.

Capital Stock.—Authorized, \$40,000,000; outstanding, \$25,000,000; par, \$100. Secretary of Company acts as Transfer Agent and Registrar. No dividends paid.

Bonded Debt.—Total, \$20,160,000, of which \$16,800,000 is First Mortgage 4½% Guaranteed Debenture Stock, and \$3,360,000 Second Charge 4½% Guaranteed Debenture Stock; due July 15, 1942; int. J & J 15, at Brown, Shipley & Co., London, Eng., or at Co.'s office, Victoria, B. C. The Northern Trusts Co., Winnipeg, Man., Trustee. Authorized and issued, \$20,160,000, of which \$14,234,805 is outstanding and \$5,925,195 is pledged to secure the bank loan mentioned below. Stock transferable in multiples of £1, at office of Brown, Shipley & Co., London, Eng., and at Company's office, Victoria, B. C. Guaranteed, principal and interest, by Province of British Columbia. A first and second lien respectively on entire property. In Jan, 1914, \$7,500,000 (£1,500,000) of this 4½% Debenture stock was offered in London at 95. Listed on London Stock Exchange.

Interest Paid by Province.—The interest on the above bonds due Jan 15 and July 15, 1916 and Jan 15, 1917, was paid by the Province of British Columbia in accordance with its guaranty, as the company did not have funds to meet the same.

Loans.—The Company arranged through its bankers a loan of 80% of par value of securities pledged with the Bank, which realized \$4,800,000. The Dominion Government authorized Bank to make the loan. This loan is secured by pledge of \$5,925,195 Guaranteed Debenture stock described above.

By an Act of the Legislative Assembly of the Province of British Columbia (Chapter 38, Statutes B. C. 1916) the Minister of Finance is authorized to advance by way of loan to the Company \$6,000,000, repayable June 30, 1926.

Officers: J. W. Stewart, Pres., Vancouver, B. C.; D'Arcy Tate, V-P, Victoria, B. C.; Timothy Foley, V-P, St. Paul, Minn.; R. D. Thomas, Sec., Treas. & Aud., Victoria, B. C.; J. Callaghan, Chief Eng., Vancouver, B. C.; A. H. Sperry, Genl. Mgr. (Const. Dept.), Vancouver, B. C. **Directors:** Timothy Foley, St. Paul, Minn.; J. W. Stewart, F. Wilson, E. F. White, Vancouver, B. C.; D'Arcy Tate, Victoria, B. C.

Annual meeting, third Wednesday in Sept.

PADUCAH & ILLINOIS RR (Joint Control).—Inc. Feb 22, 1910, in Ky., to construct and operate a double-track steel bridge across the Ohio River near Metropolis, Ill., and to construct a line of road connecting with the Nashville, Chattanooga & St. Louis Ry at Paducah, Ky. The line between Paducah and the Ohio River, about 14 miles, has been completed and a transfer boat service inaugurated pending completion of the bridge. Work is now being done on the foundation and masonry of the bridge, which will probably not be completed until 1918. The bridge will be approximately 5,700 feet long. Under date of Sept 1, 1914, and July 1, 1915, the Chicago, Burlington & Quincy RR Co. and the Nashville, Chattanooga & St. Louis Ry Co. entered into agreements with the Paducah & Illinois RR Co., and the Union Trust Co., Chicago, under which they covenant to use the property of the company for the interchange of passenger, freight and other traffic.

Capital Stock.—Authorized, \$10,000 Com. and \$7,000,000 5% cumulative Pfd.; outstanding, \$10,000 Com. and no Pfd.; par, \$100. Pfd. stock has preference as to assets. The Chicago, Burlington & Quincy RR Co. and Nashville, Chattanooga & St. Louis Ry Co. each own one-half of the outstanding stock.

Bonded Debt.—\$4,200,000 First Gold 4½%; dated July 1, 1915; due July 1, 1955; int. J & J 1, at Union Trust Co., Chicago, Trustee and in New York. Coupon (principal may be registered), \$1,000; and registered, \$1,000 and multiples; interchangeable. Authorized, \$7,000,000. The outstanding bonds were issued for construction purposes. The remaining bonds may be issued for additions, improvements, betterments, etc., and also for acquisitions and extensions, to an amount not exceeding the actual cost thereof. Subject to call for the sinking fund at 102½ and interest on July 1, 1921, and annually thereafter, upon 15 days' notice. Unconditionally guaranteed, principal, interest and sinking fund, jointly and severally, by endorsement by Chicago, Burlington & Quincy RR Co. and Nashville, Chattanooga & St. Louis Ry Co. An annual sinking fund, amounting to more than \$120,000 for the \$4,200,000 bonds now issued, commences May 1, 1921, and is to be applied to the purchase or redemption of bonds at not exceeding 102½ and interest. Company may at any time make additional payments to the Trustee for the purpose of the sinking fund. A first lien on all property of the company now owned or hereafter acquired. As further security, the above-mentioned agreements have been assigned to the Trustee, and to secure the performance of these agreements the entire outstanding capital stock of this company (except directors' shares), all of which is owned jointly by the guarantor companies, has been deposited with the Trustee. Listed on New York Stock Exchange. First publicly offered (\$3,500,000) in Dec, 1915, at par and interest. Normal Income Tax deducted from interest.

PERE MARQUETTE RAILROAD COMPANY

History.—Incorporated Dec 11, 1907, in Mich. and Ind.; consolidation of the first Pere Marquette RR Co. (of Mich.) and the Pere Marquette RR Co., of Ind. The first Pere Marquette RR Co. was itself a consolidation, as of Nov 1, 1899, of the Chicago & West Michigan Ry, the Detroit, Grand Rapids & Western RR and the Flint & Pere Marquette RR Companies. (For information as to receivership and relations with the Cincinnati, Hamilton & Dayton Ry Co., see *Manual* for 1907, page 814, et seq.)

The plan of consolidation, dated Aug 12, 1907, was virtually a plan for the reorganization and rehabilitation of the original company. The consolidated company on Dec 14, 1907, came into possession and control of the property and business of the former company of the same name, and assumed all the debts and liabilities of the former Pere Marquette RR Co. and of the Receiver.

Lease of Branch Lines.—On April 15, 1907, the line from Lawton to South Haven, Mich., 33.82 miles, known as the "South Haven Branch," was leased to the Kalamazoo, Lake Shore & Chicago Ry Co., for 25 years, effective as of April 5, 1907, at rental of \$18,000 per annum for first five years and \$20,000 per annum thereafter. On Jan 24, 1910, the line from Coloma to Paw Paw Lake, Mich., 2.72 miles, was leased to Benton Harbor & St. Joseph Ry & Light Co. for 10 years, effective as of April 1, 1910, at rental of \$2,000 per annum and taxes.

Chicago Terminal.—The contract for the new entrance into Chicago has been consummated and trains are now running over the new route, the change having been made on June 20, 1915. The situation in Chicago had been a delicate one for some time, as former contracts providing for an entrance into that city had either expired or been canceled, the Pere Marquette being in effect simply a tenant at will. The route finally selected was that of the Baltimore & Ohio RR and the Baltimore & Ohio Chicago Terminal, by which an easy connection is made with the New York Central at Pine, Ind. The Baltimore & Ohio main line double track railroad is used from Pine to South Chicago, thence over the double tracks owned by the Rock Island RR to Brainerd Junc., and from there over the Baltimore & Ohio and Baltimore & Ohio Chicago Terminal tracks to the Harrison Street Station, which the Pere Marquette is now and has been using for twelve years.

Toledo Terminal RR.—Two new companies were admitted to ownership in the Toledo Terminal RR during 1914-15. This was agreed to by the seven proprietary lines, of which the Pere Marquette is one. The matter was taken up before Judge Tuttle on Oct 12, 1914. Two questions were involved:—first, whether the Pere Marquette would reduce its stock holdings in the redistribution as agreed upon by the majority of the stockholders; second, the question of making a pro rata advance towards the existing deficit due to extensive additions and betterments. The Terminal Company has never had sufficient income to pay its bond interest, and advances have had to be made by the proprietary lines for that purpose. The Court authorized the Receivers to participate in the redistribution of stock, but refused to authorize any advances toward the deficit. Under the redistribution, the holdings of the Pere Marquette were reduced from 20% to 16.12%.

London & Port Stanley Ry.—The lease having expired, operations were discontinued on the London & Port Stanley Ry on June 30, 1915. An agreement covering the use of a certain portion of the L. & P. S. Ry. Line for the purpose of making the Michigan Central connection at St. Thomas, Ont., has been made for a period of ten years at a moderate rental.

Contract with the Canadian Pacific Ry.—A contract between the Pere Marquette RR Co. and the Canadian Pacific Ry Co., became effective Jan 10, 1915, for ferrying the business of the Canadian Pacific across the Detroit River. Under the arrangement, the Pere Marquette car ferry operates continuously during the twenty-four hours instead of during the day only, in order to perform the work for both companies. As a reserve in case of accident or congestion, the Canadian Pacific Ry Co. keeps one of its boats

at hand. The contract provides adequate compensation and among the numerous advantages is the one whereby the interchange between the two companies takes place at Detroit instead of at Windsor, Ont.

Contract with Pennsylvania Company.—The annual report for year ended June 30, 1916, states: "The receivers have made a preliminary contract with the Pennsylvania Company covering its entrance into the City of Detroit which, when the details have been worked out, will be presented to the Court for approval. An outline of the matter has already been submitted to the several Protective Committees and approved by them."

Receivership.—Owing to final refusal of Michigan RR Commission to permit the Company to carry out arrangements which it had made for borrowing money to meet maturing obligations, it became necessary that receivers be appointed, and on April 5, 1912, in the U. S. District Court at Detroit, Judge Angell placed the property in the hands of Newman Erb, New York, Frank W. Blair, Detroit, and Dudley E. Waters, Grand Rapids, Mich., as receivers. On April 9, 1912, Frank W. Blair was also appointed ancillary receiver by U. S. District Judge Landis, at Chicago. On Aug 27, 1912, S. M. Felton was appointed co-receiver, succeeding Newman Erb, who resigned. On June 3, 1914, Paul H. King of Grand Rapids was appointed chairman of the receivers to succeed S. M. Felton, who resigned. Frank W. Blair also resigned as receiver, effective Sept 30, 1914. No successor has been appointed. The receivers now are Paul H. King and Dudley E. Waters.

Receivers' Certificates.—On Aug 1, 1914, and subsequently, the Receivers, under an order of the Court dated July 14, 1914, issued \$1,689,500 Series "B" 5% Certificates, bearing date of maturity as of June 1, 1915, for the purpose of paying bills for material and supplies purchased prior to July 1, 1914. 600 of these certificates were purchased at par for cash by holders of Pere Marquette RR. Consolidated Mortgage bonds, and the proceeds, amounting to \$600,000, were distributed among the creditors on a pro rata basis. On account of the depression in the money market, the Receivers were not able to negotiate the sale of the remaining certificates, and, therefore, arranged with certain of the creditors to accept certificates amounting to \$1,089,500 in lieu of cash. The Receivers were unable to redeem these certificates at date of maturity, and, by direction of the Court, filed a petition for the sale of the road in order to obtain sufficient funds to pay them and the other obligations of the Receivership. However, before the sale was consummated the Receivers found themselves with sufficient cash on hand to pay off these securities; this was done in installments, the final one of which (25%) was paid on June 15, 1916.

On Oct 1, 1914, the Receivers, under an order of the Court dated Sept 28, 1914, issued and sold at par \$575,000 Series "C" 6% Certificates, bearing date of maturity as of June 1, 1915. The proceeds were used to pay Michigan State taxes for the calendar year 1913, which became due April 1, 1914. The Receivers subsequently redeemed in cash the entire issue of these certificates.

Receivers' 5% Certificates, amounting to \$3,500,000, issued during the fiscal years ended June 30, 1913, and 1914, under order of the Court dated May 30, 1912, also matured on June 1, 1915. The Receivers did not have sufficient funds at date of maturity to retire them, and asked for authority to renew them, together with other matured and unpaid certificates for one year at the same rates of interest. The Court took the position, however, that the interests of certificate holders would be better served by a sale of the road to secure funds to redeem the certificates than to renew them without probability of payment at maturity, and directed that the petition be filed at once.

Settlement with Creditors for Material Purchases.—During the year ended June 30, 1916, the Receivers paid \$593,859 to creditors to cover the entire balance due for material purchased prior to July 1, 1914. In addition to the payment of the principal, all creditors were paid interest at the rate of 5% per annum dating from Aug 1, 1914, which placed them on a parity with creditors who accepted Receiver's Certificates in settlement of their material bills.

Refunding Mortgage Bondholders' Committee.—In April, 1912, holders of Refunding Mortgage 4% bonds of 1955 were invited to deposit their bonds with Bankers Trust Co., New York, or Old Colony Trust Co., Boston, under the terms of a protective agreement, dated April 8, 1912. The following comprise the protective committee: Frederick Strauss (Chairman), Gordon Abbott, Franklin Q. Brown, F. N. B. Close, Colgate Hoyt and F. J. Lisman, with Joline, Larkin & Rathbone, New York, Counsel. B. W. Jones, Sec., 7 Wall St., New York. 91% of the bonds were deposited, the final date for deposit being Dec 16, 1916.

Five-Year 6% Debenture Committee.—In April, 1912, holders of 5-Year 6% Debentures due July 1, 1912, were requested to deposit their holdings with Guaranty Trust Co., New York, or Old Colony Trust Co., Boston, by the following committee: Alex. J. Hemphill (Chairman), Francis R. Hart, E. V. R. Thayer, Albert H. Wiggin, Ingraham, Sheehan and Moran, New York, Counsel. L. B. Franklin, Sec., 140 Broadway, New York; C. B. Humphrey, Asst. Sec., 17 Court St., Boston, Mass.

Preferred Shareholders' Committee.—In April, 1912, First and Second Pfd. stockholders were requested to deposit their shares with Bankers Trust Co., New York, or Old Colony Trust Co., Boston, under deposit agreement, dated April 6, 1912, by the following committee: Philip Stockton (Chairman), J. M. Graham, Guy Norman, W. J. Wollman and C. R. Weeden. Storey, Thorndike, Palmer & Dodge, Boston, Counsel. F. W. Denio, Sec., 17 Court St., Boston.

The above committee for First and Second Pfd. stocks in Nov 1916, recommended to depositors the acceptance so far as their interests were concerned of the Plan and Agreement for reorganization of the road, dated Oct 30, 1916. To facilitate the deposit of First and Second Pfd. shares under the plan the Committee terminated the shareholders' protective agreement, dated Apr 6, 1912. Any holder of a certificate of deposit issued under the agreement, dated Apr 6, 1912, was privileged, upon surrender to the Old Colony Trust Co., Boston, Depositary, of his certificate of deposit duly endorsed in blank, to receive stock to the amount represented by his certificate of deposit, upon payment as his pro rata share of the expenses and remuneration of the committee of 27 cents for each share of First Pfd. and Second Pfd. represented by his certificate of deposit.

Consolidated Mortgage Bondholders' Committee.—In June, 1912, holders of Consolidated Mortgage 4% bonds of 1951, were requested to deposit their bonds with Farmers' Loan & Trust Co., New York, by the following committee: E. S. Marston (Chairman), W. W. Crapo, C. W. Cox, A. R. Kuser, C. M. Weld, Thomas N. McCarter and Beekman Winthrop, with A. V. Heely as Sec., and Cadwalader, Wickersham & Taft, as Counsel, New York. A large majority of the bonds were deposited, the final date for deposit being Dec 16, 1916.

Five-Year 6% Collateral Noteholders' Committee: Wm. H. Porter (Chairman), C. H. Sabin, J. H. Mason, D. E. Pomeroy and Fred. W. Stevens, with Francis Lynde Stetson, as counsel. Depositary: Guaranty Trust Co., New York. E. S. Pegram, Sec., 15 Broad St., New York. For sale of collateral pledged under notes see a subsequent page.

Second Committee for Five-Year 6% Collateral Notes (also for other securities).—E. R. Tinker (Chairman), G. M., P. Murphy and Henry J. Cochran, with White & Case as Counsel and Astor Trust Co., New York, as Depositary. Deposit agreement is dated June 21, 1916.

Committee for Divisional Bonds.—Default having been made on such of the interest on the underlying issues as became payable April 1, 1914, and it being practically certain that further defaults would be made on succeeding installments of interest as they became due, therefore the committee named below was formed for the purpose of protecting these bonds and urged deposit of same under terms of an agreement dated April 6, 1914. The bonds in question constitute all the bonds secured by underlying liens which are superior to the lien of the Consolidated bonds dated Jan. 2, 1901, and of all other bonds of the Pere Marquette RR Co. issued since that date; namely: Flint & Pere Marquette RR Co. 1st 6s and 4s; Chicago & West Michigan Ry 1st 5s; Flint & Pere Marquette (Port Huron Division) 1st 5s; Flint & Pere Marquette RR 1st Consolidated 5s; Chicago & North Michigan RR 1st 5s; Detroit, Grand Rapids & Western RR 1st Consolidated 4s; Flint & Pere Marquette RR (Toledo Division) 1st 4s; Grand Rapids, Belding & Saginaw RR 1st 5s; Saginaw, Tuscola & Huron RR 1st 4s; Pere Marquette RR Co. of Ind. 1st 4s. Deposits of all issues could be made with the Old Colony Trust Co., Boston, and also deposits of Flint & Pere Marquette RR (Port Huron Division) 1st 5s and 1st Consolidated 5s could be made with the Central Trust Co., New York, and of the Saginaw, Tuscola & Huron RR Co. 1st 4s could be made with the New York Trust Co. *Committee:* E. V. R. Thayer, Chairman; Arthur Adams, S. T. Crapo, F. R. Hart, Henry R. Hoyt, Oliver Prescott, A. H. Wiggin, F. H. Ecker, H. F. Whitcomb, R. Walter Leigh, with W. B. Donham, 17 Court St., Boston, as Sec.

Separate Committee for Flint & Pere Marquette RR First 6s and 4s, due 1920.—In Oct, 1916, a separate committee for these bonds was formed, as follows: Edward H. Ladd, Jr. (Chairman), George E. Ide, John M. Holcombe, Frederick H. Shipman and George S. Coe, with Huntington Lanman as Secretary, 7 Wall St., New York, Wood, Cooke & Seitz as Counsel and Title Guarantee & Trust Co., New York, as Depositary. The purpose of this Committee was to protect the interests of these bonds in the reorganization, it being felt by certain owners that the treatment accorded them in the subjoined plan of reorganization did not represent their full intrinsic value. On Nov 1, 1916, the Committee addressed a circular to holders stating that in view of the increased earnings of the system and taking into consideration the treatment accorded other Divisional bonds these bonds should either (a) be left undisturbed and overdue interest thereon paid in cash; (b) be paid off in cash at par and interest; (c) be given in exchange securities of the new company of an assured cash value equal to not less than the principal and accrued interest of the bonds. Deposit of the bonds or Old Colony Trust Co. Certificates of Deposit representing them was requested forthwith under deposit agreement dated Oct 27, 1916.

The above Committee, however, on Nov 21, 1916, announced that it had withdrawn its objections to the Plan of Reorganization and had terminated the protective agreement, dated Oct 27, 1916.

Sale Ordered.—Judge A. J. Tuttle in the U. S. District Court at Detroit, on July 23, 1915, ordered the sale of the property under foreclosure of the Consolidated Mortgage of 1901, Farmers' Loan & Trust Co., Trustee. Upset price is \$14,000,000, subject to the underlying bonds and interest, which virtually brings the price to about \$42,000,000.

Foreclosure Decree.—A decree of foreclosure and an order of sale of the property was filed in the United States Court at Toledo in Oct, 1915, by Federal Judge John M. Killits. The order consolidated several pending suits.

Sale Date.—Judge A. J. Tuttle in U. S. District Court at Detroit, on Dec 20, 1915, fixed April 5, 1916, as the date for the foreclosure sale of the property. The sale date was postponed from time to time, by order of Court, pending the approval of the reorganization plan by the Michigan RR Commission. This was granted Sept 1, 1916, and the plan published as of Oct 30, 1916. The sale date as finally set by Judge Tuttle is March 6, 1917; upset price, \$10,100,000.

Discontinuance of Kalkaska Branch.—Service on the Kalkaska Branch between Spencer and Stratford, a distance of 14 miles, has with the approval of the Michigan RR. Comm. been ordered discontinued on account of lack of traffic. The order was effective Aug 14, 1915.

Cooley Appraisal.—On Dec 31, 1914, Prof. M. E. Cooley transmitted to the Michigan RR Commission his final report on the appraisal of the Pere Marquette RR System. He reported that the total cost of reproduction, new, was \$96,961,771, and the cost of reproduction, less depreciation, \$78,545,241. This work was commenced on May 5, 1914, and completed on Dec. 31, 1914. The appraisal was made upon instructions from, and under the immediate supervision of, the Michigan RR Commission, and the cost of doing this work, amounting to \$80,808, was paid by the Receivers.

Interstate Commerce Commission Investigation.—Representatives of the Interstate Commerce Commission began an investigation in July, 1914, of the affairs of the Company, this proceeding being separate from the work of valuation authorized by an Act of Congress. The investigation is being made in accordance with a resolution of the Commission, and is conducted to ascertain whether the road is giving adequate service and is being properly managed. Public hearings were held as follows in 1916: Cincinnati, May 19 and 20; St. Louis, May 22; Toledo, May 24; New York, May 26 and 27; Washington, June 16, 17 and 30.

The Commission decided to make a valuation of the property of the Pere Marquette RR in connection with this investigation, and field parties began work on the physical valuation of the system on April 19, 1915. The expenses assumed by the Pere Marquette RR Co. during year ended June 30, 1916, in connection with the valuation work amounted to \$31,839.77.

REORGANIZATION PLAN.

A plan of reorganization dated Oct 30, 1916, was drawn up by three of the before-mentioned protective committees, viz.: Committee for Divisional bonds (E. V. R. Thayer, Chairman), Committee for Consolidated Gold 4s (E. S. Marston, Chairman) and Committee for Refunding Gold 4s (Frederick S. Strauss, Chairman). This Plan was concurred in by the Second Committee for Five-Year Collateral Notes (E. R. Tinker, Chairman) and by the Committee representing the Five-Year 6% Debentures (A. J. Hemphill, Chairman), who advised holders of securities represented by them

to accept the Plan so far as their interests were affected; it was at first opposed by the Committee for Flint & Pere Marquette RR First Gold 6s and 4s (E. H. Ladd, Jr., Chairman), who took the position that the securities represented by them were entitled to more generous treatment than the Plan allowed. This latter Committee, however, in Nov, 1916, withdrew its objections and terminated the protective agreement dated Oct 27, 1916. The Michigan RR Commission formally approved the Plan Sept 1, 1916, and the Reorganization Managers declared the Plan operative Dec 20, 1916.

Reorganization Managers—At the request of the Committees drawing up the Plan, Messrs J. & W. Seligman & Co., Robt. Winthrop & Co. and E. V. R. Thayer undertook to act as the Reorganization Managers to carry out its provisions; compensation of the Reorganization Managers for their services to be a sum equal to three-quarters per cent. of the aggregate principal amount of new bonds presently issuable under the Plan and one-half per cent. of the aggregate par value of the new stock of all classes.

Purchase Syndicate—For the purpose of meeting the estimated cash requirements of the Plan, Messrs. J. & W. Seligman & Co., Robt. Winthrop & Co. and Kidder, Peabody & Co. undertook to form a Purchase Syndicate, of which they are to be the Syndicate Managers. The Purchase Syndicate agreed to purchase for \$16,000,000 a certain amount of the securities and stock (hereinafter stated) presently issuable and to offer the Prior Preference stock and Common stock to the extent and on terms hereafter stated to depositors under the Plan. For this service the Purchase Syndicate was entitled to a commission of 5% on the maximum syndicate obligation of \$16,000,000, from which shall be payable the compensation of the Loan Syndicate mentioned below.

Loan Syndicate—The Guaranty Trust Co., of New York, undertook to form a Loan Syndicate, of which it was to be Syndicate Manager. The purpose of the Loan Syndicate was to advance to the Purchase Syndicate, against the pledge by it of such of the below-mentioned Prior Preference stock (trust certificates) and Common stock (trust certificates) offered for sale by the Purchase Syndicate to depositors under the Plan as should not be purchased and paid for in full by depositors, up to 80% of the par amount of Prior Preference stock so pledged. It is the intention that such advances shall be repayable approximately from ten to twelve months after the date of the first advance, but not later than Jan 1, 1919.

Conditions for Participation in Plan—By the terms of the plan provision was made for the exchange of certain securities (specified elsewhere in this statement) of the existing company for new securities presently issuable; certain other securities (also specified elsewhere) were only offered the privilege of subscribing at a certain figure for new securities; and certain securities of the existing company were left undisturbed. Provision was also made for the payment of certain overdue coupons in securities of the new company. Security holders wishing to avail themselves of the privileges offered by the Plan were required to deposit their holdings not later than Dec 4, 1916, with the depositaries named below. The time for making deposits and payments and for delivery of Application Certificates under the Plan was extended to Dec 16, 1916, and for filing application forms and making required payments in respect thereof, to Dec 29, 1916. Depositaries:

(a) *Securities which are exchangeable for securities of the new company:*

Pere Marquette RR Consolidated 4s (with coupons maturing July 1, 1914, and subsequently), Farmers' Loan & Trust Co., New York, Depositary.

Pere Marquette RR Refunding 4s (with coupons maturing July 1, 1914, and subsequently), Bankers Trust Co., New York, Depositary.

Chicago & West Michigan Ry First 5s, Chicago & North Michigan RR First 5s, Detroit, Grand Rapids & Western RR First Consolidated 4s, Flint & Pere Marquette RR First 6s and 4s, Flint & Pere Marquette RR Toledo Div. First 5s, Grand Rapids, Belding & Saginaw RR First 5s, and Pere Marquette RR of Ind. First 4s (with the March 1, 1914, and subsequent coupons on the various Issues), Old Colony Trust Co., Boston, Depositary.

Flint & Pere Marquette RR Port Huron Div. First 5s and Flint & Pere Marquette RR First Consolidated 5s (with coupons maturing April 1, 1914, and May 1, 1914, respectively, and all subsequent coupons), Central Trust Co., New York, and Old Colony Trust Co., Boston, Depositaries.

Saginaw, Tuscola & Huron RR First 4s (with Aug 1, 1914, and subsequent coupons), New York Trust Co., New York, and Old Colony Trust Co., Boston, Depositaries.

Also the following detached coupons: Flint & Pere Marquette RR Co. First Gold 6s and 4s, coupons due April 1, 1912; Detroit, Grand Rapids & Western RR Co. First Consolidated 4s, coupons due April 1, 1912; detached coupons due July 1, 1912, Jan 1, 1913, July 1, 1913, and Jan 1, 1914, pertaining to Pere Marquette RR Co. Refunding Gold 4s. Depositary, Central Trust Co., New York.

Also short term 6% Notes of Pere Marquette RR Co. dated Feb 9, 1912, and Feb 26, 1912, due Oct 8, 1912. Depositary, Old Colony Trust Co., Boston. These securities to be accompanied by such of the collateral, originally securing them, as was acquired by the holders at either the foreclosure sale of Feb 17, 1915, or Dec 6, 1915.

(b) *The following securities being only offered the privilege of subscribing for new securities, it remained optional with their holders either to deposit or not:*

Five-year debentures due 1912 and Collateral Trust 6% Notes due 1916, First Pfd. stock, Second Pfd. stock and Com. stock, Central Trust Co., New York, Depositary. At the time of deposit there was required to be paid for account of the Purchase Syndicate in respect of each \$1,000 par amount of these securities deposited, in the case of (a) Collateral Trust Notes, the sum of \$70; (b) Debentures, the sum of \$66.50 and (c) First Pfd., Second Pfd. and Com. stocks, the sum of \$17.50. These amounts paid at the time of deposit will be taken as part of the required payments in respect of the new securities to which these holders are entitled to subscribe—see a subsequent table.

Provisions of Reorganization Plan—The Plan contemplates the sale at foreclosure under the Divisional Mortgages, the Consolidated Mortgage, Refunding Mortgage and the Improvement Mortgage, or any of them, to a new company to be organized under the laws of such State or States as the Reorganization Managers may in their discretion decide. It is intended ultimately to vest in the new company, free from prior lien, the lines of railroad now covered by these mortgages and also all interests acquired in securities representative of the Canadian lines, subject to the existing liens on these lines, which remain undisturbed so that as far as practicable the First Mortgage of the new company shall be a direct first lien on the physical property owned. The new company shall issue its securities in the amounts mentioned below, which securities shall be distributed to existing security holders or sold for cash in accordance with the terms of the Plan.

(I.) ESTIMATED CASH REQUIREMENTS.

The estimated cash requirements amount to \$16,000,000, as follows:

Receivers' certificates and notes.....	\$4,615,000
Equipment trust obligations as of Jan 1, 1917.....	1,056,000
Claims requiring settlement in reorganization not otherwise provided for.....	350,000
Commission to Purchase Syndicate, including compensation of Loan Syndicate.....	800,000
Organization, franchise and other taxes, including stamps.....	150,000
Expenses of committees, including their compensation, and fees of counsel, and engineering and accounting experts.....	675,000
Reorganization expenses, including compensation of the Reorganization Managers, legal expenses and miscellaneous expenses.....	1,054,000
Payments for interest on New Bonds, and in recognition of interests of New Preferred Stock for period from July 1, 1916, until possession by New Company.....	1,300,000
Additions, improvements, betterments, new construction, new equipment, working capital, etc., etc.....	6,000,000
Total.....	\$16,000,000

The Receivers estimate that on Jan 1, 1917, the cash on hand, after providing funds for payment of interest on Receivers' Certificates and Notes, interest on securities paid regularly during the receivership and all overdue and current interest on Equipment trust obligations, will be approximately \$2,500,000, which after payment therefrom of foreclosure and receivership expenses, should be available for the corporate purposes of the New Company.

For the purpose of meeting the above cash requirements, the Purchase Syndicate (J. & W. Seligman & Co., Robt. Winthrop & Co., and Kidder, Peabody & Co.) agreed to purchase for \$16,000,000 (a) \$6,000,000 of the First Mortgage 5% bonds, Series "A," of the new company (described below), (b) \$11,200,000 5% Prior Preference stock (trust certificates) of the new company, and \$25,675,400 Com. stock (trust certificates) of the new company. No provision has been made for underwriting the cash required to pay non-assenting bondholders, as it is believed that the new securities offered under the Plan to any such non-assenting holders can be disposed of for an amount sufficient to pay these holders their distributive shares.

(II.) SECURITIES UNDISTURBED IN THE REORGANIZATION.
(Canadian Lines.)

Pere Marquette RR Co. (Lake Erie & Detroit River Ry Division) Collateral Trust 4½s, due Aug 1, 1932.
Pere Marquette RR Co. Collateral Trust 4s, due Jan 1, 1923.

(III.) SECURITIES ISSUABLE BY NEW COMPANY.

(a) *First Mortgage Gold Bonds (\$21,976,000 Series "A" 5s and \$8,479,000 Series "B" 4s)* \$30,455,000

Due July 1, 1956. Bankers Trust Co., Trustee. Part of a total authorized amount of \$75,000,000 at any one time outstanding; issuable in series at such rate of interest not exceeding 6% as may be determined at time of issue, payable semi-annually in American currency (provision being also made for payment in foreign cities at certain fixed rates of exchange). The series may mature on the same or different dates and any series to be subject to call as a whole or in part at such times and at such premiums as may be determined upon; Series "A" being callable at 105 and Series "B" at par. Of the Series "A" and "B" bonds, \$15,976,000 Series "A" and the entire Series "B" will be applied in exchange or partial exchange for existing securities, and \$6,000,000 Series "A" will be sold to the Purchase Syndicate. Of the balance, \$5,870,000 will be reserved to retire at par the \$3,000,000 Lake Erie Division Collateral Trust Gold 4½s and \$2,870,000 Collateral Trust Gold 4s, and the remaining \$38,675,000 are issuable after July 1, 1918, for additions, betterments, etc. To be a first lien on all property acquired or to be acquired by the new company subject to the lien of these two mortgages. Normal Income Tax to be deducted from interest.

(b) *5% Cumulative Prior Preference stock.....* \$11,200,000

To be preferred as to assets as well as to dividends in case of liquidation, voluntary or involuntary, over both Pfd. and Com. stock. No dividends to be paid on either Pfd. or Com. stocks unless entire accumulated dividends shall have been paid on either Preference and a proportionate part of dividends thereon for the current fiscal year shall have been set aside. To be redeemable at par and accrued dividends on such notice as the directors may determine at the time of issue. No new mortgage can be placed on Company's property without the consent of holders of a majority of Prior Preference stock outstanding. The entire issue to be sold to the Purchase Syndicate.

(c) *5% Preferred stock—Cumulative after Jan 1, 1919.....* \$12,429,000

To be entitled to dividends at rate of 5% in priority to dividends on the Com. stock, such dividends to be cumulative after Jan 1, 1919. To be preferred as to assets as well as dividends in case of liquidation, voluntary or involuntary, over Com. No dividends to be paid on Com. stock after Jan 1, 1919, unless all accumulated dividends on the Pfd. shall have been paid and a proportionate part of dividends thereon for the current fiscal year shall have been set aside. To be redeemable at par and accrued dividends on such notice as the directors may determine at the time of issue. No new mortgage can be placed on company's property without the consent of the majority of Pfd. stock outstanding. Entire issue to be applied in exchange or partial exchange for existing securities.

(d) Common stock..... \$45,046,000

Of which \$19,370,600 is issuable in exchange or partial exchange for existing securities and \$25,675,400 for sale to Purchase Syndicate.

In fixing the amount of new securities distributable under the Plan in exchange for existing securities, interest on the existing securities was calculated to July 1, 1916, and it was intended that the new bonds should carry interest and the new Pfd. stock rank for dividends from that date. As the reorganization has been delayed, the Reorganization Managers have made arrangements to distribute with the new Pfd. stock, out of cash provided by the Plan, an amount in proportion to the interest represented by the Pfd. stock in the earnings of the properties from July 1, 1916, to the time when the new company shall come into possession, not, however, exceeding 5%.

Voting Trust.—By the terms of the Plan the entire stock of each class issued in the reorganization will be placed in a five-year Voting Trust and Voting Trust Certificates issued therefor. Voting Trustees: James S. Alexander, Francis R. Hart, Frederick Straus, Eugene V. R. Thayer, Robt. Winsor and Beekman Winthrop.

Guaranty of certain Pere Marquette RR Refunding Mortgage Bonds:

\$9,207,000 face amount of the Refunding Mortgage bonds bear a guaranty by The Cincinnati, Hamilton & Dayton Ry Co. of the payment of the principal and interest thereof. The Reorganization Managers have entered into arrangements under which it is expected, if a sufficient amount of Refunding Mortgage bonds bearing such guaranty are deposited under the Plan by March 1, 1917, to immediately cancel the said guaranty borne by Refunding Mortgage bonds at any time deposited under the Plan against a net cash payment sufficient to provide for the distribution not later than upon the consummation of the reorganization to holders of certificates of deposit for Refunding Mortgage bonds bearing such guaranty, at the rate of \$12.50 for each \$1,000 face amount of such bonds. Whether or not such arrangement be carried out, any net amounts received by the Reorganization Managers, or their successors in interest, upon or in discharge and cancellation of such guaranty (which may be discharged and cancelled prior to the consummation of the Plan), after defraying all costs and charges in connection with the collection or receipt thereof, including counsel fees, will be distributed *pro rata* among the holders of certificates of deposit for Refunding Mortgage bonds guaranteed as aforesaid (or the registered holders of such other certificates or receipts as may be issued on the consummation of the reorganization on the surrender of such certificates of deposit) under such reasonable regulations as the Reorganization Managers may prescribe.

Note.—The Reorganization Managers on Jan 8, 1917, announced the cancellation of the guaranty mentioned in the preceding paragraph and holders of certificates of deposit representing Refunding Mortgage bonds, were entitled to receive, upon presentation of the certificates for appropriate stamping to the Bankers Trust Co., New York, the sum of \$12.50 in cash, in respect of each \$1,000 principal amount of bonds represented thereby.

* Per \$1,000 face amount of original notes, new stock allotted being the substantial equivalent, at par, of balance unpaid.

VII. RIGHTS OF PURCHASE OF NEW SECURITIES FROM PURCHASE SYNDICATE.

The Purchase Syndicate having acquired \$11,200,000 Prior Preference stock and \$25,675,400 Common stock, offered the entire Prior Preference issue and \$22,400,000 of the Com. to depositing bondholders and stockholders for subscription at the rate of \$1,000 par value of Prior Preference stock (trust certificates) and \$2,000 par value Com. stock (trust certificates) together for the sum of \$975 in cash. In the case of stockholders, Debenture holders and Collateral noteholders this was the only privilege accorded by the Plan. In the case of Refunding Mortgage bondholders they received in addition to the new securities shown on a preceding page, the privilege of subscribing for new stock upon payment at the time of deposit of the sum of \$43.75 for each \$1,000 principal amount of Refunding Mortgage bonds held. Divisional bondholders and Consolidated Mortgage bondholders assenting to the Plan and wishing to receive their allotment of new stock received at the time of deposit an Application Certificate. This Application Certificate duly filled out had to be lodged with the Central Trust Co. of New York, not later than Dec. 18, 1916, accompanied by cash to the amount of \$17.50 for each share of Prior Preference stock applied for. This amount would be credited to the subscribers at the time the full allotment of stock would be made, as would also the \$43.75 lodged by the Refunding bondholders. The following is a table of the minimum amount of new securities which might be acquired by depositors of each \$1,000 par value of existing securities set forth:

Annual meeting, in May.

Office, 328 Chestnut St., Philadelphia.

PHILIPPINE RY (THE).—Chartered in perpetuity March 5, 1906, in Conn., to construct, under a concession granted by the Philippine Government on July 13, 1906, in accordance with Acts of Congress of the U. S. and approval of the Secretary of War, lines of railroad on the Philippine Islands, as follows: Island of Panay, 100 miles, island of Negros, 100 miles; island of Cebu, 95 miles—total, 295 miles. The construction of 35 miles on the island of Cebu is optional to the company, which has the right under the contract, to construct 25 additional miles of main line on each of the islands. With the consent of the Philippine authorities, part of the originally planned line on the Island of Negros has been definitely abandoned, and the construction of the remainder of the above mileage indefinitely postponed. Location surveys have been completed as follows: Panay, 105 miles; Negros, 73 miles, and Cebu, 80 miles. On Cebu island there are in operation 60 miles of road, extending from Danao to Argao, and on Panay Island, 73 miles, extending from Iloilo to Capiz. Under the concession, the company's tax is fixed at the rate of $\frac{1}{2}$ of 1% of gross earnings for the first thirty years, and $1\frac{1}{2}$ % for the following fifty years, these payments to be made in lieu of all other taxes.

Equipment, Dec 31, 1915.—Locomotives, 15; passenger cars, 49; freight cars, 192; service cars, 7—total engines and cars, 263.

Capital Stock.—Authorized and outstanding, \$5,000,000; par, \$100. Registrar of Stock: Guaranty Trust Co., New York. No dividends paid.

Bonded Debt.—Outstanding, Dec 31, 1915, \$8,551,000 First Sinking Fund Gold 4s; dated July 1, 1907; due July 1, 1937; int. payable J & J 1, at Bankers Trust Co., New York, Trustee. Coupon (principal may be registered), \$1,000; and registered, \$1,000 and \$10,000. Authorized issue, \$15,000,000. Under the terms of the concession the Philippine Government guarantees interest on these bonds, which may be issued to extent of 95% of cost of construction. Entire issue is subject to redemption at 110 and int. on any interest date; bonds may also be drawn by lot at 110 and int. for annual sinking fund, established July 1, 1911, which sinking fund must be provided before any dividends can be paid on the stock. The bonds have been accepted by Secretary of the U. S. Treasury as security for deposits in National banks. Sinking fund, $\frac{1}{2}$ of 1% of outstanding bonds for the period July 1, 1911, to July 1, 1921, inclusive; and to 1% from July 1, 1921, to maturity. A first lien on all property. Listed on New York, London and Amsterdam Stock Exchanges. Interest paid without deduction for Normal Income Tax.

Annual meeting, third Monday in Nov.

General office, Richmond, Va.

WASHINGTON SOUTHERN RY (Controlled by Stock Ownership).—Inc. March 26, 1890, in Va.; consolidation of the Alexandria & Fredericksburg Ry Co. and Alexandria & Washington Ry Co. Operated by the Philadelphia, Wilmington & Baltimore RR Co. until Nov 1, 1901, when it was restored to its own organization to form part of a "union line" between Washington and Richmond. On June 30, 1904, the lease of the Potomac RR to the Richmond, Fredericksburg & Potomac RR Co. was transferred to this company, and at the same time the entire capital stock (\$101,000) and all the bonds of the Potomac RR Co. were acquired by the Washington Southern Ry Co., the bonded debt being retired and cancelled. Line of road owned: Quantico Junc. to Long Bridge, Va., 31.04 miles; leased (Potomac RR) Quantico, Va. to R. F. & P. Junc., 1.10 miles; trackage (P., W. & B. RR), Long Bridge, Va., to Washington, D. C., 3.43 miles—total operated, 35.57 miles; second track, 38.59 miles; sidings, etc., 69.89 miles. The company also owns 4.66 miles of miscellaneous main track. Gauge, standard. Equipment: Locomotives, 29; passenger cars, 13; freight cars (box, 28; flat, 2; caboose, 6), 36; service cars, 37—total engines and cars, 115.

Readjustment of Charges, Etc.—During the year ended June 30, 1915, Hale Holden, president of the Chicago, Burlington & Quincy RR Co., at the request of the Directors, formulated a plan for increasing the Washington Southern Ry Co.'s revenues by additional charges on the traffic of other companies handled on the railroad and yards of the Co., which was made effective July 1, 1915, and it is estimated will yield an additional revenue of some \$100,000 annually. Under this plan drafts were drawn on the several companies furnishing traffic to the Washington Southern Ry Co. for readjustment of charges on past business, and the amount aggregating \$213,254.42 derived therefrom carried to Profit and Loss, from which a dividend of 4.43 plus per cent was declared and paid to stockholders in June, 1915.

Capital Stock.—Authorized and outstanding, \$4,000,000; par, \$50. Dividends have been paid in recent fiscal years as follows: 1904, 3¾%; 1905, 4%; 1906, 2%; 1909, 3¾%; 1910, 4%; 1911, 3%; 1912, 2%; 1913, 2.65%; 1914, 1¾%; 1915, 1¼%, and a special dividend of 4.43% from profit and loss; 1916, 3.425%. Entire stock owned by Richmond-Washington Co., and deposited as collateral for that company's Collateral Trust Gold 4s.

Bonded Debt.—\$4,000,000 First Gold 4s; dated June 1, 1903; due June 1, 1943; int. J & D 1, at Safe Deposit & Trust Co., Baltimore, Trustee. Authorized, \$4,000,000. All owned by Richmond-Washington Co. and deposited as collateral for that company's Collateral Trust Gold 4s.

ST. LOUIS SOUTHWESTERN RAILWAY CO.

(See Accompanying Map)

History.—Incorporated Jan 12, 1891, in Mo.; successor, under plan of reorganization, to the St. Louis, Arkansas & Texas Ry Co., sold under foreclosure in Oct, 1890. The St. Louis Southwestern Ry of Texas and the Tyler Southeastern Ry were incorporated at the same time to take title to the properties in Texas, and, on Oct 6, 1899, the Tyler Southeastern Ry was formally merged in the St. Louis Southwestern Ry of Texas, which had previously acquired all its outstanding capital stock. On Nov 10, 1907, the line from Warsaw to Pine Prairie, Tex., 15.53 miles, was acquired from the Lufkin Land & Lumber Co.

The St. Louis Southwestern Ry Co. owns all the capital stock and guarantees the bonds of the Gray's Point Terminal Ry, the Stephenville, North & South Texas Ry., the Central Arkansas & Eastern RR, Paragould Southeastern Ry; also owns a majority of the stocks and bonds of the Dallas Terminal Ry & Union Depot Co., and Pine Bluff Arkansas River Ry, and the entire capital stock of the Eastern Texas RR. See appended statements for these companies.

Shreveport Bridge & Terminal Co., The.—The St. Louis Southwestern Ry Co. owns a controlling interest in the stock of this company, which on March 25, 1907, completed a steel railroad bridge of modern design across the Red River at Shreveport, La.

Central Arkansas & Eastern RR.—Construction of this Company's lines, 44.8 miles in length, was completed during fiscal year ended June 30, 1912, and the lines were taken over for operation on Oct 22, 1911.

Lease of Stephenville, North & South Texas Ry.—Effective July 1, 1913, the railroad and property of the Stephenville, North & South Texas Ry, a line extending from Gatesville, Tex., to Stephenville, Tex., with a branch line from Hamilton, Tex., to Comanche, Tex., having a total main track mileage of 105.76 miles, was leased by the St. Louis Southwestern Ry of Texas, and since then has been operated as a part of its system. Under the terms of the lease, authorized by Act of Texas Legislature passed in March, 1913, the line was acquired for a period of ten years, with option of extending the lease for an additional 40 years, or the right to purchase the railroad and property at any time.

Arkansas & Memphis Ry, Bridge & Terminal Co.—Organized for purpose of constructing, maintaining and operating a double track railway and highway bridge over

the Mississippi River at Memphis, Tenn. The capital stock of this company is owned equally by the Chicago, Rock Island & Pacific Ry Co., St. Louis, Iron Mountain & Southern Ry Co. and St. Louis Southwestern Ry Co. The construction, maintenance and operation of this bridge was authorized by Act of Congress, July 20, 1912, amended August 23, 1912. The bridge was opened for freight and passenger service on July 17, 1916, and while not at that time fully completed, it was found to be in proper condition to admit of the operation of trains and was expected to be entirely completed within a short time. (For full statement of the Bridge Co. see *General Index*).

Lease of Paragould Southeastern Ry and Guaranty.—The stockholders of St. Louis Southwestern Ry voted Oct 7, 1913, to lease the Paragould Southeastern Ry, for 30 years at a rental equivalent to interest on bonds, and also to guarantee the payment of principal and interest of an issue of 30-year 5% bonds under a mortgage limited to \$5,000,000, of which only about \$500,000 will be issued at present. The Paragould Southeastern Ry is a line 37.3 miles long, running from Paragould, Ark., on the St. Louis Southwestern, to Blytheville. This lease became effective Jan 1, 1914, and on and after that date the Paragould Southeastern Ry was merged with and operated as part of St. Louis Southwestern Ry., which has acquired all the stock (\$100,000 par value) and all of the bonds (\$511,000 par value) of the Paragould Southeastern Ry., which securities are now held in the treasury of the St. Louis Southwestern Ry Co.

Terminal Railroad Association of St. Louis.—By an agreement dated May 24, 1910, a proprietary interest in this Company was acquired by the St. Louis Southwestern Ry Co. Under the terms of this agreement one-fifteenth of the Terminal RR Association's capital stock is vested in the St. Louis Southwestern Ry Co., thereby making it an equal owner with the fourteen other lines, members of the Association.

Memphis Union Station Co.—Effective April 1, 1912, the new Union passenger station at Memphis, Tenn., constructed by the Memphis Union Station Co., of which the St. Louis Southwestern Ry Co. owns a one-fifth proprietary interest, was opened for operation. The Louisville & Nashville RR Co., Nashville, Chattanooga & St. Louis Ry., Southern Ry Co. and St. Louis, Iron Mountain & Southern Ry Co. each owns a one-fifth proprietary interest in this new station and uses the same jointly with the St. Louis Southwestern Ry Co.

Union Terminal Co., Dallas, Tex.—This Company has been organized by the lines entering Dallas, Tex., for the purpose of constructing a union passenger station and facilities therefor. The St. Louis Southwestern Ry Co. owns one-eighth of the capital stock of the new company and will make use of its facilities, when completed, in the operation of passenger trains to and from Dallas. It was expected that the bridge would be ready for operation in the fall of 1916.

Fort Worth Freight Terminals.—During year ended June 30, 1915, the new freight terminals at Fort Worth, Tex., work on which had been in progress during the past two years, were practically completed and the terminals opened for operation on May 1, 1915. These terminals are conveniently located at Fifth and Terry Streets and will undoubtedly prove of great benefit from a traffic as well as an operating standpoint.

New Trackage Agreements.—An agreement was entered into with the Missouri, Oklahoma and Gulf Ry Co. of Texas, under the terms of which that company is granted the right to jointly use the rails of the St. Louis Southwestern Ry Co. of Texas between Plano and Ft. Worth and Dallas, Tex., and also terminal facilities at the two latter points. This agreement became effective Sept 1, 1915. An agreement was also entered into with the Texas Southeastern RR Co., under the terms of which that company is granted the right to use the rails of the St. Louis Southwestern Ry Co. of Texas, between Lufkin and White City, Tex., for the operation of logging trains. This agreement became effective in the fall of 1915.

Proceeds of the issued bonds were used for the following purposes: \$2,250,000 to provide for terminal facilities at St. Louis, Mo., and Fort Worth, Texas; \$2,164,000 to retire equipment obligations; \$843,000 to acquire Gray's Point Terminal Ry First Refunding & Extension bonds; \$6,010,471 to reimburse company's treasury for expenditures and advances for permanent additions and betterments heretofore made and chargeable to property investments; \$184,000 to acquire a like amount of First Mortgage bonds of Stephenville, North & South Texas Ry Co.; \$656,000 for new equipment, and \$161,529 for advances to Dallas Terminal Ry & Union Depot Co. Additional bonds may be issued as follows:

To refund, purchase or acquire prior mortgage bonds of a like face amount (being all the bonds of the system maturing during the life of this issue, except bonds pledged under this mortgage)—

(a) St. Louis Southwestern Ry First Consolidated 4s of 1932.....	\$25,000,000
(b) Bonds of controlled companies.....	13,191,000
(c) Additions and permanent betterments, etc., securities of any company owning railway, terminal or warehouse property, to an amount not to exceed \$2,000,000 per annum, cumulative during the years 1912 to 1921 inclusive, and \$3,000,000 per annum cumulative thereafter; (a) new equipment on which these bonds shall be a direct first lien, to an amount not to exceed \$800,000 during the year 1912, and \$500,000 per annum cumulative thereafter, and (b) for the acquisition or construction of additional lines on which these bonds shall be a direct first lien or first collateral lien.....	49,540,000
Total.....	\$87,731,000

Security.—The bonds are secured by a direct first lien on terminal properties and improvements at St. Louis, Mo., and Ft. Worth, Tex., costing \$2,250,000; (a) by a direct or collateral lien on all the railways, leaseholds, franchises, trackage rights and other properties of the Company and of owned and controlled companies (excepting the property of the Paragould Southeastern Ry, a branch of about 37 miles), including about 1,755 miles of main line and branches, of which about 209.61 miles are trackage rights, together with terminals and terminal rights, subject to prior mortgages; (b) and by a direct first lien or first collateral lien on property to be hereafter acquired by the use of these bonds as follows: additional lines of railway so acquired by the Railway Company or by any proprietary company, and on rolling stock equipment so acquired; title to be taken in the Trustees.

No additional prior liens can be placed upon any part of the property covered by the mortgage, nor can the capital stock or bonded debt of any Company all of whose capital stock is or may be pledged hereunder, be increased, unless such stock or bonds be subjected to the lien of this mortgage, nor can any prior mortgage bonds which mature before this mortgage, except bonds pledged under it, be extended at maturity for a period exceeding two years.

SAN ANTONIO, UVALDE & GULF RR (Independent).—Inc. April 17, 1909, in Tex., as Crystal City & Uvalde RR; name changed to present title April 4, 1912. Mileage completed to June 30, 1916, 313.66 miles, as follows: I. & G. N. Junc., San Antonio, to Crystal City, Tex., 143.26 miles; Uvalde Junc. to Carrizo Springs, Tex., 52.90 miles; and Pleasanton Junc. to Corpus Christi, Tex., 117.50 miles; sidings, 30 miles. Gauge, standard. Rail (steel), 65 lbs. Equipment: Locomotives, 18; passenger cars, 23; freight cars, 193.

Receivership.—Judge Burns in Federal Court, at San Antonio, Tex., on Aug 14, 1914, appointed Duval West of San Antonio, receiver for the company. In April, 1915, A. R. Ponder was appointed co-receiver with Mr. West.

Capital Stock.—Authorized, \$315,000; outstanding, \$280,000; par, \$100. Practically entire issue was owned by the defunct Bankers Trust Co., St. Louis, Mo.

Bonded Debt.—\$4,413,000 First Gold 5s; dated Feb 1, 1913; due Feb 1, 1943; int. F & A 1, at National Bank of Commerce, St. Louis, Mo. Bankers Trust Co., St. Louis, Mo., Trustee. Coupon, \$1,000; principal may be registered. Authorized, \$13,500,000. Bonds cannot be called. A first lien on all property now owned or hereafter acquired. Practically entire issue was owned by the defunct Bankers Trust Co., St. Louis, Mo.

Sale of Collateral.—Judge Koerner in the Circuit Court at St. Louis on Dec 15, 1916, approved an agreement of sale entered into Dec 7, 1916, between Leon W. Quick, receiver of the Bankers Trust Co. of St. Louis, and John T. Milliken of that city, for the purchase by the latter for the sum of \$785,334 of \$3,467,000 San Antonio, Uvalde & Gulf RR. First Mortgage 5% bonds which were pledged with other collateral to secure indebtedness of the trust company. Under the agreement of sale Receiver Quick was given a 90-day option on the railroad property at the same price paid by Mr. Milliken, plus interest. Of the aforesaid purchase price, \$673,227, it was said, would go to the National Bank of Commerce of St. Louis and the remainder (\$112,107) to satisfy the claims held by Mr. Milliken. An appeal was filed by creditors residing outside of St. Louis.

Receiver's Certificates.—The receiver in Jan, 1915, was authorized to issue \$163,000 receiver's certificates, all of which were outstanding June 30, 1916. Although track had been laid between Odem and Corpus Christi, Tex., the road had not been ballasted, and it was for this purpose that the certificates were issued.

SAN DIEGO & ARIZONA RY (Independent).—Inc. Dec 15, 1906, in Cal., to build a line from San Diego, Cal., to Yuma, Ariz., 220 miles; first portion of road put in operation March 1, 1911. Completed to Oct 31, 1916, 96.89 miles, of which 52.52 miles in the United States in operation and 44.37 miles in Mexico; second track, 0.66 mile; sidings, 12.69 miles. The line in Mexico is owned by the Tijuana & Tecate Ry Co., a Mexican corporation operated in connection with the San Diego & Arizona Ry. Of the mileage in the United States, 31 miles are leased to the Holton Interurban Ry Co.

Gauge, standard. Rail (steel) 75 and 90 lbs. Equipment: Locomotives, 4; passenger cars, 22; freight cars (box, 16; flat, 57; gondola, 1; cabooses, 2; oil tank, 4), 80; service cars, 16.

New Interest.—Julius Kruttschnitt, Chairman of the executive committee of the Southern Pacific Co., announced in Nov, 1916, that his company had joined forces with John D. Spreckels with the object of completing this road, and that when completed the road would be operated under the Southern Pacific management.

Capital Stock.—Authorized, \$6,000,000; outstanding, \$2,000,000; par, \$100. No dividends paid.

Bonded Debt.—The company has no bonds outstanding, but the California RR Commission on July 8, 1914, modified its previous order of Feb 10, 1914, authorizing the company to issue bonds. Under the supplemental order, the company may execute a trust deed to secure an issue of bonds limited to \$25,000,000, instead of \$15,000,000, as formerly fixed, and sell \$10,000,000 bonds at 85 and accrued interest, instead of 80, and also \$3,000,000 capital stock at not less than 85, instead of at par. On Dec 30, 1914, the Company filed its mortgage to secure an issue of bonds limited to \$25,000,000. The California RR Commission has also approved the Co.'s plan for organization of a Mexican Corp. the stock of which will be placed in hands of the Union Trust Co. of San Francisco under provisions of Co.'s trust deed dated Dec 1, 1914.

SAVANNAH & NORTHWESTERN RAILWAY

Incorporated June 2, 1910, in Ga., as the Brinson Ry, and took over the properties of the former Brinson Ry, together with extensive terminal properties in Savannah, Ga.; name changed to present one March 26, 1914. The original Brinson Ry, chartered May 16, 1906, for 99 years, in 1909, acquired, by purchase, the Savannah Valley RR, from Millhaven to Egypt, and agreed to guarantee its bonds. Line of road projected from Savannah to Athens, Ga., about 180 miles. In operation: Main line, Savannah to St. Clair, Ga., 108.60 miles; branch, Newtonville to Port Wentworth, Ga., 2.34 miles—total, 110.94 miles; sidings, etc., 14.41 miles. Extension from Waynesboro to St. Clair, 12 miles, was completed in Feb, 1913. Effective Sept 1, 1910, the company began operating its passenger trains over the tracks of the Savannah Union Station Co., 3.86 miles. Gauge, standard. Rail (steel), 56, 60 and 70 lbs. Equipment: Locomotives, 12; passenger cars, 7; combination, 2; baggage, mail and express, 2; freight cars—box, 144; flat, 145; stock, 4; caboose, 1—total, 294.

Terminal Properties.—Of the 161 acres of Savannah real estate owned, 82 acres lie between the terminals of the Seaboard Air Line Ry Co. and the Central of Georgia Ry Co., and bordering on the Union Station, near the center of the city, was the only remaining property practicable for terminals in Savannah. The company also owns 70 acres at Central Junc., which makes possible a physical connection with all railroads entering Savannah. The company has recently purchased 55 acres of terminal property with 900 ft. of waterfront at Port Wentworth, on the Savannah River, about 3½ miles from the business center of Savannah. This property is connected with the company's main line by the Port Wentworth branch, extending from Newtonville to Port Wentworth, Ga., 2.34 miles.

Savannah & Atlanta Ry.—This company was chartered in Georgia on Dec 8, 1915, with \$250,000 Com. stock and \$250,000 non-cumulative Pfd. stock, to construct an extension of the Savannah & Northwestern Ry from St. Clair, continued 60 miles to Washington, Ga., where connection is made with the Georgia RR. The Savannah & Atlanta Ry (see appended statement) is operated under traffic agreement by the Savannah & Northwestern Ry.

Capital Stock.—Authorized and outstanding, \$1,000,000; par, \$100. There was formerly an issue of \$500,000 7% cumulative Pfd. stock, but this issue was reduced to \$10,000 in 1914 and remaining \$10,000 stock retired in Feb, 1915. Transfer Agent: Farmers' Loan & Trust Co., New York. Registrar: Columbia Trust Co., New York. No dividends paid.

BONDED DEBT.—TOTAL OUTSTANDING, \$2,061,400, AS OF AUGUST 1, 1916.

SEABOARD AIR LINE RAILWAY COMPANY

(See Accompanying Map)

History.—Under a consolidation agreement dated Oct 11, 1915, the Seaboard Air Line Ry was consolidated on Nov 16, 1915, under the laws of Va., N. C. and S. C. with the Carolina, Atlantic & Western Ry (which had previously changed its name to Seaboard Air Line Ry Co.), under the corporate name of the Seaboard Air Line Ry Co. The Carolina, Atlantic & Western Ry (see *Railroad Manual* for 1916, page 690), was a consolidation, in April, 1914, of the North & South Carolina Ry, the Charleston Northern Ry, the South Carolina Western Ry, and the South Carolina Western Extension Ry, and had a total mileage owned of 330 miles, and had under construction 86 miles additional, a total of 416 miles. The lines of railway of the Carolina, Atlantic & Western Ry extended from Hamlet, N. C., via Andrews, S. C., to the Port of Charleston, S. C.; also from Lanes via Andrews to the Port of Georgetown, S. C.; also from McBee, S. C., through Hartsville, Darlington and Florence to a connection with the first mentioned line at Poston, S. C., with branches extending to Sumter and

Timmons ville. In addition, as stated above, this company had under construction a line from Charleston to Savannah, 86 miles, which is to be completed by the new company. After the completion of this new construction the consolidated company will have a line extending from Hamlet, N. C., to Savannah, Ga., reaching Georgetown and Charleston, S. C., tapping a rich and productive territory; the Seaboard will thus have two lines through South Carolina from Hamlet, N. C., to Savannah, Ga. (the other line running via Columbia), each one self-supporting in its own territory.

The former Seaboard Air Line Ry was incorporated April 10, 1900, in Va., as successor to the Richmond, Petersburg & Carolina RR, a 102-mile road between Richmond, Va., and Norlina, N. C. The Georgia & Alabama Ry was acquired by purchase Feb 20, 1902, other roads were absorbed in Nov, 1901, and the Florida Central & Peninsular RR on June 27, 1903, the system comprising lines extending from Richmond, Va., to Atlanta, Ga., and Jacksonville and Tampa, Fla., with numerous branches, embracing in all over 3,120 miles of road.

In Nov, 1909, the Atlanta & Birmingham Air Line Ry, 237 miles; the Florida West Shore Ry, 70 miles; the Catawba Valley Ry, 22 miles; the Plant City, Arcadia & Gulf Ry, 19 miles, and the Tallahassee, Perry & Southeastern Ry, 39 miles, were merged in the Seaboard Air Line Ry. The property of the Atlantic, Suwanee & Gulf RR Co., the mileage of which had previously been included in that of the Seaboard Air Line Ry, was transferred during the fiscal year 1909-10.

During the fiscal year 1911-12, the Seaboard Air Line Ry legally absorbed the properties of the Seaboard & Roanoke RR and the Roanoke & Tar River RR, whose entire capital stocks it had previously owned. The Georgia & Alabama Terminal Co. is practically merged with the Seaboard Air Line Ry, although its corporate existence is maintained.

Interests in Other Companies.—The Seaboard Air Line Ry Co. controls by ownership of entire capital stock the Baltimore Steam Packet Co., which for over 50 years has operated the principal fleet of steamers on Chesapeake Bay, between Baltimore, Norfolk, Portsmouth, and Old Point Comfort, Va. The S. A. L. Ry Co. also owns a substantial interest in the capital stock of the Old Dominion Steamship Co., operating lines of steamers between New York, Norfolk, and points in Virginia and North Carolina, and a one-sixth interest in the Richmond-Washington Co., controlling the "Union" line from Richmond, Va., to Washington, D. C., and under traffic agreement with the Pennsylvania RR, the S. A. L. Ry maintains through car service between New York, Philadelphia, Washington, and the South.

In Jan, 1907, the Seaboard Air Line Ry acquired a substantial stock interest in the Macon, Dublin & Savannah RR, running from Vidalia to Macon, Ga., 92 miles, and during year ended June 30, 1912, acquired the entire capital stocks of the Raleigh & Charleston RR Co. and Tampa Northern RR Co., and guarantees the outstanding bonds of the Raleigh & Charleston RR Co. and \$200,000 notes of the Tampa Northern RR Co. It also owns \$300,000 of the \$500,000 capital stock of the Chesterfield & Lancaster RR. The company guarantees the principal and interest of \$750,000 Tampa & Gulf Coast RR Co. First Mortgage bonds, and has an option on the stock of that company.

Receivership and Reorganization.—On Jan 2, 1908, the Seaboard Air Line Ry was placed in hands of Receivers. A reorganization plan was drawn up and declared operative on Sept 10, 1909; on Nov 4, 1909, the receivership was ended and the road returned to the stockholders. For details of financial readjustment, see **Manual** for 1910, page 1019.

Financial Plan.—For financial plan, ratified Nov 15, 1915, see **Railroad Manual** for 1916, page 678.

CAPITAL STOCK AND DIVIDENDS.

Authorized, \$100,000,000, consisting of Com. and Pfd.; issued, \$40,041,000 Com. (in exchange for \$37,516,000 Com. stock of the former Seaboard Air Line Ry and \$2,525,000 Com. stock of Carolina, Atlantic & Western Ry); \$25,000,000 4-2% Pfd. (in exchange for a similar amount of Pfd. stock of the former Seaboard Air Line Ry), and \$2,273,100 6% Pfd. (in exchange for a similar amount of 5% Refunding bonds of the Carolina, Atlantic & Western Ry); par, \$100. Of the issued amounts, \$1,121,600 Com., \$1,105,900 4-2% Pfd. and \$17,500 6% Pfd. were held in treasury, and \$1,205,000 6% Pfd. was pledged as collateral as of June 30, 1916. The balance of the \$100,000,000 authorized stock may be issued from time to time as authorized by stockholders, either as Com. stock or 6% Pfd. stock or 5% Pfd. stock, or as a special stock or a Pfd. stock differing from these 6% and 5% Pfd. stocks with such preferences, privileges and voting powers or limitations as the stockholders may determine. The outstanding Com.

and Pfd. stocks have equal voting power. The 4-2% Pfd. stock is entitled to 4% non-cumulative dividends per annum, and after 4% has been paid on the Com. stock, to an additional 2%; also has the conversion privilege described below. Transfer agents: Bankers Trust Co., New York, and Continental Trust Co., Baltimore. Registrars: Guaranty Trust Co., New York, and Baltimore Trust Co., Baltimore. Pfd. and Com. stock trust certificates listed on New York Stock Exchange. Initial dividend of 1% on Pfd. stock of the old company, paid Nov 15, 1913, and 1% each paid Feb 16, May 15 and Aug 15, 1914; none thereafter. None paid on stock of new company to date of going to press.

Conversion Rights.—To do away with the division of dividend rights mentioned above the option will be given to holders of all Pfd. stock exchanged for former Seaboard Air Line Ry Co. Pfd. stock, from July 1, 1916, until July 1, 1921, to (1) convert each share of this Pfd. stock into (a) two-thirds of a share of new Pfd. stock entitled to 6% straight non-cumulative dividends, but calling for the same amount of cash required to pay 4% dividends on the converted stock, and (b) one-third of a share of Com. stock; or (2) convert each share of old stock into one share of new Pfd. stock limited to 5% non-cumulative dividends, thus surrendering one-half the present right to the 2% additional dividend.

All outstanding shares of the new Pfd. stock will be entitled to dividends in any year without preference or priority in time or order of declaration of payment between any of the shares thereof, but in the ratio of \$6 for each share of 6% Pfd. stock outstanding to \$4 for each share of 5% Pfd. stock outstanding and \$4 for each share of 4% Pfd. stock until the 6% Pfd. stock shall have received its full 6% dividend and the other Pfd. shares shall receive full 4%, whereafter the 5% Pfd. stock, if any, may receive an additional amount up to the amount necessary to provide its full 5% dividend in such year.

Voting Trust.—Stock is held in a voting trust expiring June 12, 1922, which succeeds a five-year voting trust organized in 1912, but dissolved in 1916. Voting Trustees are S. Davies Warfield, Chairman, Baltimore, Md.; Robert F. Maddox, Atlanta, Ga.; Clarence W. Watson, Fairmont, W. Va.; George W. Watts, Durham, N. C.; Samuel L. Fuller, Charles H. Sabin, Albert H. Wiggin, Frank A. Vanderlip, New York; C. Sidney Shepard, New Haven, N. Y. The Continental Trust Co., Baltimore, Md., is the depository under the voting trust agreement.

(1) \$22,459,500 First & Consolidated Gold 6s, Series "A"; dated Sept 1, 1915; due Sept 1, 1945; int. M & S 1, at office or agency of Company, New York. Coupon, (principal may be registered), \$100, \$500 and \$1,000; and registered, \$1,000, \$5,000, \$10,000 and multiples; interchangeable, except that coupon bonds in \$1,000 denomination only are exchangeable for registered bonds. Guaranty Trust Co. and William C. Cox, New York, Trustees.

Provisions of Issue.—Authorized, \$300,000,000; issued, \$25,644,000, Series "A," which have been applied as follows: \$16,734,500 for the construction of the Charleston-Savannah line, for the retirement of \$6,000,000 Seaboard Air Line Ry 5% Notes, due March 1, 1916, for the purchase of \$1,700,000 Refunding Mortgage bonds, being part of the \$22,361,000 bonds pledged under the mortgage, for the retirement of equipment and other obligations, for expenditures for betterments, improvements and acquisitions of property, and for other purposes of the consolidated company; \$5,725,000 for the retirement of an equal amount of various outstanding issues of First Mortgage 6% bonds of the Carolina, Atlantic & Western Ry; \$2,924,500 were held in treasury and \$260,000 pledged as collateral as of June 30, 1916. The unissued bonds may be issued in series which may vary in maturity and rates of interest, redemption and convertibility, etc., as determined by the Directors from time to time. Of the unissued bonds, approximately \$75,453,000 are reserved for refunding practically the entire debt of the Seaboard Air Line Ry Co. system, except Adjustment Mortgage bonds, and the remaining \$198,903,000 are reserved for betterments and improvements, additions, acquisitions and extensions, made after June 30, 1915, refunding or payment of liens on after acquired property, and retirement of equipment obligations. The First & Consolidated Mortgage bonds may be issued to provide for additions, betterments, etc., to the lines that are subject to the Refunding Mortgage, to the extent of the expenditures made or liabilities incurred therefor as provided in the First & Consolidated Mortgage, and will become available for such purpose only upon the pledge with the Trustee of an amount of additional Refunding bonds which at their fair market value shall equal the expenditures made on said lines. When all Refunding bonds issuable under the provisions of Sections 4 and 5 of Article Two of the Refunding Mortgage have been pledged under the First & Consolidated Mortgage then First & Consolidated Mortgage bonds may be issued for such expenditures or liabilities for further betterments, improvements, etc., on said lines up to the face amount of all Refunding bonds then pledged under the mortgage less the \$22,361,000 thereof mentioned in the granting clauses of the mortgage and the face amount of all First & Consolidated bonds that shall have been issued in respect of the deposit of Refunding bonds under the refunding provisions of the First & Consolidated Mortgage. In case the First & Consolidated Mortgage shall be made a direct lien upon the property covered by the Refunding Mortgage without the intervention of any other lien, then First & Consolidated Mortgage bonds may be issued for betterments, improvements, etc., upon said lines without requiring the pledge of Refunding bonds. Series "A" bonds are subject to call as a whole, or in lots of not less than \$1,000,000, at 107½ and interest on any interest date upon 60 days' notice.

Security.—These bonds are a direct obligation of the Seaboard Air Line Ry Co., which is a consolidation of the Seaboard Air Line Ry and the Seaboard Air Line Ry Co. (formerly the Carolina, Atlantic & Western Ry) and are secured by a first lien on 328.46 miles of road, as follows: Hamlet, N. C., to Charleston, S. C., 168.03 miles; McBee to Poston, S. C., 65.45 miles; Hartsville to Sumter, S. C., 38.25 miles; Lydia to Timmonsville, S. C., 16.75 miles; Georgetown to Lanes, S. C., 36.00 miles; Oxford to Dickerson, N. C., 4.51 miles; Hartsville Depot spur, 1.47 miles. They are also a first lien on 86 miles under construction from Charleston, S. C., to Savannah, Ga. The lines of the former Seaboard Air Line Ry are not subject to the lien of this mortgage. The bonds, however, are secured by pledge with the Trustee of \$22,361,000 Seaboard Air Line Ry Refunding Mortgage 4% bonds. The Refunding bonds are secured by a first lien on 281.48 miles and a general lien, subject to \$49,830,000 bonds, on 2,766.14 miles of road. It is provided in the mortgage that all amounts of Refunding bonds, issued

SEABOARD AIR LINE RY. CO.

Guaranty Trust Company of New York

or acquired shall be pledged under the First & Consolidated mortgage. There are also pledged under the First and Consolidated mortgage the entire \$574,500 capital stock of the Paleigh & Charleston RR Co., the entire \$750,000 capital stock of the Tampa Northern RR Co., and \$10,000 of the \$30,000 capital stock of the Tampa Union Station Co. It is also provided that the entire \$250,000 capital stock of the Tampa & Gulf Coast RR Co. and entire \$250,000 capital stock of the East & West Coast Ry Co., now held under option, shall be pledged under this mortgage if and when the same shall be acquired. It is further provided that all the lines of railway of the Tampa Northern RR Co. and the Raleigh & Charleston RR Co. shall be pledged as security for these bonds, subject to their outstanding bond issues, if and when the same shall be acquired by or merged into the Seaboard Air Line Ry Co. First publicly offered (\$14,500,000) in Dec, 1915, at 99½ and interest. Normal Income Tax deducted from interest.

Note.—Since June 30, 1916, additional bonds have been sold, making outstanding amount \$26,909,500, instead of \$22,459,500 as of June 30, 1916.

Under the Plan of Readjustment dated Sept 10, 1909, the assenting First Mortgage bondholders agreed that said bonds might be purchased or redeemed pursuant to the following provisions which have been stamped upon all of such bonds: "This bond may be redeemed or purchased by the Seaboard Air Line Ry or its successor on any interest payment date at par, and accrued interest upon notice, the first publication of which shall be at least three months before such date, in accordance with the terms of an Agreement between the trustees of the mortgage securing this bond and said railway, dated Nov 1, 1909." Listed on N. Y., Philadelphia, Baltimore, and Richmond Stock Exchanges. Interest paid without deduction for Normal Income Tax.

(3) **\$22,310,000 Refunding Gold 4s**; dated Oct 1, 1909; due Oct 1, 1959; int. A & O 1, at Blair & Co., New York. Coupon (principal may be registered), \$100, \$500 and \$1,000; and registered, \$1,000, \$5,000, \$10,000 and multiples of \$10,000; coupon and registered bonds interchangeable in all denominations except \$100. New York Trust Co. and Mortimer N. Buckner, New York, Trustee. Subject to call as a whole, but not in part, at 105 and interest on any interest date upon ninety days' notice.

Purposes of Issue.—Authorized, \$125,000,000, of which \$75,000,000 were reserved for the following purposes: To retire underlying divisional bonds (\$30,400,000); First Mortgage 4s (\$12,775,000); 3-year 5s and 10-year 5s (\$14,651,000), and equipment trust obligations (about \$6,000,000), \$63,826,000; for double-tracking, reducing grades, revising lines, etc., \$4,000,000; to aid in retiring Seaboard Collateral Trust and First Mortgage bonds; and for betterments, etc., but only upon request of Board of Directors, by three-fourths' vote, \$2,750,000; for betterments, improvements, etc., \$4,424,000. The remaining \$50,000,000 are issuable at an average rate not exceeding \$2,750,000 per year under restrictions defined in the mortgage to provide for the development of the property, the acquisition of additional lines, equipment and other property, for improvements, and for the acquisition or retirement of bonds of subsidiary lines, and to take up any of the \$5,500,000 additional First Mortgage 4% bonds which may be issued. To June

30, 1916, there had been issued \$44,671,000 of these bonds, of which \$22,361,000 were pledged under the First & Consolidated Mortgage described above, leaving \$22,310,000 outstanding. According to the terms of the new First & Consolidated Mortgage, no more of these bonds can be issued unless they are deposited thereunder.

Security.—The bonds are secured by a first lien on 281.48 miles of road, as follows: Oxford to Dickerson, N. C., 4.51 miles; Spence to Great Falls, S. (20) **\$25,000,000 Adjustment Mortgage Cumulative Income Gold 5s**; dated Oct 1, 1909; due Oct 1, 1949; int. F & A 1, at Blair & Co., New York. Coupon, \$1,000; principal may be registered. Fidelity Trust Co., Baltimore, and Van Lear Black, Trustees. Interest is cumulative at rate of 5% from Nov 1, 1909, payable out of surplus earnings and income of preceding six months, beginning May 1 or Nov 1. Interest at rate of 5% per annum has been paid in full to date. Two coupons for \$12.50 each (1¼%) are attached to the bonds for each interest payment date and no installment of interest less than 1¼% will be declared. Subject to call as an entire issue only at par and all unpaid cumulative interest on any interest date upon ninety days' notice.

No interest upon any obligations secured by mortgage or lien junior to the lien of the Adjustment Mortgage or upon any unsecured bonds or debentures issued by the company subsequent to the date of the Adjustment Mortgage, nor any dividends upon any of the stocks of the company, can be deducted for the purpose of determining the surplus net earnings applicable to the interest on the Adjustment bonds. No dividends can be paid upon the stock until all arrears of interest, if any, shall have been paid. The Board of Directors may direct at any time the payment of all or any part of the interest in arrears whether on regular interest payment dates or not, and the company may, if it desires, pay interest otherwise than from net earnings and income.

SOUTHERN PACIFIC COMPANY.

(See Accompanying Map)

History.—Incorporated March 17, 1884, under special charter from the State of Kentucky, authorizing the company, among other things, to acquire and hold stocks, bonds and other securities of corporations, companies and associations of all kinds, and to make contracts and agreements covering the leasing, maintenance, or operation of any railroads, telegraphs, steamship lines, etc. As of March 1, 1885, the company took over for operation under what was known as the "Omnibus" lease, certain railroads, which have been operated, since the abrogation of the lease on Dec 31, 1901, under the terms shown in the several statements hereinafter appended. The Southern Pacific Co. controls, by stock ownership, or under lease, an extensive system of railroads, extending from San Francisco to New Orleans, and thence by steamship service to New York; together with lines from San Francisco to Portland, Ore., to Ogden, Utah, and numerous other branches.

Conveyance of Properties.—On Dec. 27, 1911, the *Southern Pacific Railroad Co.* conveyed to The California, Arizona & Santa Fe Ry Co., the railway from Mojave, in Kern County, to "The Needles" on the Colorado River, in San Bernardino County, Cal., known as the "Mojave Division," 242.51 miles in length, which was, on July

15, 1898, leased to and operated by The Atchison, Topeka & Santa Fe Ry Co. At the same time the Southern Pacific RR Co. acquired from The Atchison, Topeka & Santa Fe Ry Co., in exchange for the Mojave Division, all the stocks, bonds, and other indebtedness of the New Mexico & Arizona RR Co. (\$3,682,000 capital stock, \$2,313,000 First Mortgage 6% bonds, and \$950,000 Second Mortgage 6% bonds), which owned a railway from New Mexico and Arizona Junc. to Nogales, 88.19 miles in length, and of the Sonora Ry Co., Ltd. (\$1,049,600 capital stock, and \$5,248,000 First Mortgage 7% bonds), which owned a railway from Nogales to Guaymas, Mexico, 263.45 miles in length. In making this exchange, The Atchison, Topeka & Santa Fe Ry Co. also paid to the Southern Pacific RR Co. a sum which, with interest to the year 1979 (the date of the expiration of the Mexican concessions of the Sonora Ry Co., Ltd.), it was estimated, would equal the value of the property of the company last mentioned, which would then revert to the Mexican Government. The properties of both these companies had on July 15, 1898, been leased to the Southern Pacific Company, and have since been operated by it. Since Dec 28, 1911, the earnings and expenses of the New Mexico & Arizona RR Co. have been included in those of the Southern Pacific RR Co. The Southern Pacific Co. continued to operate the Sonora Ry under its lease to it until the close of June 30, 1912, when that property, subject to its mortgage indebtedness, was sold to the Southern Pacific RR Co. of Mexico.

Interests in Other Companies.—In addition to the securities of proprietary companies owned, the Southern Pacific Co. jointly with the Atchison, Topeka & Santa Fe Ry Co., owns the entire capital stock of the Sunset Ry Co. and the Northwestern Pacific RR Co., the latter operating a system of roads covering approximately 500 miles, extending northwesterly from San Francisco. The Southern Pacific Co. owns the entire capital stocks of the following electric railway properties: Pacific Electric Ry, \$74,000,000; Peninsular Ry, \$12,000,000; San Jose & Santa Clara County RR, \$5,000,000, and San Jose Railroads, \$5,000,000. It also owns \$20,069,000 of the \$40,000,000 stock and \$9,628,000 First Mortgage bonds of the Associated Oil Co., the entire \$7,000,000 stock and \$5,500,000 6% debentures of the Kern Trading & Oil Co. and has substantial holdings in the securities of other oil companies. A complete list of stocks and bonds owned by the Southern Pacific Co. is shown on a subsequent page.

Sale of Pacific Mail Steamship Co.—An Act of Congress regulating the affairs of steamship companies and known as the La Follette Act was approved March 4, 1915, and became effective Nov 4, 1915. It was proven by figures prepared by chartered accountants that the effects of this act would make unprofitable the further operation of the Pacific Mail Steamship Co., investigation having shown that the expenses of the Company's transpacific fleet as to wages and feeding crews alone would be increased by \$640,805 per annum. Owing, therefore, to the advantageous market for vessels resulting from the European war, the stockholders at the annual meeting, held May 26, 1915, authorized the sale of such of the company's vessels as the Board of Directors might find desirable. Pursuant to this authority, five of the ships were sold in Aug, 1915, and the remaining seven in Dec, 1915. As the law prohibits the payment of dividends except out of surplus profits, or a division of any part of the company's capital among the stockholders, in order to permit the distribution of the moneys in the treasury of the steamship company, a portion of which represented capital assets, and not surplus profits, at a special meeting, held Oct 13, 1915, the stockholders authorized the reduction in the par value of the company's capital stock from \$20,000,000 to \$1,000,000, and the changing of the par value of its shares from \$100 to \$5. As a result of this action, the directors of the company authorized, on Nov 5, 1915, a distribution of \$25 per share, payable Dec 15, 1915, out of surplus resulting from the decrease in the company's capital stock. The Southern Pacific Co. on June 30, 1915, owned \$11,080,000 of the \$20,000,000 stock, so that of the reduced capitalization, \$554,000 was owned. Announcement was made Dec 14, 1915, by the Southern Pacific Co. of the sale of its stock interest in the Pacific Mail Steamship Co. to W. R. Grace & Co., at the price of \$10 per share. W. R. Grace & Co. also agreed to pay a further sum of \$2.50 per share for the Pacific Mail stock, provided the remaining assets, consisting of wharves, real estate, tugs, lighters, etc., equal or exceed the sum of \$1,250,000.

Merger of Subsidiaries.—The shareholders on April 7, 1915, authorized the purchase of the properties of the following companies, the capital stocks of which were owned: Coos Bay, Roseburg & Eastern RR & Navigation Co.; Corvallis & Eastern RR Co.; Pacific Ry & Navigation Co.; Portland, Eugene & Eastern Ry Co.; Salem, Falls City & Western Ry Co.; Willamette Pacific RR Co. The merger became effective July 1, 1915. All the bonds of the various merged subsidiaries being owned by the Southern Pacific Co. were cancelled. Also on July 1, 1915, the Lake Charles & Northern RR

Co., operating 70.50 miles of road, and whose capital stock is entirely owned, was taken into the system and is now regarded as a "Proprietary Company." On April 5, 1916, shareholders voted to purchase the property of the Beaverton & Willsburg RR.

Southern Pacific Land Co.—The last of the First Mortgage bonds of the Southern Pacific RR Co. (of Cal.), issued under the indenture of April 1, 1875, matured April 1, 1912, and were paid off. The lands included in the Government land grant to said company then remaining unsold, and all right, title, and interest of said company in the land grant were, on March 6, 1912, transferred to the Southern Pacific Land Co., a corporation organized under the laws of California for the purpose of taking title thereto. The trustees of the Southern Pacific RR Co. (of Cal.) First Mortgage 6% bonds of 1875 participated in the transfer and executed a release of the lien of the mortgage upon the deposit with them of the consideration paid by the Southern Pacific Land Co. for the transfer which, together with the cash then in the hands of the trustees, was sufficient to retire the First Mortgage bonds outstanding at their maturity on April 1, 1912. The Southern Pacific Co. furnished the funds required by the Southern Pacific Land Co. for the purchase, and acquired the entire capital stock (\$5,000,000) of the Land Co.

Disposal of Union Pacific Holdings.—On Dec 2, 1912, the U. S. Supreme Court, reversing the decision of the lower court, held that the ownership of \$126,650,000 stock of the Southern Pacific Co. by the Union Pacific (through the Oregon Short Line RR Co.), was in contravention of the Sherman Anti-Trust statute, and directed the court below to require that such stock be disposed of in such manner as to effectually prevent the control of the Southern Pacific Co. by or in the interest of the Union Pacific. By a supplementary opinion filed Jan 6, 1913, the court explicitly refused to sanction any disposition by the Union Pacific of such stock by sale or otherwise *pro rata* to its own stockholders, as had been allowed in the cases of the Northern Securities Co. and Standard Oil Co. The then Attorney General of the United States, as well as his successor, insisted that the Union Pacific and Southern Pacific should work out and agree upon some plan for the transfer of the control of the Central Pacific Ry from the Southern Pacific to the Union Pacific as a part of any plan for carrying out the decree of the Supreme Court. After much negotiation, such an agreement was arrived at, but it contained provisions for the joint use of certain tracks and terminals which could not become effective without approval of the Railroad Commission of California. That Commission withheld its approval except upon conditions which neither Company could accept; and consequently it proved impossible to reach an agreement for the transfer of the control of the Central Pacific Ry, and negotiations to that end, which extended actively over several months, had to be abandoned.

Various other plans intended to comply with the decision of the Supreme Court were devised by a special committee and considered by the Board of Directors, several of which were submitted to the Attorney General and the Court without securing approval thereof. A plan was finally formulated upon the basis of requirements and suggestions of the Court and the Attorney General, which was on June 30, 1913, approved by decree of the Court, providing for the exchange of \$38,292,400 of the stock of the Southern Pacific Co. owned by Union Pacific RR Co. for \$21,273,600 of Pfd. stock and \$21,273,600 of Com. stock of the Baltimore & Ohio RR Co. held by the Pennsylvania RR Co.; and for the deposit of the remaining stock of the Southern Pacific Co. held by the Union Pacific, aggregating \$88,357,600 with the Central Trust Co., New York, appointed by the court, as Trustee, the issuance of the Trustee's Certificates against the stock so deposited, share for share, but under such restrictions that the Trustee's Certificates could not be converted into the underlying Southern Pacific stock by any owner of Union Pacific stock, and the sale of such certificates to all shareholders, Com. and Pfd., of the Union Pacific RR Co., at a price and upon terms to be fixed by the Board of Directors of that company.

The decree required the sale of such Trustee's Certificates not later than Nov 1, 1913. They were accordingly offered at \$92 per share to Union Pacific RR stockholders for subscription on or before Sept 2, 1913.

Government Attack on Right to Control Central Pacific Ry.—On Feb 11, 1914, the United States, acting through the Attorney General, brought suit in the U. S. District Court for the District of Utah, against the Southern Pacific Co. and the Central Pacific Ry Co., to separate the two companies, on the ground that their union in one system was in violation of the Sherman Anti-Trust Act of 1890, and also in violation of the Pacific Railroad Acts, providing for the construction of the Union Pacific and Central Pacific Railroads. The nature of this suit was fully explained in a circular issued to the stockholders of this company on Feb 5, 1914, after the Attorney General had publicly announced his intention to endeavor to divorce the Southern Pacific Co. from the Central Pacific Ry Co. Testimony in this suit has been taken on both sides, and

the lower court at St. Louis has had the case under advisement since Dec 1, 1915. It may be assumed that an appeal to the Supreme Court of the United States will be taken by the losing party.

Government Attack on Title to Oil Lands.—On June 22, 1914, the U. S. Supreme Court decided in favor of the defendants the suit of Edmund Burke and others against the Southern Pacific RR Co. and the Kern Trading & Oil Co. The object of this suit was to recover some 3,200 acres of the oil lands of defendants in California, on the ground that, by reason of the provision in the Act of Congress containing the land grant excepting mineral lands, and especially by reason of a so-called mineral reservation clause in the Railroad Company's patents, the subsequent discovery of oil under the lands made the patents inoperative and defeated the Railroad Company's title to the lands. In deciding against claimant, the Supreme Court declared that the subsequent discovery of oil did not cause the lands to revert to the Government, and that the mineral reservation in the patents was unauthorized and inoperative. The Court, in effect, held that the patents could be avoided only by proving that they had been obtained by fraud, and that suits to set aside such patents must be brought within six years from the date of issuance of the patents. During the year ended June 30, 1915, litigation was renewed by the Attorney General, specially alleging such fraud; and, in order to avoid the six years period of limitation, it has been further alleged that the Government was prevented from suing within the required time by fraudulent concealment of its acts by the Railroad Company. Testimony in this suit is being taken and it is expected the case will be ready for argument in the lower court early in 1917.

There are four suits pending based on alleged fraud, three against the Southern Pacific RR Co. and one against the Central Pacific Ry Co. The aggregate number of acres involved is 7,493. There are only two other suits pending relating to oil lands. The acreage involved is 89,450 acres. These suits were originally based solely on the supposed efficacy of the mineral reservation clause.

Government Attack on Title to the Oregon & California RR Land Grant.—In 1908, the U. S. Government brought suit against the Oregon & California RR Co., and the Southern Pacific Co., to forfeit the unsold portion of lands granted by Act of Congress to aid in the construction of the Oregon & California RR. The ground of forfeiture mainly relied on was that some of the lands included in the grant had been sold in disregard of the requirements of the Granting Act, namely, that the land should be sold to actual settlers only, for not more than \$2.50 per acre, and in quantities not exceeding 160 acres. About 2,300,000 acres of land were involved.
